Helen Fazio has given me your name & address. I know you are painting & papering so take your time answering.

Dear Mr. Fagley:

There is a lull in my painting and etc. so thought I would catch up.

The Huttons' come into my Pafford line and frankly I haven't done too much research on the Huttons. The Pafford line is plenty for me right now. The Paffords are mostly in Smythe Co., VA and then back into NC.

The only given name of Leonard attached to a Hutton/Hatton has been in 1790 York Co., PA., when my Leonard would be c 17 yrs. old and in the family of Leonard Hatton.

Since I find my Leonard Hutton in 1810 Washington Co.,VA along with another Leonard Hutton, this might be his father/Uncle.

In a book, Bicentennial History of Washington., VA, 1776-1976 by J. Allen Neal, there is excellent proof of the change of name in the land records, from Hatton to Hutton.

The surnames of Simmons nor the given names you mentioned do not occur in my line that I know about.

I have the will of a James Hutton of Washington Co.,VA drawn up in 1803 by 'exhibited in Court' in 1815 in which he names his wife Sarah. The plantation to son Leonard. Also names 'daughter, Mary Smith, Jenny Scott and Sarah Scott' A nuncupative will of Sarah Hutton, Dec'd, widow of above James Hutton was filed after her death in 1815.

Here is my compilation of what I guess to be the children of my Leonard Hutton;

Leonard Hutton	b 1773	PA	
Nancy	b 1789	VA	
James	b1804	VA	
Dixon	b 1810	"	
Robert (*)	b 1813	"	(father of my Martha Ann who m John H. Pafford,1830,VA)
David	b 1819	"	
Abram	b 1824	"	
Elizabeth	b 1829	"	
Mahlon(m)	b1830	"	

Maybe you can piece together, from your records, how the above might fit. I'll be anxiously waiting for your results.

Sincerely,

MRS JORDAN

HELEN FAZIO HAS GIVEN ME YOUR NAME & ADDRESS. I KNOW YOU ARE PAINTING & PAPERING SO TAKE YOUR TIME ANSWERING.

I DESCEND FROM ADAM SIMMONS (B PA. 1767) WHO M. 1770 IN, THEN, YORK CO. PA MARY HATTON. OUR 1880 HISTORY OF CLERMONT CO. O SAYS ADAMS FATHER WAS JOHN SIMMONS WHO EMIGRATED FROM ENGLAND TO PA. IN 1734. IT SAYS NOTHING OF THE HATTONS.

MORE RECENT PRINTED GENEALOGY SAYS THAT ADAM WAS A SON OF JOHN, A REV. WAR SOLDIER, OF LITTLE COMPTON R.I. & N.Y. CITY, BUT THAT JOHN DIED IN 1774, SO I HAVE MY DOUBTS

ADAM & MARY MIGHT HAVE LIVED A WHILE IN S.W. PA AND/OR N. KY. AS WAS SO COMMON, BUT THEY ARRIVED IN S.E. MOST CLERMONT CO. OHIO ON THE OHIO RIVER IN 1798. THERE, THEY FORMED A CLASS OF METHODISTS WITH MY REV. GEORGE BROWN ROWING THE RIVER TO PREACH. (I DON'T SUPPOSE YOU KNOW GENEALOGIST JEANNE HALL GARNETT, OF DENISE DRIVE HOUSTON, WITH WHOM I SHARE BROWN BLOOD?)

ADAM & MARY HATTON SIMMONS HAD JOHN, LEONARD, JAMES, ADAM JR., ELLEN, MARGARET, MARY (MINERVA), NANCY, BETSY & SALLY

SON JAMES HAD REV. WM., HATTON, B. 1800-1880+, ELISHA B., JAMES, LEONARD, BENJ. H., JOHN & DAVID

SON LEONARD HAD POLLARD, WESLEY & JAMES BORDEN, WILLIS, JOHN A, LEONARD & SANFORD

When I found last summer that their 1770 M. was in York Co. PA, I took the 1790 Census of PA & an old York Co. History & guessed that the Hattons lived in S. Adams Co. PA.

Ms. Jordan,

You started something! Sunday before Thanksgiving, I painted the woodwork of my library/TV room expecting to just paint over the wallpaper on Monday. But, my wife disagreed, and Monday morning, as she came downstairs to leave for work, she tore off a big piece of wallpaper as she walked thru the library. So my sister-in-law & I had 2 1/2 long days of stripping wallpaper, then a quick coat of paint before our Thanksgiving guests! Now we have the downstairs bathroom torn up - knocked out a wall, re-flooring & last night she fixed it so I'll have to re-plumb also.

I've long been asking some folks with there Thomas & Mary Ball Brown's & we think some of the data we may need may be under Bull as a quill pen makes that upper sideways stroke so thin & so easy to flake off, or to mis read an U & an A.

I'm a not on colonial 1st names. Leonard, like Basil, Aquilla, Greensberry is more often a mid. 1st name, but not always, of course. Matlow is another 1st name I watch with many so named, I think, being named for the great Quaker preacher, Matlow Stacy, of Trenton N.J (& Falls Twp Bucks co pa) 1682±.

JUST YESTERDAY, A PEN PAL SENT ME A BUNCH OF DATA ON VARIOUS COLONIES & FAMILIES THAT INCLUDED SOME EARLY (1680S) MONMOUTH CO. N.J QUIT RENT ROSTERS THAT INCLUDED A FEMALE HATTON. LET'S SEE IF I CAN FIND IT. FROM SOMETHING CALLED "HISTORICAL MISCELLANY" AT THE TOP OF THE PAGE (372) [STILL WELL'S ?]

ELIZABETH HATTON - 2 PARCELS = 74A DUE 1670!

LOOKS LIKE MOSTLY STRAWSBURG, N.J. QUAKERS ON THE PAGE, ALTHOUGH I SEE SOME MIDDLETOWN, N.J. SCOTS & SOME DUTCH. I'D FOUND A BIT OF THE HATTON NAME @ CONCORD NEAR CHESTER, PA EARLY ALSO. I KNOW OF SOME TIES BETWEEN STRAWSBURG N.J & CHESTER, OR UPLAND, PA QUAKERS AS MY THOMAS LEEDS, OF STRAWSBURG N.J. M.(2) A GAL FROM NEAR CHESTER, AT BURLINGTON M.M. (MATTLOW STACY). BUT I'M GRASPING AT STRAWS. THE ELDER LEONARD HATTON, OF ADAMS/YORK CO. PA WAS A SLAVE HOLDER, I THINK. EARLY QUAKERS HELD SLAVES, LATER ONES DID NOT. I'M NOT ~~STRO~~ CERTAIN JUST WHEN THEY QUIT. I WONDER IF PIPE CREEK MEETING WAS THE CLOSEST QUAKER MEETING TO LEONARD S.R.S. PIPE CREEK IS THE DIVISION BETWEEN MODERN FREDERICK & CARROLL CO. MD. OF COURSE, THIS QUAKER BUSINESS DEPENDS ON MATTLOW MEANING SOMETHING

I SEE A BIG GAP IN THE BIRTHS OF THE KIDS (3)
OF YOUR LEONARD 1773-1789 & A 57 YEAR RANGE
IN THEIR AGES. THATS A LONG TIME

WE HAD SOME SCOTTS BANG HERE IN CLERMONT CO
O. WITHIN 4-5 MILES OF ADAM SIMMONS. 5-10 YEARS
AGO, A ~~GAL~~ GAL FROM (?) FALLS CHURCH, VA HAD
ME DIGGING IN THEM A BIT. MY MEMORY IS THAT THEY
MIGRATED IN FROM SOMEPLACE SOUTH, BUT NOT KY.
(LOWER VA, N.C. OR TENN.) SOMETIME THIS WINTER,
I HOPE TO GET MY FILES IN SHAPE ENOUGH TO FINDS
SOMETHING.

THE MIGRATION FROM ADAMS & FRANKLIN CO
PA & WASHINGTON, CO. MD. TO WASHINGTON CO. VA
WAS NOT UNCOMMON. ONE OF THE 1ST WAS COL ECHAN

INTEREST MIGRATION. JOSHUA COX MADE THE MIGRATION,
I KNOW.

Dear Mrs. Jordan:

I am sorry I can't help you with your John Pafford line but am trying to trace our Dave Hutton and Sarah A. Rice lines.

David Hutton was born about 1819 or 1820 in Virginia and he married Sarah A. Rice (½ Cherokee). Am wondering if David is related to your Robert Hutton.

David and Sarah had the following children:

Arthur	born 1840-41	
James	1842-43	
George W.	1844-45	
Martha S.	1848	
Isabella F.	29 July 1855 (died 1891)	born in Richmond
Richard	1858 (died 1930)	

The first four children were listed in the Virginia 1850 Census. We do not know if there are any children between the years of 1848 and 1855.

David and Sarah lived in Smythe County Virginia for some time.

Would like to know David Hutton's father's name.

Any information you might be able to give me will be greatly appreciated.

An envelope is enclosed for your convenience.

Sincerely,

Shirley D. Jensen

MRS FAZIO,

YOU DO NOT KNOW ME, BUT I AM A LONG TIME GENEALOGICAL PEN PAL OF PAUL R. "BOB" ORR & HE SHARES MUCH OF HIS FINDINGS WITH ME. I'VE BEEN SORTING MY FILES & I FOUND A LETTER FROM ~~HIM~~ YOU TO ~~YOU~~ HIM. BACK IN MAY 1987, YOU WENT TO THE LDS, THE CLAYTON & THE ROCK LIBRARIES TO CHECK ON HIS HATTONS & ISAAC ZANE JR. AT ONE OF THESE LIBRARIES YOU MET A LIBRIAN WHO HAD HATTON BLOOD IN ADAMS Co. PA. YOU MENTION LEONARD HATTON B. 1793 & EDWARD HATTON, WHOSE FILES SHE BROUGHT FROM HOME TO SHARE WITH YOU.

MR ORR & I USUALLY WORK ON THOMAS & MARY BALL BROWN, WHOSE DAUGHTER M (2) EDWARD HATTON IN MADISON Co. O.

BUT, I HAVE HATTON BLOOD ALSO. MY ADAM SIMMONS M 1770 IN YORK Co, PA (NOW ADAMS Co. PA) WHAT I THINK WAS THE DAUGHTER OF AN EARLIER LEONARD HATTON. THEY LIVED ACWHILE IN THE 1780'S IN N. KY, THEN IN 1798 CAME HERE TO S. CLERMONT Co. O. THEY HAD, AMONG OTHERS, SONS NAMED

LEONARD, HATTON, JAMES, & POLLARD. By the time they got here, they were methodists.

I have some publishes, & unpublishes Genealogy on Adam Simmons (most of which I believe to be incorrect), but I have nothing on the early Hattons but guesses. My own, & my local libraries are weak on Adams co/York co. PA.

Perhaps you, or your friends at the ? Library would care to share some information on the earlier Hattons.

It is my guess, because of both the 1st name Leonard - often found in MD. - & the last name Hatton - an important name in earliest MD. that they go back to S. MD. Perhaps Leonard Hatton Sr got caught north of the line when the Mason-Dixon line was drawn. If so, I suppose the earliest Hattons were catholic. But that's a guess.

Thank you

Notes for GEORGE MERRITT FLANAGAN:

I, Vivian Hill Jordan, remember my Uncle George. All the Flanagan that I ever met which was very few, all looked alike. When my mother, Nora Blanche Flanagan Hill lay dying, our book keeper took it upon himself to call her brother George in Norman, OK. When Don Matranga, the book keeper for my Dad, and this other man came to the door at 1516 Hawthorne St., Houston, TX. Don said, 'Sister, do you know this man?" I told him no, but I knew that he must be a Flanagan because he looked just like Mother!

George was the only one of the Flanagan boys that managed to get a schooling. Uncle Mark, another of Mother's brothers, always said that when the rest of them were out in the fields plowing, George was allowed to stay inside and supposedly work on the books. Naturally that didn't set too well with the others.

iv. JAMES MARK FLANAGAN[30], b. 09 July 1883, Wythe Co., VA; d. 02 May 1969, San Antonio, Bexar.TX; m. (1) NESTINE ???, Abt. 1902, El Paso?,TX; m. (2) MAUDE BILLIE ???, Abt. 1925.

Notes for JAMES MARK FLANAGAN:
My Uncle Mark was a Master Plumber in Corpus Christi, TX when I met him. He was a brother to my Mother. They looked so much alike. Rather large nose for both of them. He was tall and had a wonderful sense of humor. He always had a story. My Mother and Uncle George were about 5' 5"or 6" and she had wide hips and he had an impossing stomach. He was very political in Norman, OK and was the Mayor at one time. He was also in the plumbing business.

Uncle Mark, had a thriving business in Corpus, but he wasn't the business man that George was. Mark decided when he was well up in his fifties, I guess, that he was going to buy some land and go back to farming and raising cattle. He would have lost his shirt except for my Mom and Dad who loaned him the money and tried to keep him afloat, but finally he was sinking so fast that my folks had to take things into their own hands and sell the land that he still had in Corpus Christi which paid part of what he owed them and got him clear of his debtors in San Antonio, TX. He accused my folks of taking advantage of him so that they broke off connections with us in Houston. The War came along and he got back on his feet again but by then he was too old to really retire in comfort. His 2nd wife , Billie, was a nurse and I believe she must have kept them going with her salary for awhile. Finally she left him. He ended up in a nursing home, senile and finally died. He left no issue.

Notes for NESTINE ???:
Nestine was Uncle Mark's 1st wife. I never knew her but always the story was told that she just started buying things. Like 7 pairs of gloves, 7 handkerchiefs, 7 hand bags etc. They finally put her away in the Asylum in Austin, TX. They had one son who evidently suffered from depression and called his Father one day when he was a grown man, and over the phone told him good bye and then shot his brains out. Guess he was afraid that he was going the way of his Mother, poor man.
Uncle Mark jumped in his car, after calling the police of the city where his son was, and raced to his son as fast as he could and had a wreck on the way. Bunged up his face pretty bad. He carried a big scar on his face the rest of his life.

v. FLORENCE EMMA FLANAGAN[31,32], b. 20 October 1885, Atchison Co., MO; m. GEORGE I. JACKSON[33], 30 March 1903, Wheeler Park, Norman, OK; d. El Reno, OK.

Notes for FLORENCE EMMA FLANAGAN:
Aunt Emma was the mother of the two girls that my Mother took to raise after her sister died. I came up on a letter that George Jackson, husband of Emma had written to Mother, thanking her for offering to take the girls, 'as it didn't appear that 'she and Will' were going to have any more children'. The date on the letter was 1924, Mother was already pregnant with me, Vivian, but didn't know it!! She raised, Leona, the oldest girl and 'little Bess' as her own. Both girls were almost grown and I suspect that the teen age years were just a little bit more than one man could handle. There was a son, Raymond, known as 'Pinky' but he stayed with his father in CA. Little Bess came to visit when I was in Jr. High and so I remember her well. Quite the 'flapper'.

Little Bess m a man by the name of Robert 'Bob' Gorman. I can remember putting diapers on their son as a very young girl(vhj). The son was a Jr., I guess. Bess and Bob divorced and they both remarried other people.

When my husband was Grand Master of Masons in TX in 1974 and 75, we toured TX visiting Lodges and Dan made speeches. We were in El Paso, TX at a meeting one evening and after the dinner and speeches, this man came up to the head table and introduced himself to me as 'Little' Bobby Gorman!!
Believe me, I had a real hard time to keep from blubbering like a baby, he brought back so many, many

I, Vivian Mae Jones, remember my Uncle George. All the Flanagan [illegible] even not which was very few, all looked alike. When my mother, Nora Blanche Flanagan Hill, my dying, my look forever look it upon himself to call her brother George in Mission, OK. When Ione Mounsey, the book keeper for my Dad, and the other man came to the store at 1216 Lawrence St., Houston, TX. Ione said, "Hey, do you know this man?" I told him no, but I know that he must be a Flanagan because he looked just like Mother.

George was the only one of the Flanagan boys that managed to go to schooling. Uncle Mark, mother of Mother's brothers, always and that when the rest of them were all in the fields plowing, George was allowed to stay inside and supposedly work on the books. Mentally that didn't set too well with the others.

FANNIE MAE FLANAGAN, b. 09 July 1883, Wythe Co., VA; d. 02 May 1969, San Antonio, Bexar TX; m. (1) Mort Cole 1902, El Paso, TX; m. (2) Mark Jones 1920, Houston, TX.

Notes for FANNIE MAE FLANAGAN:
My Uncle Mark was a blacksmith in Corpus Christi, TX when I met him. He was a brother to my Mother. They looked so much alike. Rather large men for both of them. He was tall and had a wonderful sense of humor. He always had a story. My Mother and Uncle George were about 5' 9" and 6' and she had white hair and he had an impressive moustache. He was very political in Mission, OK and was the Mayor of the town. He was also in the plumbing business.

Uncle Mark had a thriving business in Corpus, but he wasn't the business man that George was. Mark decided when he was well up in his 60's, I guess, that he was going to buy some land and go back to farming and raising cattle. He would have lost his store if my Mom and I had not learned how the money and stuff had to keep coming in. Finally, he was asking us that my sister had to take things into their own hands and see that he will had to Corpus Christi which paid per at what he owed them and put him there at his ranch in San Antonio, TX. He resented my folks of taking advantage of him so that they broke all connections with us in Houston. The Wife came along and he got back on his feet again for a time. He was on still in really poor in condition. His 2nd wife, Billie, was a nurse and I believe she nurse have been young with her salary for salary. Finally she left him. He ended up in a nursing home, senile and finally died. He had no issue.

Notes for MINTON:
Mother was Lucy Minton in 1910. I never knew her but always the story was told that she just started buying things. Like 7 pairs of gloves, 7 handkerchiefs, 7 hand bags etc. They finally put her away in the Asylum in Austin, TX. They but one son who actually suffered from depression and called his "baby" one day when he was a grown man and over the phone, told him good bye and then shot his brains out. FLORENCE EMMA FLANAGAN GUIST, b. 20 October 1885, Abilene Co., MO; m. GEORGE I. JACKSONS, 30 March 1900, Wheeler Park, Norman, OK; d. El Reno, OK.

Notes for FLORENCE EMMA FLANAGAN:
Ann Dunn was the mother of the two girls that my Mother took in when she/my dad. I came up on a letter that George Jackson, husband of Emma had written to Mother, thanking her for offering to take the girls, so it didn't appear that she and Will were going to have any more children. The date on the letter was 1921. Mother was already pregnant with me, Vivian, but didn't know it. She raised Emma, the oldest girl and Julia Dunn as her own. Both girls were almost grown and I remember that the teen age years were just a little bit more than we two could handle. There was a son, Raymond, known as "Polly" but he stayed with his father in CA. Little Ione came to visit when I was in Jr. High and so I remember her well. Quite the "lady".

Little Ione ran a team by the name of Robert Tod Oneman. I can remember putting dropsy in their son as a very young girl(?). The son was a Jr. I guess. Ione and Tod divorced and they both remarried other people.

When my Husband was Grand Master of Masons in TX in 1974 and 75, we toured TX visiting Lodges and Dan made speeches. We went to El Paso, TX at a meeting one evening and after the dinner and speeches, the men came up to the head table and introduced himself to me as Jackie Jones Oneman!
Believe me, I had a real hard time to keep from hollering like a baby, he brought back so many, many

memories. We kept up a Xmas card correspondence for years, but the last 2 or 3 it seems, I haven't received any.(1998)

vi. NORA BLANCHE FLANAGAN[34,35,36,37,38], b. 11 March 1887, Atchison Co., MO; d. 05 July 1947, Houston, Harris, TX; m. WILLIAM KLINE HILL, 23 November 1907, Kansas City, MO; b. 17 March 1879, Little Rock, Pulaski, AR; d. 25 October 1950, Houston, Harris, TX.

vii. BECEY ALICE FLANAGAN[39], b. 11 January 1889, Atchison Co., MO; d. 23 January 1962, Whittier, Los Angeles, CA; m. WALTER ALBRIGHT; d. Whittier, Los Angeles, CA.

Notes for BECEY ALICE FLANAGAN:
My Uncle Clarence wrote me in 1975 that his sister, my aunt Bess, (sis to my mother, Nora) had died with Diabetes. Seems that she just would not take care of herself and eat as she should. I knew my Aunt as she was the only one of my Mother's family that took the time to write or to come by and visit. She visited in our home several times. She even visited here in Houston, TX after I was married.

My husband claimed, that at night when Bess and I were asleep that the snoring was horrible. Seems that must be a Flanagan afflication.

Notes for WALTER ALBRIGHT:
Walter was a printer in Whittier, CA. He must have had a thriving business. He and Bess ran it. Bess was quite the business woman and after Walter died, she kept the business going for quite awhile. It was at the home of Walter and Bess Flanagan Albright that my Mother and Father were married in St. Louis, MO.

viii. CLARENCE OWEN FLANAGAN, b. 27 January 1899, Okla. City, OK; d. 08 June 1977, Joshua Tree, San Bernadino, CA[40]; m. (1) RUTH ???; m. (2) NELL ???.

Notes for CLARENCE OWEN FLANAGAN:
See Notes on Nell?? Flanagan, last wife of Clarence. I corresponded with Uncle Clarence quite a bit in his last years. He had arthritis really bad. He had several car wrecks through the years and suffered in his latter years. I used to try to get him to remember family stories when I was trying so hard to trace the Flanagans of VA. He remembered going back to VA, from CA with his parents when he was very young and remembered an elderly man with long white beard that could cobble shoes and a tiny little lady, who smoked a corn cob pipe. We thought for a long time that this was Wm. Washington Flanagan and his wife, but now we sorta believe that perhaps it was on the Pafford side of the family who married into the Flanagan family of Rural Retreat, Wythe Co., VA.

Notes for NELL ???:
Nell was a widow woman that had known Clarence Flanagan as kids. He had married her sister Ruth ??? as his first wife in OK,or CA. I met his 2nd wife, I believe she was, a widow with a son and dau that Clarence adopted and gave his name. During the WWII, my Mother and I, went to L.A. to pick up my brother's car that he had with him in Hawaii, before and during Pearl Harbour. At this time, I briefly met my Uncle Clarence for the first and only time and his new wife and two adopted children. Clarence had a very properous meat packing business at the time, (during the War) and he had just given his wife a mink coat for Xmas. This 2nd wife d with cancer.
He married two more time I think it was, each time he buried the wives. Nell was his last wife and saw him through his last illness and obviously made him very happy in his last years..

1. *MAJOR CORRECTION: Diane Costello's Email on the Huttons of 11 Feb 1999*, This is a major correction. We had thought that James/Sarah were the parents of our Leonard. WRONG. James is the BROTHER OF JOHN WHO WE HAVE PROVED IS THE FATHER OF LEONARD!!!
2. *MAJOR CORRECTION: Diane Costello's Email on the Huttons of 11 Feb 1999*, She cited two children of Leonard and Nancy Baugh Hutton as Elizabeth b1829 and Mahlon b1830. 'Course, I have Martha Ann Hutton as a child also. She married John Henry Pafford in 1856.
3. Research of Diane Costello has provided most of this research, Costello always documents her statements with primary or secondary sources.
4. Costello's research states that they had 7 children and migrated to MO.
5. Phil Thomas Pafford sent in this info to SLC's Ancestral File #AF86000351, My research also shows this generation link with John Pafford b c1806 being the father of my James Robert Pafford. He did add some spouses for some of the other children of John-1806.
6. This IGI file AFN: D3lG-J5 says his Father was John , Mother Sarah Ann Keyes, wife is Martha Ann Hutton AfN: 5COL-7V.
7. *Info from IGI file AFN:D3lG-HO*, this file seems to say that another m for John Henry 1832 was a Ruth Paine Goodwin Sanborn, which sounds like a widow that perhaps he m later on in life.

She wrote to her sister, Bess Albright, now in CA, Whittier, because Bess had kept the Bible page that the old folks, had just torn out of the big Bible in OK, when they decided to 'Go West' to CA.

30. Personal memories of Vivian Hill Jordan., When I was a teenager, and after Uncle Mark had sold his very successful plumbing business in Corpus Christi, TX, He bought some acreage near Bourne, TX. They ran into financial trouble in meeting their debts, so my parents loaned them money. I remember going up there on a long week end and bringing the whole back seat of our car, full of groceries. They were really in dire straits. When Uncle Mark's second wife, Maude, known as Aunt Billie, had to have an operation, I was sent up there to 'help' while she was still in bed. There is where I learned how to cook on a wood stove, and iron with heating irons. Also to change the drip pan under the "ice box". Uncle Mark and Aunt Billie were the only 'kin' that I ever knew. I briefly met, my Uncle Henry, Uncle Clarence, Aunt Bess when Mother and I went to CA to pick up my brother's Ford car, that he had with him in Pearl Harbour, Hawaii. The Navy shipped it home for him, bullet holes and all. Uncle Mark in later years grew senile, I guess, we lost track of them. (My parents finally had to sell the property in Comfort, TX in order to somehow recoup some of the money they had spent on Uncle Mark's farming adventure in his old age! They got mad and accused Mom and Dad of stealing from them! I kept all the papers that Mother had, documenting the expenses and etc. through the years of helping them. also a copy of the final letter she had written her brother where she said that he was acting like a stupid ass. Aunt Billie went back to nursing in San Antonio, TX I believe, and Uncle Mark did a little plumbing. She left him and he came to Houston, TX for a brief visit, after I was married and had children. Then I heard no more from him until a Nursing Home called me one night to inform me that my Uncle Mark was in their care, and did I care to help with the bills? With three babies ? We could not do it. He died in a nursing home.
31. *'Born Grown', by Roy P. Stewart, History book on Okla City, OK*, p106, Maxine Flanagan McMillian sent this picture from the book which showed the double wedding of George I. Jackson and Emma Flanagan and George Mace Flanagan and Jessie Van Hudson. The event was planned in this park called Wheeler Park, I assume in Okla City or Norman. It rained and flooded the park on the day of the wedding, so the two couples stood in a boat and got married anyhow!!
32. *George I. Jackson is listed as Clerk, in the 18 Sep 1905 issue of Capitol Hill News,OK.*
33. Letter from George I. Jackson to my mother, Nora Blanche Hill, his sister in law., In the letter, he thanks Mother for offering to take his two young daughters to raise since their mother, Florence, known as Emma, had died. In the letter, my Mother made the statement that it 'looked as if she wasn't going to have anymore children'. She just had my brother, Maurice Kenneth Hill at this time. When I checked the date of the letter, she didn't know it but she was pregnant with me, Vivian Mae Hill Jordan at the time. She took the girls anyhow, for awhile, Leona and Bess.
34. Marriage Certificate for my parents, Wm. Kline Hill and Nora Blanche Flanagan, #39407, Jackson Co., MO at Kansas City, MO, For years, I thought used the record from my Mother's Funeral Home Register in which my Father had to be the one who filled in the info. He put in 23 of Sep 1907 and it was the 23 of Nov 1907. Guess he confused my,(his daughter) birth month, Sept. but at least he got the year right. I finally wrote off, after I learned from the OK newspaper clippings that she and Dad were married in Kansas City, where my Aunt Bess Flanagan Albright was living. Haven't found out why she didn't get married at home in OK. Maybe her parents disapproved of the marriage?
35. Meeting of the newly organized, Hiawatha Club, at home of Flanagans in OK, On 10 Nov 1905, Nora, (my Mother) and her sister, Bess organized a young ladies club in their home.
36. *In March 1906, Nora Flanagan was in charge of the newly opened ice cream parlor..*
37. *City Directories seen at Okla. City, OK Hist. Society Library*, Nora Flanagan listed as Clerk for years 1903 through 1906 at Flanagan Gro.Store.
38. *1900 Randolph Co. WVA Census*, ED 156-10-82, Emory Flanagan is living close to his brother, Boyd Madison Flanagan. this census definately proves that my mother, Nora was b in MO. as were her sisters, Martha E. and Bessie A.. Clarence, the next and last was b in OK, 10 yrs after Bessie, surprise, surprise.
39. Wedding announcement for Walter Albright of Muskogee, Indian Terr. and Bessie Flanagan on 2 June 1906. Nora, her sister attended her ..
40. *Funeral Notice of Clarence Owen Flanagan's death*, His first wife, Ruth, had a sister, Nell that Uncle Clarence married as his last wife. I do believe he had 4 or 5, they all died. He and Uncle Mark Flanagan were the only kin that I ever knew. I knew Mark far better because he lived in TX for quite a while and I used to spend summers with him.
41. *Grandfather of Phil Thomas Pafford who has entered this info on Ancestral File.*

Notes for GEORGE MACE FLANAGAN:
I, Vivian Hill Jordan, remember my Uncle George. All the Flanagans that I ever met which was very few, all looked alike. When my mother, Nora Blanche Flanagan Hill lay dying, our book keeper took it upon himself to call her brother George. When Don Matranga, the book keeper for my Dad, and this other man came to the door at 1516 Hawthorne St., Houston, TX. Don said, 'Sister, do you know this man?" I told him no, but I knew that he must be a Flanagan because he looked just like Mother!

George was the only one of the Flanagan boys that managed to get a schooling. Uncle Mark, another of Mother's brothers, always said that when the rest of them were out in the fields plowing, George was allowed to stay inside and supposedly work on the books. Naturally that didn't set too well with the others.

22. Personal memories of Vivian Hill Jordan., When I was a teenager, and after Uncle Mark had sold his very successful plumbing business in Corpus Christi, TX, He bought some acreage near Bourne, TX. They ran into financial trouble in meeting their debts, so my parents loaned them money. I remember going up there on a long week end and bringing the whole back seat of our car, full of groceries. They were really in dire straits. When Uncle Mark's second wife, Maude, known as Aunt Billie, had to have an operation, I was sent up there to 'help' while she was still in bed. There is where I learned how to cook on a wood stove, and iron with heating irons. Also to change the drip pan under the "ice box". Uncle Mark and Aunt Billie were the only 'kin' that I ever knew. I briefly met, my Uncle Henry, Uncle Clarence, Aunt Bess when Mother and I went to CA to pick up my brother's Ford car, that he had with him in Pearl Harbour, Hawaii. The Navy shipped it home for him, bullet holes and all. Uncle Mark in later years grew senile, I guess, we lost track of them. (My parents finally had to sell the property in Comfort, TX in order to somehow recoup some of the money they had spent on Uncle Mark's farming adventure in his old age! They got mad and accused Mom and Dad of stealing from them! I kept all the papers that Mother had, documenting the expenses and etc. through the years of helping them. also a copy of the final letter she had written her brother where she said that he was acting like a stupid ass. Aunt Billie went back to nursing in San Antonio, TX I believe, and Uncle Mark did a little plumbing. She left him and he came to Houston, TX for a brief visit, after I was married and had children. Then I heard no more from him until a Nursing Home called me one night to inform me that my Uncle Mark was in their care, and did I care to help with the bills? With three babies ? We could not do it. He died in a nursing home.
23. Uncle Mark's only son., I remember the stories of how Uncle Mark's first wife, Nestine, when they were in El Paso, TX, I believe, suddenly began doing strange things. such as buying 7 prs of shoes; 7 pairs of gloves; 7 hats; etc. She was finally put away in Austin, TX. Then when Haskell was a grown man or almost grown, he calls his Father and tells him good bye and blows his brains out. Uncle Mark carried the scar on his face that he received from the car crash that happened when he was rushing to get to his son. Uncle Mark married several times after that. He had two daus by one of them, but all his wives died.
24. 'Born Grown', by Roy P. Stewart, History book on Okla City, OK, p106, Maxine Flanagan McMillian sent this picture from the book which showed the double wedding of George I. When I checked the date of the letter, she didn't know it but she was pregnant with me, Vivian Mae Hill Jordan at the time. She took the girls anyhow, for awhile, Leona and Bess.
27. Letter from George I. Jackson to my mother, Nora Blanche Hill, his sister in law., My Mother took Leona and Bess, known as Little Bess, to raise after their Mother, my Mother's sister, Emma Jackson died. Whe my huysband was Grand Master of Mason of TX, we were in El Paso, TX and this man came up to us and said he was Bob Gorman, son of Little Bess. I remembered putting diapers on him!!
28. Marriage Certificate for my parents, Wm. Kline Hill and Nora Blanche Flanagan, #39407, Jackson Co., MO at Kansas City, MO, For years, I thought used the record from my Mother's Funeral Home Register in which my Father had to be the one who filled in the info. He put in 23 of Sep 1907 and it was the 23 of Nov 1907. Guess he confused my,(his daughter) birth month, Sept. but at least he got the year right. I finally wrote off, after I learned from the OK newspaper clippings that she and Dad were married in Kansas City, where my Aunt Bess Flanagan Albright was living. I remember going up there on a long week end and bringing the whole bunch back with us for a couple of months. They were really in dire straits. When Uncle Mark's second wife, Mildred, known as Aunt Millie, had to move in operations, I was sent up there to help while she was still in bed. There is where I learned how to cook on a wood stove and run with heating irons. Also to change the dirty pan under the "ice box". Uncle Mark and Aunt Millie were the only kin that I ever knew. I recently met my Uncle Harry, Uncle Clarence, Aunt Rose when Mother and I went to CA to pick up my brother's Ford car, that he had with him in Pearl Harbor, Hawaii. The Navy shipped it home for him, rather before and all. Uncle Mark in later years grew senile. I guess, we lost track of them. (My parents family had a real fortune in Corpus. TX so order to somehow recoup some of the money they had spent on Uncle Mark's heating advertising in his oil days). They got mad and accused Mace and Ital of stealing from them! I kept all the papers that Mother had, showing the expenses and are through the years of helping them, also a copy of the final letter she had written for Uncle Mark and that he was sending like a simple ass, Aunt Millie went back to nursing in San Antonio, TX I believe, and Uncle Mark did a little plumbing. She left him and he came to Houston, TX for a brief year, after I was married and had children. Then I heard he moved from him and a Nursing Home called me one night to inform me that my Uncle Mark was in their care, and did I care to help with the bills? With Cuss words? We could not do it. He died in a nursing home.

Uncle Mark's family, I remember the stories of how Uncle Mark's first wife, Nellie, when they were in El Paso, TX, I believe, accidently burnt during massive drinking, such as buying 2 pairs of shoes, 2 pairs of gloves, 2 hats, etc. She was finally put away in Austin, TX. Then again I heard was a power man or almost power, he calls his Father and tells him good bye and that there was trouble at Uncle Mark carried the son on his face and he received from the cut which that happened when he was trying to get to his son. I'm sure Mark married several times after that. He had two daughters by one of them, but all his wives died.

Notes for GEORGE MACE FLANAGAN:
I, Vivian Hill Jordan, remember my Uncle George. All the Flanagans that I ever met which was very few, all looked alike. When my mother, Nora Blanche Flanagan Hill lay dying, our book keeper took it upon himself to call her brother George. When Don Matranga, the book keeper for my Dad, and this other man came to the door at 1516 Hawthorne St., Houston, TX. Don said, 'Sister, do you know this man?" I told him no, but I knew that he must be a Flanagan because he looked just like Mother!

George was the only one of the Flanagan boys that managed to get a schooling. Uncle Mark, another of Mother's brothers, always said that when the rest of them were out in the fields plowing, George was allowed to stay inside and supposedly work on the books. Naturally that didn't set too well with the others.

Children of GEORGE FLANAGAN and JESSIE VAN HUDSON are:

22. Personal memories of Vivian Hill Jordan., When I was a teenager, and after Uncle Mark had sold his very successful plumbing business in Corpus Christi, TX, He bought some acreage near Bourne, TX. They ran into financial trouble in meeting their debts, so my parents loaned them money. I remember going up there on a long week end and bringing the whole back seat of our car, full of groceries. They were really in dire straits. When Uncle Mark's second wife, Maude, known as Aunt Billie, had to have an operation, I was sent up there to 'help' while she was still in bed. There is where I learned how to cook on a wood stove, and iron with heating irons. Also to change the drip pan under the "ice box". Uncle Mark and Aunt Billie were the only 'kin' that I ever knew. I briefly met, my Uncle Henry, Uncle Clarence, Aunt Bess when Mother and I went to CA to pick up my brother's Ford car, that he had with him in Pearl Harbour, Hawaii. The Navy shipped it home for him, bullet holes and all. Uncle Mark in later years grew senile, I guess, we lost track of them. (My parents finally had to sell the property in Comfort, TX in order to somehow recoup some of the money they had spent on Uncle Mark's farming adventure in his old age! They got mad and accused Mom and Dad of stealing from them! I kept all the papers that Mother had, documenting the expenses and etc. through the years of helping them. also a copy of the final letter she had written her brother where she said that he was acting like a stupid ass. Aunt Billie went back to nursing in San Antonio, TX I believe, and Uncle Mark did a little plumbing. She left him and he came to Houston, TX for a brief visit, after I was married and had children. Then I heard no more from him until a Nursing Home called me one night to inform me that my Uncle Mark was in their care, and did I care to help with the bills? With three babies ? We could not do it. He died in a nursing home.
23. Uncle Mark's only son., I remember the stories of how Uncle Mark's first wife, Nestine, when they were in El Paso, TX, I believe, suddenly began doing strange things. such as buying 7 prs of shoes; 7 pairs of gloves; 7 hats; etc. She was finally put away in Austin, TX. Then when Haskell was a grown man or almost grown, he calls his Father and tells him good bye and blows his brains out. Uncle Mark carried the scar on his face that he received from the car crash that happened when he was rushing to get to his son. Uncle Mark married several times after that. He had two daus by one of them, but all his wives died.
24. 'Born Grown', by Roy P. Stewart, History book on Okla City, OK, p106, Maxine Flanagan McMillian sent this picture from the book which showed the double wedding of George I. He put in 23 of Sep 1907 and it was the 23 of Nov 1907. Guess he confused my,(his daughter) birth month, Sept. but at least he got the year right. I finally wrote off, after I learned from the OK newspaper clippings that she and Dad were married in Kansas City, where my Aunt Bess Flanagan Albright was living. Notes for GEORGE MACE FLANAGAN:
I, Vivian Hill Jordan, remember my Uncle George. All the Flanagans that I ever met which was very few, all looked alike. When my mother, Nora Blanche Flanagan Hill lay dying, our book keeper took it upon himself to call her brother George. When Don Matranga, the book keeper for my Dad, and this other man came to the door at 1516 Hawthorne St., Houston, TX. Don said, 'Sister, do you know this man?" I told him no, but I knew that he must be a Flanagan because he looked just like Mother!

George was the only one of the Flanagan boys that managed to get a schooling. Uncle Mark, another of Mother's brothers, always said that when the rest of them were out in the fields plowing, George was allowed to stay inside and supposedly work on the books. Naturally that didn't set too well with the others.

iv. JAMES MARK FLANAGAN (Source: Personal memories of Vivian Hill Jordan., When I was a teenager, and after Uncle Mark had sold his very successful plumbing business in Corpus Christi, TX, He bought some acreage near Bourne, TX. They ran into financial trouble in meeting their debts, so my parents loaned them money. I remember going up there on a long week end and bringing the whole back seat of our car, full of groceries. They were really in dire straits. When Uncle Mark's second wife, Maude, known as Aunt Billie, had to have an operation, I was sent up there to 'help' while she was still in bed. There is where I learned how to cook on a wood stove, and iron with heating irons. Also to change the drip pan under the "ice box". Uncle Mark and Aunt Billie were the only 'kin' that I ever knew. I briefly met, my Uncle Henry, Uncle Clarence, Aunt Bess when Mother and I went to CA to pick up my brother's Ford car, that he had with him in Pearl Harbour, Hawaii. The Navy shipped it home for him, bullet holes and all. Uncle Mark in later years grew senile, I guess, we lost track of them. (My parents finally had to sell the property in Comfort, TX in order to somehow recoup some of the money they had spent on Uncle Mark's farming adventure in his old age! They got mad and accused Mom and Dad of stealing from them! I kept all the papers that Mother had, documenting the expenses and etc. through the years of helping them. also a copy of the final letter she had written her brother where she said that he was acting like a stupid ass. Aunt Billie went back to nursing in San Antonio, TX I believe, and Uncle Mark did a little plumbing. She left him and he came to Houston, TX for a brief visit, after I was married and had children. Then I heard no more from him until a Nursing Home called me one night to inform me that my Uncle Mark was in their care, and did I care to help with the bills? With three babies ? We could not do it. He died in a nursing home.), b. 09 Jul 1883, Wythe Co., VA; d. 02 May 1969, San Antonio, Bexar.TX; m. NESTINE ???.

Notes for NESTINE ???:
Nestine was Uncle Mark's 1st wife. I never knew her but always the story was told that she just started buying things. Like 7 pairs of gloves, 7 handkerchiefs, 7 hand bags etc. They finally put her away in the Asylum in Austin, TX. They had one son who evidently suffered from depression and called his Father one day over the phone and told him good bye and shot his brains out. Guess he was afraid that he was going the way of his Mother, poor man.

Aunt Emma was the mother of the two girls that my Mother took to raise after her sister died. I came up on a letter that George Jackson, husband of Emma had written to Mother, thanking her for offering to take the girls, 'as it didn't appear that 'she and Will' were going to have any more children'. The date on the letter was 1924, Mother was already pregnant with me, Vivian, but didn't know it!! She raised, Leona, the oldest girl and 'little Bess' as her own. was the leader, so to speak, of a lot of Hutton families' researchers.

She is or was a thorough & gifted researcher.

I just wish that I could find her now - as the year 2000 is the last date that I've found in my records of when I last contact with her

<< I've been told that my Leonard Hutton(Hatton) b1777 PA had as a father, James. I descend from Leonard's m to Martha McCall and I go on into the Pafford family of Wythe Co., VA and NC. At one time I found a Web page by athomas. Have you been in contact with him? >>

James Hatton/Hutton, who died in Washington County, VA in 1815, was my fifth-great-grandfather. Four children were named in his will: Mary, Jane, Sarah, and Leonard. James' wife was named Sarah. Their **daughter** Sarah married my fourth-great-grandfather, John Scott, in Washington County about 1792. One of their sons, Leonard Scott, was my third-gg. Obviously, he was named for his mother's brother.

Be careful about identifying Leonard Hutton, since there was another contemporary Leonard Hutton in Washington County. I believe the other Leonard was the son of James Hutton's brother John Hutton. That would make the two Leonards first cousins. Both Leonard Huttons appear in the 1810 census of Washington County. One of them remained in the Washington County area, dying, as I recall, in Smyth County, about 1862. I believe that was probably the Leonard who was a son of John. The other Leonard moved to Indiana, first appearing in the 1820 Federal census of Washington County, Indiana.

I think I did see the Web page by athomas some while ago. It seemed to be a transcription of a book containing family genealogies contributed by researchers of the southwestern area of Virginia.

James Hutton-Hutton, who died in Washington County, VA in 1816, was my 4th great-grandfather. Four children were named in his will: Mary, Jane, Sarah, and Leonard. James' wife was named Sarah. They daughter Sarah married my fourth great-grandfather, John Scott, in Washington County about 1792. One of their sons, Leonard Scott, was my third gg. Oddly, he was named for his mother's brother.

I'm certain about identifying Leonard Hutton, since there was another contemporary Leonard living in Washington County. I believe the other Leonard was the son of James Hutton's brother John Hutton. That would make the two Leonards first cousins. Both Leonard Huttons appear in the 1810 census of Washington County. One of them lampooned in the Washington County area, dying, as I recall, in Smith County, about 1832. I believe that was probably the Leonard who was a son of John. The other Leonard moved to Indiana, last appearing in the 1830 Federal census of Washington County, Indiana.

I think I did see the Wythe County by attorney some years ago. It seemed to be a transcription of a book containing family genealogies contributed by descendants of the earlier settlers in the area of Virginia.

Dear V Hill
I have a connection to a Martha McCall, daughter of a Thomas McCall. I would be a 4th great-grandnephew to my Martha McCall, if I have done mt PAF computer records correctly. My record shows she married a Leonard Hutton 31 Oct 1793. Believe this marriage was in Washington Co., Va. Do you have any of the names of Martha McCall's brothers of sisters?

My Leonard Hutton and Martha McCall may be the same couple you refer to in your message. However, if our dates are correct, then your Leonard was only 16 years old when married. Lets exchange pedigree charts to start with. I have some info from some other sources that is not in my computer and I will compare your chart to my files. I will in turn send my pedigree chart to your mailing address.

VHillJ (don't know your name),

Have your tried the Smyth Co., VA Courthouse for a copy of the original marriage application and license? This will give the parents for your proof. There is a marriage for Robert HUTTON & Polly (interchangeable with Mary) COPENHAVER on 14 Jan 1836, by John Jones, Marriage Book A, page 6. This is all the information I have on this couple.

You might also go to US GenWeb site:
http:/www.usgenweb.com
and click on the state of VA, then click on Smyth Co. to read or submit queries and read about other information. Also, for York Co., PA.

Best wishes, Donna Jean Ford

Hi Hutton group! First of all, thanks for Betty's email address. My files were messed up by the server and I lost your email address. It is so easy that I can't believe I didn't just remember it. Anyway, I wanted to write to you to THANK YOU for the Hutton information you snail mailed me. I need to talk to you about that in another message.

Second, Through painstaking research that was really aggravating (there are too many Leonard Huttons also!) I have found that in the 1810 census for Washington Co, VA there were two Leonard Huttons. One was the son of James Hutton who married Sarah in York Pa and died c1815. This Leonard married Mary Berry in 1791 and left Washington Co after his father's death and before 1820. Another researcher found him in Fountain Co, Indiana in 1820 with a James Hutton. He apparently died in the 1830s because there is a death"administration" references she found when at Salt Lake City. Leonard's sisters who married Scotts were also found in this area and then later in Cole Co, Mo. Perhaps this James Hutton you just found is from this branch. Just a conjecture.

The other Leonard is mine. He stayed in Washington (and Smyth Co, VA) and married Martha McCall in 1793 and then Nancy Baugh in 1818. He had lots of children (more every time I get to research!) and died in Sept 1863 (or 1862, both dates are copied frequently). I can find NO good evidence of his father. He was given land at a low price from John Hutton (brother of James from York Co,), but not mentioned in John Hutton's will of 1808 and codicil of 1809. From reading Betty's book pages that she sent me, there is a Leonard Hutton who wasn't mentioned in his uncle Leonard Hatton's will of 1811 in PA. This Leonard was the son of Robert Hatton (brother to James and John , York Pa). Perhaps this is my Leonard's father?

Anyway. the father of the above James, John and Robert is definitely Edward
Hatton (bC1705-1710 in Lower Norfolk County, Va and died in 1777 in York, PA). Help I am drowning in Leonard soup!

It is good to hear from you all again!

Dear Vivian,

I was excited to learn that you are researching this line! Leonard Hutton is my direct ancestor through his son, Edward Hutton. Robert is Edward's brother. I have quite a bit on Robert Hutton, including a direct ancestor of his that is still living on Hutton Branch in Smyth county, Va. Her name is Mamie Scott. do you know her?

I guess you know the confusion that has been caused by the two Leonard Huttons living in Washington Co in 1790s-18 teens. I beleive they were cousins. the one that left was the son of James Hutton and the brother of Mary Hutton Smith, Jane Hutton Scott and Sarah Hutton Scott. they migrated to Ky, Ind. and Mo.

Our Leonard Hutton who had sons Robert and Edward, among others, stayed in Washington and Smyth Co, Va. Now what I am excited about is the Deed you mentioned - Book 4, page 388 where John Hutton mentions "Leonard, my son." I have long suspected that John must be the father of Leonard but had no concrete proof. Have you gotten any additional information? I am going to try and get this deed ASAP. I am really excited about this!!!!

Martha McCall was Robert's mother - you are right there. Leonard didn't marry his second wife Nancy Baugh until 1818.

Proven children of Leonard and Martha McCall Hutton:
James - b 1804
Dixon - b 1811
Edward - b 26 Dec 1812
Robert - b 1813

Proven children of Leonard and Nancy Baugh Hutton:

Probable other children of Leonard: (none proved yet)

Sally b 1822

I would love to hear from you! Diane Costello

James Hatton/Hutton, my 5th-gg, was the son of Edward Hatton/Hutton, who spent the last decades of his life in York County, PA. Both Edward and James lived in Huntington Township, which is now part of Adams County, PA. The western part of York County was set off as Adams County in 1800.

Edward Hatton died in 1779, leaving a will that names his children. Edward was a vestryman in what is now Christ Episcopal Church. That seems to indicate that this family was Anglican, at least in PA.

Dear Vivian,

Hi! Thanks for responding. We are definitely related to the same Hutton family. John McCall and Donna Jean Ford had sent me some information you had emailed them that said you were related through Robert Hutton, son of Leonard Hutton. You mentioned that you had heard of, but not seen, a Washington Co, Deed Book 4, page 388 that states John Hutton names Leonard as his son. this is what I am interested in. I will not be able to get to Richmond Va. Library until Easter time. I am not sure if they have the Washington Co Deed Books that far. But I am REALLY interested in that Deed.

I have both the wills of James and John Hutton. They were brothers, sons of Edward Hatton who died in Pa in 1777. They came down the valley to Washington County in the 1780s. John Hutton died circa 1809 and James (and his wife Sarah soon after)circa 1815. Both these brothers had sons named Leonard and both of them are in Washington Co in the 1810 census. Only one is still there in 1820 and he is ours.

One married Mary Berry in 1791. I have run into a lot of problems finding his children. He is listed with 11 people in the 1810 census. I am farily sure of only one daughter so far, Elizabeth who died circa 1814. Now Leonard and Mary his wife sold all his land soon after his father died and appears to have moved to Ky and then Ind.with his Scott sisters families. Dwight Scott finds him in
Fountain Co, IND in 1830s. Teresa Brown found a "death administration" notice for him in Fountain Co in the 1830s.

The other Leonard which I am sure is mine married twice. First to Martha McCall in 1793 and then to Nancy Baugh in 1818. With Martha,he had several children. I am not sure of all of them but I do know of:

1. John - b circa 1791 (I know the date doesn't make sense, but they don't always)
2. James Hutton (1804) m. Elizabeth Phillips before 1827 m2 Martha Carson McCall
3. Dixon Hutton (b1811) m. Elizabeth Wolfe in 1837
4. Edward Hutton (26 Dec 1812) m. Elizabeth Wolfe in 1833 This is my direct line.
5. Robert Hutton (~1813) m. Mary "Polly" Copenhaver in 1836. This is your direct line? They had Martha Ann Hutton (b~1836) who married John H. Pafford on 21 Mar 1856 in Smyth Co, Va. and two other daughters, Eliza E who married Charles Scott and Barbary E. who married William Dixon Hutton (the son of my Edward above, making them first cousins. Someone is sending me a photo of them.) Mary "Polly" Copenhaver is the d/o of Hiney and Barbery Copehaver.

With second wife Nancy Baugh, Leonard had (probably David Hutton who married Sarah Rice and Abraham Hutton who married a Slemp who died in childbirth) I am still working on them, so this is not verified yet.

Dear Vivian,

Hi! Thanks for responding. We are definitely related to the same Hutton family. John McCall and Donna Jean Ford had sent me some information you had emailed them. She said you were related through Ruben Hutton, son of Leonard Hutton. You mentioned that you had heard of but not seen, a Washington Co. Deed Book A, page 328 that states John Hutton names Leonard as his son. This is what I am interested in. I will not be able to get to Richmond Va. Library until Easter time. I am not sure if they have the Washington Co Deed Books that far. But I am REALLY interested in that Deed.

I have both the wills of James and John Hutton. They were brothers, sons of Edward Hutton who died in Pa in 1777. They came down the valley to Washington County in the 1780s. John Hutton died circa 1805 and James (and his wife Sarah) soon afterwards 1815. Both these brothers had sons named Leonard and both of them are in Washington Co in the 1810 census. Only one is still there in 1820 and he is gone.

One married Mary Barry in 1791. I have run into a lot of problems finding his children. He is listed with 11 people in the 1810 census. I am fairly sure of only one daughter so far, Elizabeth who died circa 1814. Hon Leonard and Mary his wife sold all his land soon after his father died and appears to have moved to Ky and then had with his Scott sisters families. Dwight Scott finds him in Franklin Co. TN in 1830s. Teresa Brown found a "death administration" notice for him in Franklin Co in the 1830s.

The other Leonard which I am sure is mine married twice. First to Martha McCall in 1793 and then to Nancy Baugh in 1818. With Martha he had several children. I am not sure of all of them but I do know of

1. John - b circa 1795 (I know the date doesn't make sense, but they don't always)
2. James Hutton (1804) m. Elizabeth Phillips before 1827 nd Martha Dawson McCall
3. Dixon Hutton (b1811) m. Elizabeth Wolfe in 1837
4. Edward Hutton (28 Dec 1812) m. Elizabeth Wolfe in 1833 This is my direct line.
5. Robert Hutton (~1813) m. Mary "Polly" Copenhaver in 1838. This is your direct line? They had Martha Ann Hutton (b~1839) who married John H. Pallard on 21 Mar 1858 in Smyth Co. Va. and two other daughters, Eliza E who married Charles Scott and Barbary E. who married William Dixon Hutton (the son of my Edward above, making them first cousins. Someone is sending me a photo of them.)

Mary "Polly" Copenhaver is the d/o of Henry and Barbary Copenhaver.

With second wife Nancy Barrin, Leonard had (probably Dixon) Hutton who married Sarah Rice and Abraham Hutton who married a Strong who died in childbirth. I am still working on them, so this is not verified yet

Verified children with Nancy Baugh are:

1. Mahlon Hutton (b~1830) m. Elizabeth Betsey Carmony
2. Elizabeth Hutton (b~1829) never married

For a long time, I thought that Leonard had married the three women and that James and Sarah were his parents. They have been proved to NOT be his parents. So, now we are looking at John Hutton (married Jane Dickson). In his will's codicil he leaves a "great cote" to Leonard Hutton's son John. He sold (very cheaply!) several parcels of land to our Leonard and Martha, but I never had PROOF that he was the father. I will be so
excited to get my hands on that deed.

If you have anything at all on the Huttons, I would love to hear from you.
I have LOTS more.

Hello all!

These are the Washington Co, VA wills that I have transcribed:

Will Book #3 - p182 - 23 Feb 1808 - John Hatton to Dickson and other heirs - will and codicil - probated 20 June 1809

Will Book #4 - p115 - 8 Apr 1803 - James Hutton will - probated 21 Feb 1815

Will Book #4 - p129 - 15 Aug 1815 - Sarah Hutton - nuncupative will - probated
17 Aug 1815

Will Book #4 -p206 - James Hutton - apraisal of Estate

Will Book #4 - 21 Jul 1818 - James Hutton - accounting of estate

(These wills, etc are from the two brothers who first came to Washington Co, Va from PA. As for another name I see early on in Washington Co (Moses Hutton) - Donna Jean Ford has information I need to read to see what connection he is to these Hutton brothers. I have not yet been able to make the connection. Has anyone else?)

Will Book #7 - p70 - 28 Sept 1835 - Dickson Hutton will

(Dickson Hutton is the son of John Hutton above. John left the major part of his estate to his son Dickson. Dickson leaves his estate to his six children. Most of them sell to their cousin Arthur Hutton (son of James Hutton who is the son of John Hutton))

Will Book #8 - pg 49 - 2 Nov 1838 - John Hutton will to his wife Mary Ann Cunningham Hutton.

Will Book #11 - p125 - 30 Apr 1841 - Mary Ann Cunningham Hutton will - proved 22 Jan 1847

(This is John Hutton, son of the original John Hutton, who married Mary Ann Cunningham on Sep 8, 1791. He left everything to his wife. Mary Ann left her estate to their children: John hutton and his wife Susannah, Elizabeth Hutton and her husband William Scott, Jane Hutton (blind), Margaret Hutton, and Mary Ann Hutton who married a Hayter and Samuel Hutton)

I am sorry that I posted some incorrect information on the Washington Co Deeds message two days ago. For the Deeds that the sons of Dickson Hutton sold to Arthur Hutton: one was Washington and Jane Hutton living in Boone Co, Ind selling to Arthur Hutton. The other was William hutton selling to ARthur Hutton. I identified Arthur Hutton as the brother of Washington and William Hutton. He is their first cousin, not their brother.

Correction

John Hutton (brother of James/Sarah hutton whose daughters married the Scott brothers) had the following children with Jane Dickson:

1. Ellenor Hutton (christened 1 Nov 1761 in Pa) - I don't think she married
2. Leonard Hutton m. Martha McCall in 1793 and Nancy Baugh in 1818
3. John Hutton Jr (1767) m. Mary Ann Cunningham
4. Dickson Hutton m. Jane Jamison
5. James Hutton m. Isabelle Orr
6. Jane Hutton (1769) m. Abraham Hayter
7. Edward Hutton(1772) m. Francis Hayter
8. Ann Hutton m. Joseph Snodgrass
9. Margaret Hutton m. John Snodgrass
10. Mary Hutton (died before 1808) - I think she married James Buchanan

on computer

#4 Dickson Hutton and Jane Jamison had:
1. Washington Hutton m. Jane
2. William Dickson Hutton
3. Issac Hutton
4. Esther or Easter Hutton
5. Jane D. Hutton
6. Eliza Ann Hutton

#5 James Hutton and Isabelle Orr had:
1. John Hutton, Jr (1797-1871) m. Susannah A (?) in 1822, buried in Herborn Cemetery in Anderson Co, KY at McCall's Gap
2. Arthur Dixon Hutton (1800-1875) m. Ellen Snodgrass in 1820 Buried at Old Glade Cemetery, Washington Co, Va
3. Jane Hutton (1801-1888) m. Thomas McCall in 1822
4. James F. Hutton (~1805-1872) m. Rebecca Griffin in 1831 He is said to have been buried in Hutton Twp. Coles Co, Illinois
5. Rachel Hutton (1811-1900) m. Arthur McCall
6. Sarah Hutton (1813-1863) - never married

Anyway Washington and William Hutton (sons of Dickson Hutton) sold their land to Arthur Hutton (son of James and Isabelle Hutton). Sorry for the mix up!

My direct ancestor is Leonard Hutton and I have pretty good descendency

Hi all!

These are the Washington Co surveys that I got from the Hutton Papers at LVA.

1. SURVEY FOR ROBERT BAKER - 12 JUNE 1782 - 106 3/4 ACRES
Surveyed for Robert Baker on June 12, 1782, a tract or Land being part of a Survey made by Doctor Walker for Humphrey Baker lying on the east side of said Tract by value of deed of which He promised to make to the said Robert Baker mark'd and bounded as followeth ViZ Beginning at 3 white oaks on David Baties road thence
N29 E 186 poles to 2 W oaks on the old line and with said line
S35 E 72 poles to a Double W oak the old corner
S 70 E 50 ps to a w Oak and 2 Hickorys the Old Corner
S 33 W 154 ps to 3 white Oaks the old Corner and also the Beg. corner to the other survey
N 70 W 102 poles on the Old line to the Beginning
Containing one hundred and six acres and three Quarters

2. SURVEYED FOR JOHN HUTTON - 59 1/4 acres on 13 DECEMBER 1827

3. SURVEY FOR ARTHUR HUTTON - 66 1/4 ACRES ON 13 DECEMBER 1827

4. SURVEYED FOR JOHN HUTTON - 15 ACRES ON 19 AUGUST 1828
A tract of land lying on the waters of the middle fork of Holstein and containing fifteen acres bounded as follows beginning at William Beatties corner S 45 E 28 poles to a large white oak S 69 W 68 poles to a stake on Greevers thence for a division line to 34 W 53 poles to a hickory on William Beatties line N 60 E 58 poles to the beginning.

5. THOMPSONS SURVEY OF HAYTER LAND IN 1830 - 146 ACRES

6. SURVEY FOR ARTHUR HUTTON AND MICHJAH MCCORMICK - 1 ACRE, THREE RODS AND TWENTY NINE POLES OF LAND ON 27 APRIL 1867

Also, there were two GRANTS included in the Hutton Papers. These are original papers and wee actually signed by PAtrick Henry. It is my thinking that a descendant of Arthur Hutton had kept all the papers and deeds way back to the beginning and must have donated them to the Library of Virginia. I am glad that person did! They could have probably gotten a pretty penny for the Patrick Henry and Beverly Randolph signatures.

1. Patrick Henry, governor of Virginia for 2 pounds sterling for 400 acres on the Middle Fork of the Holstein River surveyed on 15 Sept 1784 (Refers to Book Q, page 495, Thomas Bates 400 acres in Washington Co), dated 24 June 1785

- p156 - Leonard Hutton, Executor to David Hutton - 80 acres, 30 acres, 108 acres
- p157 - Morgan to David Hutton - 80 acres, 30 acres, 108 acres
- p158 - David and Mary Ann Hutton - Deed of Trust for 80, 30, 108 acres

Book 48 - p 40 - Edward Hutton/Others to Wolfe
- p448 - Elizabeth Hutton to Roland Wolfe
- p527 - Robert Hutton, dec'd to Peter

(Note: Don't ask me what was going on with the 37 acres, they go round)
I don't know who the John and Mary Hutton are. It is a possibility that John is a son of Leonard Hutton, but I don't know for sure. All the other people are sons of Leonard Hutton (with Martha McCall)

1. Assumed - John Hutton (b~1734)
2. James Hutton (b~1804) married Elizabeth Phillips before 1827, married according to Martha Carson McCall on 15 Jan 1834
3. Dixon Hutton (b~1811, died 4 Oct 1883 m Elizabeth Wolfe on 9 Jan 1837
4. Edward Hutton (22 Dec 1812-1892) m. Elizabeth Wolfe in Oct 1833 - He is my direct ancestor.
5. Robert Hutton (b~1813-10 Jul 1885) m. Polly Cooperhaver on 14 Jan 1838
Leonard Hutton's children with Nancy Baugh:
6. David Hutton married Sarah Rice
7. Abram Hutton married Mary Slaton - She died in childbirth
8. Elizabeth Hutton (~1820) never married
9. Marion Hutton (~1830- 3 Aug 1870) married Elizabeth Carmony in 1853a

I also know that there were other daughters and may be more sons, but not sure of who as yet.

I am not sure if any of you are working on the Smyth County line, but it is here if you need it.

these are the few Smyth County Wills I have transcribed:

Book #7 - p99 - dated 1893 - Edward Hutton (son of Leonard hutton)will
-p100 - dated 1893 - George Washington Hutton (will)
-p148 - dated 1894 - George Washington Hutton
-p149 - dated 1894 - George Washington hutton
-p150 - dated 1894 - George Washington Hutton

Goerge Washington Hutton lived down the road from Edward Hutton. He is also my direct ancestor on another line and MAY BE another son of Leonard Hutton. I have never found out that information. I would REALLY like to - this is my new quest! George Washington hutton married Sarah Ann Slemp (d/o Frederick and Seley Slemp) in 1845. they had about 10 children. I have seen the graves of George and Sarah Hutton on Hutton branch in Smyth County. If any one has information on him, please advise! Thanks!

Hello group!

Today I wanted to ask you all about Moses Hutton. I have not been able to find his parents yet or his connection to our Huttons, etc. I have to say that in the papers that Donna Jean sent me on him, there is much mention of the ORR family.

this is what i have put together one Moses.

A calculated date from the 1840 Washington Co. census for his birth. hE is listed there as between 40-50, so I am guessing that he was born about 1780-1790. He married nancy Zinks or Jinks in 1820 and had quite a few children I assume since there were 14 people in the household in 1840. he is listed in the 1810, 1820, 1830 Washington Co censuses also, but I do not have access to them yet. If any of you do, please send the information. there is a 1850 listing for a Nancy Hutton, his widow maybe. I don't have that access yet either.

Moses died about fall of 1849 and Donna jean sent me all of his estate papers. On one of them I was able to find that his widow NAncy was considered the guardian of three daughters, so I am assuming that they were not yet 21. these are: Elizabeth M Hutton, Araminta F. C. Hutton and

Also there might be these sons: Joseph Hutton, robert S C Hutton and Wesley A Hutton. they were mentioned prominently a few times in the sale and appriasement papers.

Moses seems to have been born at an odd time for our John and James group, unless he is a very young son of one of them. however, there is no mention of him in any of their papers. He seems to have been prosperous from the size of his estate....

His will which is referred to quite often is not attached to any of the papers. that would help a lot! All that I have is a two sentence codicil that says that Araminta gets a slave Emily in addition to what she has been left in his will. Please note that I see her name several times spelled different each time, so Araminta is my best guess!

I apologise for the spelling erros. i am on a borrowed computer that has no spellcheck and I can't even figure out how to delete properly!

Hoping to hear something on him!
Diane

Hi Everyone,

Do any of you have any data to help with the HUTTON family to share? If so, we would all appreciate hearing from you.

I thought the information from 1810 through 1860 Censuses of Washington Co., VA might be of help.

Dear Dee,

I have two William Dickson Huttons:

1. One stayed in Washington/Smyth county area. He is the second child, first son of Edward and Elizabeth wolfe Hutton (my direct ancestors). He was born circa 1835, died 1918 and is buried in the Hutton Cemetery in Smyth Co, Va. On 5 March 1856 he married Barbara Emmaline "Em" Hutton in Smyth County. She was the daughter of William Robert Hutton and Mary Copenhaver. William Dixon Hutton was a Confederate private in 63rd Virginia Infantry and he deserted after about a year and a half. He never filed for pension. They had ten children and I have descendency from them to the present day.

2. the other William Dickson Hutton (note the above spelled his middle name Dixon) was the son of Dickson Hutton who married Jane Jamison. So this William would be the uncle of the above William. I don't have much on him as I haven't research this line that extensively. He was born circa 1815 to 1820 (calculated from 1830 census for Dickson Hutton his father). In Smyth Co Deed Book #4, page 59-60 on 24 October 1844, David and Elizabeth Winniford sell to William Leonard (guardian for William Dickson Hutton, son of Dickson Hutton) ten acres and 100 poles in Smyth Co for $106 FOR William Dickson Hutton. In Deed Book #19 (Washington Co, Va), pages
168-169 dated Dec 3, 1847, William sells his cousin Arthur Hutton the land left to him by his father Dickson Hutton - 156 and 3/4 acres for $1,000. On29 Dec 1847, William married Jane Williams. In the 1850 Census, I show William J. Hutton (the J threw me off, but this is the possibly the right one) William is 24, Jane is 27 and children are James P. Hutton (1), Amos R. Williams (11) Martha E Williams (10) and Kasaih ? Williams(8). I thought this
was possible because apparently Jane was a widow with children and their surname is Williams. I have no other information on him, except his brother Washington married a Jane, sold the land his father Dickson left him in 1841 and moved to Boone Co, Indiana by 1843. Other siblings of this William are all younger: Issac Hutton, Esther (Easter) Hutton married a Winniford, Jane Dickson Hutton married William Sanders and Eliza Ann Hutton.

hope this is helpful

Upon the report of T. W. Overley & Jesse Meek, an injunction is granted to restrain the deft from selling or removing slaves from the Commonwealth w/o consent of the plaintiffs.

At this time the slaves are under contract with Adam Fudge. When the contract runs out, it is feared that Anne will try to remove the slaves again w/o the consent of the plaintiffs. If Anne doesn't give a bond of $1000 to the complts. insuring that she won't try to remove the slaves, then the sheriff of Washington County will take possession of the slaves.

John Eakin and Arhur Hutton have given the bonds with Andrew Edmondson and Ablsolom Beattie their securities.

From "OLD FAMILIES OF RANDOLPH COUNTY, MO: A PEOPLE'S HISTORY"
By: The Randolph Co. Historical Society, Moberly, MO 1976
p. 141

"The story of my grandfather, JOSEPH CAMPBELL HUTTON, begins with the arrival in Randolph Co, Missouri, in 1840, of his parents, WILLIAM DIXON HUTTON (B. April 27, 1816, near Glade Springs, VA, d. April 13, 1894, Randolph Co.) and MARY ELEANOR ORR HUTTON (b. Aug. 16, 1820), near Glade Springs, Va., d. Nov. 8, 1874, Randolph Co., MO). It was the lure of good rich soil that decided my great-grandparents to leave Virginia (where their own grandparents had settled in the previous century) and come to Missouri.

(I'm leaving out some text here)

"My grandfather, JOSEPH CAMPBELL HUTTON, (b. Aug 18, 1843, Randolph Co., & d. Dec. 1, 1894, Randolph Co.) was the second child and first son of WILLIAM DIXON AND MARY ELEANOR ORR HUTTON. He served in the Confederate Army under General Sterling Price in the Civil War, Co. B 2nd Regiment, Mo Volunteer Cavalry."

William & Mary's first child was a girl named ELMIRA HUTTON who grew up to marry JOHN DANIEL and settle in Shelby Co. MO.

the article goes on to say:

"My great-grandfather (William Dixon Hutton), a descendant of settlers who came to America from England in the mid-eighteenth century, made his first purchase of land in Randolph Co. on Jan 11, 1841, his total holdings consisting of 540 acres. Another 160 acres in Randolph Co. were later secured from the Federal government."

William Dixon Hutton & Mary Eleanor Orr Hutton are both buried in Old Salem Cumberland Presbyterian Cemetery near the site of their original log cabin.

This book was at the Mid-Continent Public Library, 24 HWY, Independence, MO.

p. 141 "

"The story of my grandfather, JOSEPH CAMPBELL HUTTON, begins with the arrival in Randolph Co. Missouri, in 1840, of his parents, WILLIAM DIXON HUTTON (B. April 27, 1818, near Glade Springs, VA, d. April 13, 1904, Randolph Co.) and MARY ELEANOR GIRR HUTTON (b. Aug. 16, 1820, near Glade Springs, Va., d. May 6, 1874, Randolph Co., MO). It was the luck of good fish and that decided my great-grandparents to leave Virginia (where their own grandparents had settled in the previous century) and come to Missouri.

(I'm leaving out some bad luck)

"My grandfather, JOSEPH CAMPBELL HUTTON, (b. Aug 18, 1843, Randolph Co., d. Dec. 1, 1924, Randolph Co.) was the second child and first son of WILLIAM DIXON AND MARY ELEANOR GIRR HUTTON. He served in the Confederate Army under General Sterling Price in the Civil War, Co. B 2nd Regiment, Mo Volunteer Cavalry."

William & Mary's first child was a girl named ELMIRA HUTTON who grew up to marry JOHN DAWSEL and settle in Shelby Co. MO.

the article goes on to say:

"My great-grandfather (William Dixon Hutton), a descendant of settlers who came to America from England in the mid-eighteenth century, made his first purchase of land in Randolph Co. on Jan 11, 1841, his total holdings consisting of 640 acres. Another 160 acres in Randolph Co. were later secured from the Federal government."

William Dixon Hutton & Mary Eleanor Girr Hutton are both buried in Old Salem Cumberland Presbyterian Cemetery, near the site of their original log cabin.

Dear Cousins,

This time I don't think it was my fingertips, but my eyes that got bleary!

Dee pointed out a couple of things in my Hutton email that need fixing. this is in regard to #9 - Edward Hutton who married Francis Hayter in 1791.

a. She points out that Edward's third child John Hutton could not possibly have been born in 1806 since he married Catherine Phillips in 1817, which would make him 11 years old at marriage. I think this is a case of too many John Huttons! So we would have to have a calculated date for his birth about 1796, and put his line in the possibility category until further research.

b. Dee also feels that an Abraham Hutton might possibly be an early son of this Edward. This is a possibly, as I have an early Abraham that I don't connect and haven't worked on yet. Also the Moses Hutton I am working on that could have been born about 1785-95, might also be Edward's son. Possibities to work on. Edward Hutton married Francis Hayter and her brother was named Abraham Hayter (married Edward's sister, Ann). Dee says that Abraham hutton married and then died very young. Dee feels he MIGHT be the father of Fanny Hutton, who is mentioned in Edward's will as his granddaughter.

Patrick pointed out a missing generation in this line: John and Jane Dickson Hutton had Edward Hutton who married Sarah Porterfield. Edward and Sarah Portefield Hutton had Dr. Arthur Dixon Hutton who married Sarah Elizabeth Buchanan Ryburn. Dr. Arthur Dixon and Sarah Hutton had William Edward Jones Hutton who married Maggie Eliza E. Porterfield. William Edward Jones and Maggie Hutton had #4 James Edward Hutton who married Helen Hills Holloway. Is everyone with me? ARRRRGHHH! As Patrick pointed out, I missed a generation in there! JamesEdward and Helen had six children - this is what I left out!

1. william Edward Hutton (b27 Jan 1927 at Meadowview, Va), He went to Emory and Henry College, married on 9 May 1953 to Bonnie Pauline Potter (8 Jul 1933 at Mountain City, TN/ d/o Carleton A. Potter and Pauline Milborne Potter. She was a Democrat and Presbyterian) William Edward was a farmer and served in WWII. Presbyterian. Democrat. He and Bonnie had the three children I listed:
   a. Arthur Edward Buchanan Hutton (18 Jan 1954)
   b. James Francis Kent Hutton (30 Jan 1955)
   c. George Robert Hutton (21 June 1957)

Dear Cousins:

This time I don't think it was my fingertips, but my eyes that got blurry!

Des pointed out a couple of things in my Hutton email that need fixing. This is in regard to 99 - Edward Hutton who married Francis Hayter in 1791.

a. She points out that Edward's third child John Hutton could not possibly have been born in 1809 since he married Catherine Phillips in 1817, which would make him 11 years old at marriage. I think this is a case of too many John Huttons! So we would have to have a calculated date for his birth about 1790, and put his kids in the possibility category until further research.

b. Des also feels that an Abraham Hutton might possibly be an early son of this Edward. This is a possibility, as I have an early Abraham that I don't connect and haven't worked on yet. Also the Moses Hutton I am working on that could have been born about 1785-95 might also be Edward's son. Possibilities to work on. Edward Hutton married Francis Hayter and her brother was named Abraham Hayter (maiden Edward's sister, Ann). Des says that Abraham Hutton married and died very young. Des feels his MIDDLE is the father of Benny Hutton, who is mentioned in Edward's will as his grandchildren.

Patrick pointed out a glaring connection in this line: John and Jane Dickson Hutton had Edward Hutton who married Sarah Pocketed. Edward and Sarah Pocketed Hutton had Dr. Arthur Dixon Hutton who married Sarah Elizabeth Buchanan Hutton. Dr. Arthur Dixon and Sarah Hutton had William Edward Jones Hutton who married Maggie Eliza E. Porterfield. William Edward Jones and Maggie Hutton had Mr. James Edward Hutton who married Helen Jane Holloway. Is everyone with me? AFFIRMATIVE! As Patrick pointed out, I mistaked a generation in Hyrel. James Edward and Helen had six children - this is what I left out!

1. William Edward Hutton (27 Jan 1927 at Meadowview, Va). He went to Emory and Henry College, married on 9 May 1953 to Bonnie Pauline Potter (9 Jul 1933 at Mountain City, TN d/o Carlton A.    a. Arthur Edward Buchanan Hutton (18 Jan 1954)
   b. James Francis Kent Hutton (30 Jan 1955)
   c. George Asbel Hutton (21 June 1957)

2. Lillian Rachel Hutton m. Roy Allen Meek, Jr.
3. Bonnie Holloway Hutton m. William T. Reames, Jr
   a. Edward Hutton Reames
4. Margaret Isabella Hutton m. William Rudolph Naylor
   a. Helen elizabeth Naylor
5. Georgia Frances Hutton (23 Sept 1941 at Meadowview Va)
6. James Robert Hutton (6 Oct 1943 at Meadowview, Va)

Sorry for that omission! and thanks for letting me know!

Also, Leah Myloft sent the wills for John Hutton (s/o John and jane Dickson Hutton) who married Mary Ann Cunningham (d/o William Cunningham). She sent John's will, a deed for Mary selling some of her land, and Mary's will. Let me know if you would like me to send them.

Dear friends,

Donna Jean and Dee and I have been talking about William Dickson Hutton that migrated from Virginia to Randolph Co, Mo. His line is nicely documented in a book Dee has. It identifies his son as Joseph Campbell Hutton and his wife as Mary Orr who had a twin sister Margaret Orr. the book recounts a tale that William and Mary traveled from Virignia to Mo on a white horse together. We don't know who his father is at this point. He
was b 27 April 1816 and died 13 April 1894 in Randolph Co. Mary eleanor Orr was born 16 Aug 1820.

There is a William Dixon Hutton b ~1935 that is the s/o Edward Hutton and Elizabeth Wolfe Hutton (s/o my Leonard Hutton) We know that is not him.

there is another William Hutton born about 1815 or so that is the son of Dickson Hutton and Jame jamison (s/o John and jane Dickson, brother to my Leonard) This could possibly be him, but....

Now, Vivian Jordan found a newspaper article that listed the heirs of Moses Hutton, who I have been working on lately. Moses Hutton was an early Hutton in Washington Co - listed in the 1810 Census and probably born in the 1780s-90s. When Moses died, his administrator of his estate was James Orr, who was appointed since his will didn't include an executor. One of Moses's daughters Eliza Ann (b~1821) married John Orr. Also
included in Moses ten children and 12 heirs was a William D. Hutton. I am wondering if this might be our William Dickson Hutton who married Mary Eleanor Orr. Even though Moses married Nancy Jinks (or Zinks) in 1820, he must have been married previously before 1810 as there are females in the right age bracket for wife and daughter (and mother!) this is a possibly I want to check out and I am asking people who are more knowledgeable than I in the Orr branch about

James Orr, Administrator for Moses Hutton will
John Orr who married Eliza Ann Hutton, d/o Moses Hutton
Mary eleanor Orr who married William dickson Hutton
Margaret Orr, Mary's twin

moses died in Sept/Oct 1849 in Washington Co.

Thank you all for any input. We are looking to:
1. Find out who William Dickson Hutton's parents are
2. More information on Moses Hutton and who his parents are

Dear friends,

Dorrie Jean and Dee and I have been talking about William Dickson Hutton that migrated from Virginia to Randolph Co. Mo. His line is nicely documented in a book Dee has. It highlights his son Rev. Joseph Campbell Hutton and his wife as Mary Orr who had a twin sister Margaret Orr. The book recounts a tale that William and Mary traveled from Virginia to Mo on a white horse together. Ha

There is a William Dixon Hutton b – 1755 that is the s/o Edward Hutton and Elizabeth Woods Hutton (s/o my Leonard Hutton). We know that is not him.

There is another William Hutton born about 1815 so too that is the son of Dickson Hutton and Jane Jamison (s/o John and Jane Dickson, brother to my Leonard). This could possibly be him, too.

Now, Vivian Jordan found a newspaper article that listed the heirs of Moses Hutton, who I have been working on lately. Dear group,

So far no one has asked to not receive these posts of research, but if you don't want to receive them, please just let me know, otherwise I will continue to share what the group is doing and requesting.

Jud Crockett asked me for the sources for the children of John and jane DicksonHutton's children. so this is what I can give you. Please let me know of any irregularies. Thanks

1. Ellenor Hutton (christened 1 Nov 1761 in Pa) probably never married (Source: First, LDS for the christening date. Next, John mentions my daughter Ellenor in his will (Wash Co Will Book 3:182-183, dated 23 Feb 1808) third, in Wash Co Deed Book4: 388-389, dated 8 Nov 1810, the heirs of John Hatton, dec sign their names as agreeing to an error in a survey to Leonard Hutton's favor, (John's son). It is written, Margaret Snodgrass for Ellender Hutton.

2. James Hutton (b 1764-1820)m. Isabel Orr. (Source: He is not mentioned in his father's will, but he is mentioned in the codicil as "the remainder of my apparel I Bequeath to my sons James Hatton and Dickson Hatton to be equally divided between themselves). James witnesses his father's signature. Second, James signs the deed (Book #4:388-389) as an heir of his father. James's will (Wash Co Will Book 4- page 320-321, dated 7 Jan 1820)names Dickson Hutton, Edward Hutton and William Hutton (hmmmmm?) and James Meek as his executors) Although there is no direct evidence that links this James to John and Jane Dickson Hutton as their son, I accept that he is their son. Perhaps someone else has something more concrete?

Again, John mentions his daughter Ann in his will of 1808. She is not mentioned in the codicil. Both Ann Snodgrass and Joseph Snodgrass sign the Deed Book #4, page 388, as heirs of John Hutton. Also, in the will of Joseph Snodgrass (Wash Co will Book #6, p 18-20), there is reference to his daughter Eleanor Hutton who married Arthur Hutton (Son of James and Isabel Orr). All of his sons-in-laws are executors or give their securities. I believe Arthur and Eleanor were first cousins. It is my opinion that the Arthur name in the Huttons came from the Arthur Orr side - Isabel Orr is ARthur's mother) There is a great Snodgrass site that I can't put my finger on right now that gives lots of wills and deeds and court cases -All Snodgrass - as soon as I locate it in my notes I will give it to anyone who wants it - fabulous resource!)

heir of his father in the Deed Book #4. No other evidence. Maybe someone can add to this?

5. Jane Hutton (1769-before `1808) m. Abraham Hayter on 114 Nov 1786 in Washington Co. (Sources: according o her father's will, Jane was deceased in 1808. Her father mentions "the children of my deceased daughters Jane and Mary" In his Codicil John Hatton mentions" I Leave to my two granddaughters some linne Cloth Jane and Maty". No other evidence.

6. Dickson Hutton (1770-1780?) m. Jane Jamison on 31 Dec 1807, m2 Elizabeth McCready on 16 June 1820. (Sources: Dickson is mentioned prominently in his father's will as "my son, Dickson". Also mentioned in the 1808 codicil, and the Deed Book #4. John Hatton's will also requests "my good friend John Jamison" (father of jane Jamison) to be executor of his estate. (not proof, but significant)In his will, John Hatton mentions "my daughter in law Jane Hatton, two silk handkerchiefs"

7. Edward Hutton (12 Aug 1772) m. Francis Hayter on 8 Sept 1791. (Source: Edward Hatton signs his father's will as a witness. He is not mentioned in his will or codicil. He signs the Deed Book #4 as an heir of John Hatton. No other evidence. I know this is exceptionally weak link. Maybe some one else has something stronger?

8. Leonard Hutton (my direct ancestor) (1773-1862) m. Martha McCall, m2 Nancy Baugh. Leonard is not mentioned in his father's will. He is alluded to in the codicil as " I Leave to Leonard Hatton's son John, one Grat Cote". John Hatton sells 129 acres for 5 shillings to Leonard Hatton in Wash Co Deed Book#1, page 331 dated 18 Feb 1794. He is the subject of the Deed Book #4, page 388-389 and mentioned as "Leonard Hatton, his son" (smile).

9. Mary Hutton (died before 1808?) married James Buchanan. Again, Mary is mentioned in her father's will as "my deceased daughter". In the Deed Book #4, James Buchanan is mentioned as an heir of John Hatton. Perhaps the two granddaughters mentioned in the will and codicil are his children.

10. Margaret Hutton m. John Snodgrass on 2 Oct 1800. (Source: Margaret Snodgrass is mentioned in her father's will. Also in the codicil: "I Leave to daughter Margaret Snodgrass one fine hat and pocket Book). Margaret Snodgrass signs the Deed Book #4 as an heir.

her or her father in the Deed Book #4. No other evidence. Maybe someone can add to this?

5. Jane Hutton (1799-before 1800) m. Abraham Hayter on 11 Nov 1799 in Washington Co. (Source: according to her father's will, Jane was deceased in 1800. Her father mentions "the children of my deceased daughters Jane and Mary". In his Codicil John Hutton mentions "I Leave to my two granddaughters, same Time Cloth Jane and Maly". No other evidence

6. Dickson Hutton (1779-1797) m. Jane Jamison on 31 Dec 1807, m2 Elizabeth McCready on 19 June 1820. (Source: Dickson is mentioned prominently in his father's will as "my son, Dickson". Also mentioned in the 1800 codicil, and the Deed Book #4. John Hutton's will also requests "my good friend John Jamison" (father of Jane Jamison) to be executor of his estate. (not exact, but significant)In his will, John Hutton mentions "my daughter in law Jane Hutton, two silk handkerchiefs."

7. Edward Hutton (12 Aug 1772) m. Francis Hayter on 8 Sept 1791. (Source: Edward Hutton signs his father's will as a witness. He is not mentioned in his will or codicil. He signs the Deed Book #4 as an heir of John Hutton. No other evidence. I know this is accepted widely. Maybe some one else has something stronger?

8. Leonard Hutton (my direct ancestor) (1773-1802) m. Martha McCall, m2 Nancy Baugh. Leonard is not mentioned in his father's will. He is alluded to in the codicil as " I Leave to Leonard Hutton's son John, one Gnat Cole". John Hutton sells 129 acres for 5 shillings to Leonard Hutton in Wash Co Deed Book#1, page 231 dated 16 Feb 1794. He is the subject of the Deed Book #4, page 388-389 and mentioned as "Leonard Hutton, his son" (similar).

9. Mary Hutton (died before 1800?) married James Buchanan. Again, Mary is mentioned in her father's will as "my deceased daughter". In the Deed Book #4, James Buchanan is mentioned as an heir of John Hutton. Perhaps the two granddaughters mentioned in the will and codicil are his children.

10. Margaret Hutton m. John Snodgrass on 2 Oct 1800. (Source: Margaret Snodgrass is mentioned in her father's will. Also in the codicil: "I Leave to Daughter Margaret Snodgrass one fine hat and pocket Book). Margaret Snodgrass signs the Deed Book #4 as an heir.

Dear Vivian<

Thanks for your compliments! I couldn't have done it without all of us! I don't know if I took it down to that generation, but Martha Ann is definitely there in my notebook! this is what I have for her.

1. Starting with John Hutton who married Jane Dickson. their son Lenoard married Martha McCall Hutton in 1793. they had Robert Hutton about 1813.

Robert Hutton born about 1813 married on 14 Jan 1836 to Mary "Polly" Copenhaver in Smyth County. Robert died on 19 July 1855 in Smyth County. He had (for sure) three daughters,

a. Martha Ann Hutton (I have born about 1836, see below)
b. Barbara Emmaline Hutton (b~1837)
c. Eliza E. Hutton (b~1846)

on comp.

Now, curiously, the census tells a story that I haven't been able to figure out.

1820 Washington Co Census - page 212
I find Robert living with his father Leonard. He is included under the category of four white males under 10 (three of them are Robert ~7, Edward~8, and Dixon ~9)

1830 Wythe County Census - page 333
I find Robert living with his father Leonard. He is included under the category of one male between 10-15 (Robert ~17) I know it doesn't quite fit, but I think that's him anyway. There are two listed as between 15-20 (Dixon 19 and Edward 18).

1840 Smyth County Census - page 395
Shows Robert Hutton ~27 (male bet 20-30). Females : one bet 20-30 (Mary, his wife), one between 5-10 (Elizabeth J. 10) and two under 5 (Martha Ann, 4 and Barbara, 3). Five people. I employed in agriculture.

1850 census - Smyth County , page 216)
Shows Robert Hutton, 37, farmer, born in Va, value of real estate is $300. Also in the home: Mary (43, born in Va, cannot read or write), Elizabeth J. Hutton (20), Martha Ann (14, in school), Barbary E. (12, in school) and Eliza E (4).

Smyth County Death Record - Robert Hutton died of consumption, age 41 years on July 19, 1855. He is the son of Leonard and Marthy Hutton, born in Wythe Co, Va, a farmer, married to Mary Hutton.

Smyth County Death Record for Mary Polly Copenhaver hutton: Mary A. Hutton died 28 Nov 1872 in Stlaey Creek, Smyth County at 60 years old of dropsy. Her parents were Hiney and Barbery Copenhaver. she was born in

Shows Robert Hutton ~27 (male bet 20-30). Females : one bet 20-30 (Mary, his wife), one between 5-10 (Elizabeth, 10) and two under 5 (Martha Ann, 4 and Barbara, 2). Five people I employed in agriculture.

1850 census - Smyth County , page 219
Shows Robert Hutton, 37, farmer, born in Va, value of real estate is $200. Also in the home: Mary (43, born in Va, cannot read or write), Elizabeth J. Hutton (20), Martha Ann (14, in school), Barbary E. (12, in school) and Eliza E (4).

Smyth County Death Record : Robert Hutton died of consumption, age 41 years on July 19, 1850. He is the son of Lawrend and Martly Hutton, born in Wythe Co, Va, a farmer, married to Mary Hutton.

Smyth County Death Record for Mary Polly Copenhaver hutton: Mary A. Hutton died 26 Nov 1872 in Stiney Creek, Smyth County at 80 years old of dropsy. Her parents were Henry and Barbary Copenhaver. she was born in

Smyth County. Information given by her friend, Martha Pafford (Vivian, I think this is her daughter, though).

NOW, who is this elizabeth J Hutton? If the ages are correct in 1840 and 1850, then she was born in 1829, seven years before Robert and Mary were married. Robert would have been about 16, but Mary would have been about 23. The death record shows that she was born about 1812, but the 1850 census says 43 years old (born about 1807). So Elizabeth could have been: out of wedlock child of one or both; Mary's child from a previous marriage, or Mary's very little sister? We could probably track her from marriage records maybe....

Robert and Mary's known daughters:

1. Marth Ann Hutton married John Henry Pafford on 21 Mar 1856
2. Barbara Emmaline Hutton (b~1836) married William Dixon Hutton, they were first cousins, since William Dixon's father was Edward Hutton (my direct ancestor) Edward and Robert were both brother and sons of Leonard and Martha McCall Hutton. I have very good descendency from them.
3. Eliza E. Hutton (b~1846) married Charles Wythe Scott
   a. Homer Thomas Garfield Scott

Other records on Robert and Mary that I have are a Smyth County Deed Book #1, page 483-484 dated March 29, 1836 for 75 acres from George Cressle and Catherine his wife to Robert Hutton

Smyth County Deed Book #2, page 143-145, 22 April 1836 - interest in 156 acres between Isreal Wolfe and Sally his wife, james Allen and Catherine his wife and Robert Hutton and Polly his wife to James Harris (being the tract of which Henry Copnehaver, Senr. died purchase of John Wheeler.....tghe said Sally, Catherinbe and Polly borne of the thirteen children and legates of said Henry Copenhaer, decd.)

Smyth County Deed Book #8, page 527-8, dated 4 Jan 1860 - 47+ acres from the heirs of Robert Hutton, dec and his wife Mary A. Hutton to Thomas H. Prater. Signed by Mary and her daughters and their husbands.

If you need me to send you copies of them, I can. this is really all I have on Robert's family so far If you have more would you kindly send it? thnaks! Are you descended from Robert through Martha Ann Hutton Pafford? Send me your line! I didn't know you were decended from our LEOnard!!!! Oh good! You are my closest relative in this group I think!

Smyth County, information given by her friend, Martha Pattoll (Vivian, I think this is her daughter, though).

NOW, who is this elizabeth J Hutton? If the ages are correct in 1840 and 1850, then she was born in 1820, seven years before Robert and Mary were married. Other records on Robert and Mary that I have are a Smyth County Deed Book #1, page 483-484 dated March 29, 1830 for 75 acres from George Cassels and Catherine his wife to Robert Hutton

Smyth County Deed Book #2, page 143-145, 22 April 1836 - interest in 158 acres between Israel Wolfe and Sally his wife, James Allen and Catherine his wife and Robert Hutton and Polly his wife to James Helms (being the tract of which Henry Copenhaver, Senr. died purchase of John Wheeler.... Triple said Sally, Catherine and Polly bound of the thirteen children and legatees of said Henry Copenhaver, deed.)

Smyth County Deed Book #6, page 527-8, dated 4 Jan 1860 - 47+ acres from the heirs of Robert Hutton, dec and his wife Mary A. Hutton to Thomas H. Prater. Signed by Mary and her daughters and their husbands.

Hello group,

I hope I don't disturb anyone's sleeping patterns with this mixup, but I think we all have different information on this line and I am asking for help! Of course this would have to be a JAMES Hutton!

So, we have John and Jane Dickson Hatton migrating to Washington County. One of John's 10 children named James Hutton married Isabelle Orr on 17 Jan 1797 (probably in Washington Co, although I also have Adams County, Pa listed). James and Isabelle Orr Hutton had 7 children, including What else: James Hutton. There are two lines of this James Hutton that I have gotten from some of you folks. Both of them have him as the s/o James and Isabelle Orr Hutton

Line #1 - James Hutton (born about 1805 in Washington Co, Va. died before 21 Oct 1872, buried in Parker Cemetery, Coles Co, Ill) married Rebecca Griffin on 9 July 1831 in Anderson Co, KY. Children:

1. James Hutton Jr (b1833 in Ky) no other info
2. Winston Hutton (b1834 in KY, buried at Old Smith Cem. Coles Co, Ill)no other info
3. Arthur Hutton (5 April 1837 in Lexington, Fayette Co, KY. died 31 Aug 1926 in Dorans, Coles Co, Ill, buried IOOF Cemetery, Humboldt, Coles Co, Ill)
4. Silas Isaac Hutton (21 June 1842 in Ky, died 1928 in Casey, Clark Co, Ill, buried at Parker Cemetery, Coles Co, Ill)

Now James married 2.Elizabeth cunningham on 12 Mar 1845 in Paris, Edgar Co, Ill. They had one child:

5. Nancy Isobel Hutton (b1845 in Paris, Edgar Co, Ill)

Now James married 3. Letitia Goosey on 28 Sept 1848 in Charleston, Coles Co, Ill. (She was born about 1815 in Kuy and died 24 May 1889. She is buried in Old Mound Cemetery Coles Co, Ill) Children:

6. Thomas Jefferson Hutton (b 22 Dec 1849 in Hutton Township, Coles Co. Ill) He married Susan Dina Houchin on 8 Sept 1969 in Anderson Co, KY. He died 20 April 1915 in Charleston, Coles Co, Ill
7. Andrew Jackson Hutton (12 June 1851 in Coles Co, Ill and died 14 April 1873 in Charleston, Coles Co, Ill) He is buried in Old Mound Cemetery, Coles Co, Ill.
8. Philip Berneice Hutton (14 Nov 1853 in Coles Co Ill) twins
9. Peter Goosey Hutton (14 Nov 1853_) twins, died 11 Oct 1926 in Charleston and buried in Old Mound Cemetery, Coles Co.

James died in Coles Co, Ill about Sept or Oct of 1872. He is buried in Hutton Township in Parker Cemetery in Coles Co, Ill.

Hello group,

I hope I don't disturb anyone's sleeping patterns with this mirror, but I think we all have different information on this line and I am seeking for help! Of course this would have to be a JAMES Hutton!

James and Isabella On Hutton had 7 children, including What else: James Hutton. There are two lines of this James Hutton that I have gotten from some of you folks. Now James married 2.Elizabeth cunningham on 12 Mar 1845 in Paris, Edgar Co, Ill. They had one child:

5. Nancy Isabel Hutton (b1845 in Paris, Edgar Co, Ill)

Now James married 3. Letitia Gossey on 28 Sept 1848 in Charleston, Coles Co, Ill. (She was born about 1815 in Ky and died 24 May 1889. She is buried in Old Mound Cemetery Coles Co, Ill) Children:

6. Thomas Jefferson Hutton (b 22 Dec 1849 in Hutton Township, Coles Co, Ill) He married Susan Dora Houchin on 8 Sept 1869 in Anderson Co, KY. He died 20 April 1915 in Charleston, Coles Co, Ill
7. Andrew Jackson Hutton (12 June 1851 in Coles Co, Ill and died 14 April 1872 in Charleston, Coles Co, Ill) He is buried in Old Mound Cemetery, Coles Co, Ill.
8. Philip Barnslee Hutton (14 Nov 1853 in Coles Co, Ill) twins
9. Peter Gossey Hutton (14 Nov 1853_) twins, died 11 Oct 1930 in Charleston and buried in Old Mound Cemetery, Coles Co.

James died in Coles Co, Ill about Sept or Oct of 1872. He is buried in Hutton Township in Parker Cemetery in Coles Co, Ill.

Now the same James Hutton, s/o of James and Isabelle Orr Hutton:

James F. Hutton was born between 1797 and 1799. Married Nancy Clark (she was born April 1789) on 8 Jan 1818 in Washington Co, Va. Children:

1. William Clark Hutton (b22 Oct 1832) married Mary Ann Ashley on 29 June 1856 in McMinnville, TN. She died 11 Aug 1862 in McMinnville, TN. Children:
   a. Langdon Cheves Hutton (1859)

William remarried and raised a second family. He died in Harrisburg, TX on 19 Feb 1905.

OKAY! So these surely cannot be the same James Hutton, s/o James and Isabelle Orr Hutton, s/o John and Jane Dickson Hutton. Jud and John and Nora, especially, what do you think?

Now, I have a little note of my own. I have listed that James and Isabel Orr Hutton's first child was John Hutton born 11 Oct 1797 (didn't waste any time in securing heirs!) Next child was Arthur Dixon Hutton (b 17 Jan 1800) and 5 more children. Anyway, in Washington County Will Book #3, page 203-204, dated Jan 11, 1811, there is an order granted "to settle with James Hutton, guardian to John Hutton and others his children" "...a guardian account of James Hutton, guardian to John hutton and others, his children and ordered to be recorded" Perhaps this was money put up by surety, OR money his children inherited from their mother's side of the family (Isabelle Orr is said to have died about 1810-1811) James does have two additional children after 1810, though - Rachel hutton (b 15 April 1811) and Sarah Hutton (b2 Oct 1812). Sarah is mentioned in his will, Rachel is not.

In James's will - Washington County Will Book #4, page 320-321, dated 7 Jan 1820, he does not mention a wife. He leaves the administration and bulk of his estate to his sons John and Arthur (Arthur later buys most of it from his siblings and also his uncle Dickson Hutton's lands). John was of age. Arthur was 20. James in this will says about James "....that is to say to keep all the rest of my children and school them, James to read and write to the rule of three, my Daughter to read well....." "....Also I will my son James $70 to buy a horse not to go out of his Legacy to be received at 18 years old..." (this says to me that james was not 18 in 1820) James's will notes Edward Hatton his executor. Signed by Dickson Hutton, James Meek, William Hatton and Edward Hatton.

Now according to the Guardian bonds, Donna Jean Ford sent us, in 1821 and 1823, guardians were named that account for all seven children. On pg 18, 21 Jan 1823, John Hutton was named guardian of James Hutton, orphan of James Hutton, deceased. Bond: $300. surety: John Clark. Was this nancy Clark's father? I am assuming that this John hutton was James's OLDER brother, since Arthur also is named guardian of his two littlest sisters on the same date. So with the birthdate of 1805 for this James F. Hutton, he would still be a minor in 1823. With a birthdate of 1799, he would not. Also if this James married Nancy Clark in 1818, he couldn't have the birthdate of 1805 (marrying at 13 to an older woman!)

Now the same James Hutton, s/o of James and Isabella On Hutton:

James F. Hutton was born between 1787 and 1795. Married Nancy Clark (she was born April 1795) on 8 Jan 1818 in Washington Co, Va. Children:

1. William Clark Hutton (b22 Oct 1832) married Mary Ann Ashley on 29 June 1858 in McMinnville, TN. She died 11 Aug 1882 in McMinnville, TN. Children:
   a. Langdon Clowis Hutton (1859)

William remarried and raised a second family. He died in Hamsburg, TX on 19 Feb 1905.

OKAY! So these surely cannot be the same James Hutton, s/o James and Isabella On Hutton, s/o John and Jane Dickson Hutton. But and John and Mon, respectively, what do you think?

Now, I have a little note of my own. I have listed that James and Isabel On Hutton's first child was John Hutton born 11 Oct 1797 (didn't waste any time in producing heir). Next child was Arthur Dixon Hutton (b 17 Jan 1800) and 5 more children. Anyway, in Washington County Will Book 4D, page 203-204, dated Jan 11, 1811, there is an order granted "to settle with James Hutton, guardian to John Hutton and listens his children" "...a guardian account of James Hutton, guardian to John hutton and others, his children and ordered to be recorded". Perhaps this was money put up by surety, OR money his children inherited from their mother's side of the family (Isabella On is said to have died about 1810-1811). James does have two additional children after 1810, through - Rachel hutton (b 13 April 1811) and Sarah Hutton (22 Oct 1812). Sarah is mentioned in his will, Rachel is not.

In James's will - Washington County Will Book 4H, page 320-321, dated 7 Jan 1820, he does not mention sarah. He leaves the administration and bulk of his estate to his sons John and Arthur (Arthur later buys most of it from his siblings and also his uncle Dickson Hutton's farm). John was of age, Arthur was 20. James in this will says about James "....that it is my to keep all the rest of my children and school them, James to read and write to the rule of three, my Daughter to read well....." "...Also I will my son James $70 to buy a horse not to go out of his Legacy to be received at 18 years old..." (this says to me that James was not 18 in 1820). James's will notes Edward Hutton his executor. Signed by Dickson Hutton, James Mack, William Hutton and Edward Hutton.

Now according to the Guardian bonds, Donna Jean Ford sent us, in 1821 and 1823, guardians were named that account for all seven children. On 19, 21 Jan 1823, John Hutton was named guardian of James Hutton, orphan of James Hutton, deceased. Bond: $800, surety: John Clark. Was this nancy Clark's father? Dear Vivian, The Elizabeth that is 19 in Leonard's household in 1850 is his daughter that never married. I have her accounted for through the censuses. Her mother was Nancy Baugh. the Elizabeth in robert's household is a different one: She is Elizabeth J that is listed as 10 years old in Robert's 1840 census and 20 years old in Robert's 1850 household. I want to look at the 1860 Census for mary (Copenhaver) Hutton (she didn't die until 1872) - Robert's wife and see if she is still there. I think she is
related somehow to Mary.... She is not listed as one of the heirs of Robert in the Jan 1860 deed, where Mary as a widow sells some of her land to Thomas Prater. Well, let me know if you come across anything on her.

I hope your files are safe and dry! My whole computer crashed once and it was a nightmare. I have finally gotten my printer problem fixed after about 2 MONTHS. These computers make me crazy sometimes, but what would we do without them?

I'll talk with you soon!

Dear Hutton Friends and Cousins,

While viewing the free DAR list at ancestry.com this week, I found this entry for us.

Mrs. Mildred MacCorkle Watkins
DAR ID Number: 72775
Born in Lexington, Virginia

"William Hutton (1755-1781) served as a private and matross in Captain Dandridge's company,, 1st regiment of artillery, Continental troops, under Col. Charles Harrison, 1777. He was born in Ireland, died in Kentucky. He married Martha Gilmore in 1775." (my note: I fell asleep last night reading "The Annals of Southwest Va" and the last thing I remember was reading about Martha Gilmore in Washington Co. i will find it again and if it wasn't just a dream, see if there is a connection. It would be nice if we can connect him to our people!)

"William Hutton, Jr (1777-1837) and Polly Cunningham (1790-1846) his wife married 1807"

"James Cunningham Hutton (1808-1888) and Nancy Montgomery (1809-1849), his first wife, m 1831"

"Mary Virginia Hutton (1842-1917), wife of Dr. Alfred Leyburn McCorkle (1832-1893) m. 1860."

They were the parents of the DAR lady above - Mrs. mildred MacCorkle Watkins, husband of Alfred Allen Watkins.

What makes me hopeful is the surnames of Gilmore, Cunningham and Montgomery - all married into Hutton families in early Washington Co families. More research is needed of course.

Does anyone have anything to share on this line?

Diane

I thought this might be interesting to some of you. Boone County, Indiana is where the three sons of Dickson Hutton migrated to after his death in 1835.

Of course he must be in my direct line. His name is Edward. All I have are Johns and Edwards!

Kidding aside, I do truly believe he is in my line and the son of Edward HUTTON & Francis HAYTER. (This Edward HUTTON is the one who married Sarah PORTERFIELD as a second wife.) If I go by the traditional Scotch-Irish naming pattern, it would make him their 3rd son. They also had sons named John (named after the paternal grandfather) and Abraham (named after the maternal grandfather).
This is the way I have him on my charts anyway, but I have no primary source documents to prove this. – Dee

Hello group!

Well, I didn't get any responses on trying to tie in William Hutton the DAR reference Hutton. So we'll just have to put him on the shelf for now! Up there with Moses and George Washington Hutton.

So here is a new Hutton of the day for any to try and connect!

1. Edward Hutton married Nancy Smith in 1824 in Washington County by Alexander McEwan.

   My best guess:
   I was wondering if he was descended from John Hutton(m. Jane Dickson) through their son Edward. While John does not mention Edward in his will, in the Deed Book #4, page 388-389, dated 8 Nov 1810 where John Hatton's heirs agree that the mis-surveyed 15 acres belongs to Leonard Hutton, his son, Edward Hatton signed his name as one of the heirs. In this Edward Hatton's will (who married Francis Hayter and m2 Sarah Porterfield) he mentions "having heretofore given to my sons John and Edward and my daughter Susannah Bishop, all that I intended out of my estate." (Wash Co Will Book #8, page 122, dated 30 July 1839, probated Oct, 1839) All I have for this son Edward is a birthdate of ~1805. Dee, this is your line, right? What do you and others think?

Warm thoughts.
Diane

Dear group,

Ok, I think we have a winner for Dee! I am going to put Edward and Nancy Smith Hutton as a probable son of Edward and Francis Hayter hutton. So these would be their children:

1. Susannah Hutton (b 14 Feb 1793 I WAS ALSO BORN ON VALENTINE'S DAY!!!, d. 16 Feb 1861) married on 26 Sept 1816 to William Bishop in Washington Co, Va. they migrated to Boone Co, Ind bu 1850

2. Abraham Hutton (died before Aug 1823) m. nancy Hubble on 18 Nov 1819 by John Jones, Jr. (They had the Fanny Hutton mentioned in their father Edward's will as his granddaughter)

3. Jane Hutton (b~1802) married a Hubble and had children mentioned in her father's will.

4. Edward Hutton (b~1805) married Nancy Smith in 1824 in Washington co- PROBABLE

5. John Hutton (b~1806) m. Catherine Phillips on 11 Dec 1817 in Washington Co, Va. they migrated to Missouri. NOW, THIS IS CURIOUS: Their first child was Edward Hutton (b~1818 in Washington Co) married Nancy Elizabeth Maxwell Smith (b 15 Jan 1821 and died 19 Jan 1912) They married on 16 Mar 1849 in Osage, MO. Buried in Holsapple Cemetery in St. Clair co, MO. This is how we get all mixed up isn't it - with all these Edwards and Johns and James!!!

6. Polly Hutton m. a Buchanan - no other info. this daughter might be Francis Hayter Hutton's or Sarah Porterfield's. the next two son's are defeinitely Sarah's boys.

7. Francis Hutton (b~1827 and died at 25 years, 5 months and 6 days on 14 August 1852 in Washington co, Va, buried in Glade Spring Cemetery. Married to Amanda C. Ryburn. I do not believe they had children. He left everything to his wife, but asked that his brother Arthur take care of it and also that she live with Arthur. Arthur married her sister.

8. Arthur D. Hutton (b 26 Mar 1829, d 27 April 1892) m. Sarah Elizabeth Buchanan Ryburn (d/o Beatie Ryburn) about 1851 inWashington Co. This is the line that stayed in Washington County and became very influential in politics and law. Arthur himself was a doctor.

Dear group,

Ok, I think we have a winner for Deal. I am going to put Edward and Nancy Smith Hutton as a probable son of Edward and Francis Hayter Hutton. So there would be their children:

1. Susannah Hutton (b 14 Feb 1743) I WAS ALSO BORN ON VALENTINE'S DAY!!
   d. 16 Feb 1807) married on 28 Sept 1816 to William Stanley
   in Washington Co, Va. they migrated to Boone Co, Ky in 1820

2. Abraham Hutton (died before Aug 1829) m. Nancy Hubbs on 28 Nov 1819
   by Jesse Jones, Jr. (They had the Family Hutton mentioned in their

3. Jane Hutton (b- 1820) married a Hubbs and had children mentioned in
   her father's will.

4. Edward Hutton (b- 1823) married Nancy Smith in 1843 in Washington co.
   PROBABLE

5. John Hutton (b- 1825) m. Catherine Phillips on 11 Dec 1847 in
   Washington Co, Va. They migrated to Missouri. NOW, THIS IS
   CURIOUS. Their first child was Edward Hutton (b- 1848 in
   Washington Co) married Nancy Elizabeth Maxwell Smith (b 15 Jan
   1827 and died 19 Jan 1912) They married on 18 Mar 1849 in Osage,
   MO. Buried in Hillsdale Cemetery in St. Clair co, MO. This is
   how we got all mixed up isn't it - with all these Edwards and
   Johns and Jennies!!

6. Polly Hutton m. a Buchanan - no other info. this daughter might be
   Francis Hayter Hutton's or Sarah Pohyhaus's. the next two
   sons are definitely Sarah's boys.

7. Francis Hutton (b- 1827 and died at 25 years, 5 months and 8 days
   on 14 August 1852 in Washington co, Va, buried in Glade Spring
   Cemetery. Married to Amanda C. Hydom. I do not believe they
   had children. He left everything to his wife, but asked that
   his brother Arthur look after it and also that she live with
   Arthur. Arthur married her sister.

8. Arthur D. Hutton (b 29 Mar 1833, d 27 April 1892) m. Sarah Elizabeth
   Buchanan Ryburn (dtr Sarah Ryburn) about 1871 InWashington Co.
   This is the line that stayed in Washington County and became
   very industrial in politics and law. Arthur himself was a
   doctor.

Edward's will left the bulk of his property to his children by Sarah Porterfield. He outlived both wives. Francis died early and Arthur inherited the substantial estate. Arthur also purchased much, if not all, of the property that Dickson hutton (his uncle) left to his children.

So this line looks pretty good, Dee! If anyone has any other information to add, please let us know. We would also be looking for some documentation on the Edward and nancy Smith line.

Pike Thomas was able to supply us with a better death time for Abraham Hutton (second child, first
son of Edward and Francis). dick Williams is going to do some research into the two Hutton Hubble marriages.

Pike, do you have a Will book date and page no for the estate sale, or a written list of his estate?

Also, Mary "Polly" hutton would now surely be a daughter of Frances Hayter since Edward remarried Sarah Portefield in 1824.

thank you Pike!!

Dear friends, please correct my post as per Pike's information. This is in regard to James and Isabell Orr Hutton's son james F. Hutton. He married Nancy Clark on 8 Jan 1818 in Washington Co. Nancy was born 7 April 1798. Now in regard to a post this summer where we had two different James Huttons as sons of James and Isabel Orr Hutton. After posts from both Jud Crockett and John McCAll, it appears that the correct James is most probably James F. Hutton as follows.

Please correct me if I am wrong and confirm if you agree, Jud and John:

Fifth child of James and Isabel Orr Hutton: James F. Hutton (b bet 1797-99) married Nancy Clark on 8 Jan 1818 in Washington Co, Va. nancy was born 7 April 1798 (d/o Benjamin and Sarah Crabtree Clark (from Pike thomas). the only child I have for them is from Jud Crockett:

a. William Clark hutton (b 22 Oct 1832 in Washington co, Va) married Mary Ann Ashley in McMinn Co, TN on 29 June 1856. She died 11 Aug 1862 in McMinn Co, TN. He remarried and raised a second family. Jud Crockett is from his first marriage. William Clark Hutton died in Harrisburg, TX (Houston area) on 19 Feb 1905. Some of his family is still in the area.

Jud, I wonder about the 1818 marriage date and then they had no children for 14 years? Have I made a mistake here?

Pike also notes:
I have postulated this James (b bef 1800) as son of Leonard w/o proof.

Pike, Leonard Hutton (son of John and Jane Dickson Hutton) born about 1773) did have a son named James and he was born about 1804. He married Elizabeth Phillips (NOTE; MY EFFORTS TO SEE IF ELIZABETH PHILLIPS AND CATHERINE PHILLIPS WERE SISTERS HAVE NOT BEEN SUCCESSFUL AS YET) He married her before 1827 when their first son was born (conjecture on my

[illegible] [illegible] my post on [illegible]
[illegible] in regard to James and [illegible] Hutton's son
James P. Hutton. He married Nancy Clark on 6 Jan 1813 in Washington Co.
Nancy was born 7 Apr 1793. Now in regard to a post the summer where we

Alex [illegible] born Jan Cockrell and

Hutton as follows:

Please correct me if am wrong and correction if you agree. Tad and
Judy

First child of James and Isabel Ch Hutton, James P. Hutton (b
bet 1797-03) married Nancy Clark on 6 Jan 1813 in Washington Co. Va
Nancy was born 7 Apr 1793 (b c Pennsylvania and Sarah Clarke from
Pres Thomas). He was called I have [illegible] is from Cockrell:
a. William Clark Hutton (b 22 Oct 1832 in Washington Co. VA)
married Mary Ann Ashley in McMinn Co, TN on 26 June 1853. She
died 11 Aug 1861 in McMinn Co. TN. He married and married a
second time. Jan Cockrell was from his first marriage. William
Clark Hutton died in Hamilton Co. TX (Mountain Home) on 18 Feb
1903. Some of his family is still in the area.

And I wonder what the 1813 marriage was and then they had no
children for 14 years? How I meet a children here?

Pres also notes:
I have published the James P. bet 1820 on an at Lookup when [illegible]

Pres. Leonard Hutton (son of John and Jane Clayson Hutton) born
about 1770 as I have a son named James and he was born about [illegible]. He
married Elizabeth Hughes (b c 1[illegible]). MY REPORTS TO DEE R BUZZARD TH PHILLIPS
AND CATHERINE PHILLIPS WERE SISTERS HAVE NOT BEEN SUCCESSFUL AS YET! He
married his before 1821 when their first son was born (Pennsylvania on my

part about the marriage date) their children were
1. William J Hutton who is said to have married Sarah Callahan in 1859
2. Mary Jane Hutton (b1830 in Wythe Co) m. Michael Carmony on 23 June 1856 in Smyth Co. (source for this is Carolyn Carmony, who has researched the carmony line that is close to the Huttons They were said to have traveled from Pa to Va together)
3. John Hutton (b 1831) m. first cousin Dicy Jane Hutton
4. Martha E. Hutton (b1833)

On 15 Jan 1864 James married2 Martha Carson McCall in Lee County, Va. He is listed as 60 years old and a widower. I found james and Elizabeth in the 1810-1830 Washington Censuses (with father Leonard) and 1840=-1850 Smyth Co Censuses. I have not had a chance to look for him further.

Now although I do not have direct proof that this James is the son of Leonard Hutton and Martha McCall, I have a list of deeds that he executed with his "brothers" - proven sons of Leonard.

1. Smyth County Deed Book #1 - 22 Jan 1835 - from Henry Wassum and his wife Barbary to Dixon Hutton and James Hutton - 81 1/2 acres and 40 acres. the land is bordered by Leonard Hutton's land.

2. Smyth County Deed Book #2 - 11 Sept 1838 - James and Elizabeth his wife put up as collateral the above two acreages and their personal property to Nicholas Snavely for debts he owed to Elizabeth Snavely.

3. Smyth County Deed Book#2 - pages 355-356 - 5 Oct 1838 - 37 acres
James and Elizabeth his wife and Dixon Hutton and Elizabeth his wife buy 37 acres for $25 from Leonard Hutton. Land adjoining Snavelys.

4. Smyth Co Deed Book #2- page 360-361 - 30 July 1839 - 37 acres
James and Elizabeth and Dixon and Elizabeth sell this land for $300 to their brother Edward Hutton. This is not the same parcel as #3 above. Dixon and his wife signed it, but James and his wife did not. Later in Smyth Co Deed Book #2 - page 419-420 30 July 1839 - 37 acres, the same deed is recorded with all four signatures.

5. Smyth County Deed Book #2 - age 419 - 6 March 1837 - 37 acres
James and Elizabeth Hutton sell to Dixon Hutton for $300.

6. Smyth County Deed Book #2 - page 459-460 - 21 July 1840 - personal property. James Hutton seems to be eternally in debt! Here he secures a debt of $23.10 to Greenways H. Watson and a debt of $12.25 to John Thurman. AB Moore paid the debts and James secures that with his hogs, milch cows, 2 plows and gears and his growing crops of corn oats buckwheat and potatoes, 1 man's saddle, 1 woman's saddle and 20 geese. Pretty heafty terms!!!

7. Smyth County Deed Book #4 - page 227-228 - 27 Dec 1845 - 37 acres
Leonard Hutton and Nancy his wife sell to James Hutton for $325.

8. smyth County Deed Book #4 - page 228-230 - 10 Feb 1846 - 37 acres (what else!!)
James and Elizabeth his wife secure a note for $100.00 from the Farmers Bank of Virginia at Wytheville for the land in #7 above.

[illegible] would be marriage date. Their children were

1. William J. Hutton who is said to have married Sarah Dickerson in 1820
2. Mary Jane Hutton (b1820 in Wythe Co) m. Michael Carmony on 23 June 1842 in Smyth Co. (source for this is Carmony family, who has researched the carmony and that is those in the Hutton [illegible]
   They were said to have brought Sam Pa to Va together)
3. John Hutton (b 1831) m. first cousin Mary Jane Hutton
4. Martha C. Hutton (b1833)

On 25 Jan 1854 James married Martha Carson McCall in Lee County, Va. He is listed as 23 years old and a widower. I found names and birthdates in the 1812-1820 Washington Chancery (with father Leonard) and 1840-1850 Smyth Co Censuses. I have not had a chance to look for him further.

Now [illegible] I do not have direct proof that this James is the son of Leonard Hutton and Martha McCall. I have a list of deeds that he executed with his "brothers" - names same of Leonard.

1. Smyth County Deed Book #1 - 22 Jan 1839 - John Henry Wassum and his wife Barbary to Dixon Hutton and James Hutton - 81 1/2 acres and 40 acres. (no 1) to be borrowed by Leonard Hutton's land

2. Smyth County Deed Book #2 - 11 Sept 1839 - James and Elizabeth his wife (no 2) contains the same two acreages and then [illegible] property to William Stanley for debts he owed to Elizabeth Stanley.

3. Smyth County Deed Book #2 - pages 355-358 - 5 Oct 1839 - 27 acres James and Elizabeth his wife and Dixon Hutton and Elizabeth his wife (no 27 acres for $20 from Leonard Hutton. Land adjoining Stanley.

4. Smyth Co Deed Book #2 - page 359-361 - 30 July 1840 - 27 acres James and Elizabeth and Dixon and Elizabeth sell this land for $300 to their brother Edward Hutton. This is not the same record as #3 above. Dixon was not in such a hurry to sell it, but James and his wife did not. Later in Smyth Co Deed Book #2 - page 445-450 30 July 1858 - 27 acres, the same deed is recorded with all four signatures.

5. Smyth County Deed Book #2 - pg 450 - 6 March 1837 - 27 acres James and Elizabeth Hutton sell to Dixon Hutton for $300.

6. Smyth County Deed Book #2 - page 450-460 - 21 July 1840 - personal property. James Hutton says he is [illegible] in debt! [illegible] acres in [illegible] of $200.00 to George W. Wassum and a debt of $122.23 to John Hutton. His house and the [illegible] and James sells this with his [illegible] 2 cows and [illegible] 1 [illegible] and 20 [illegible]. Pretty [illegible]

7. Smyth County Deed Book #4 - page 227-228 - 27 Dec 1843 - 27 acres Leonard Hutton and Nancy, his wife sell to James Hutton for $125

8. Smyth County Deed Book #4 - page 228-230 - 10 Feb 1848 - 27 acres (what else?)

James and Elizabeth his wife sell [illegible] a [illegible] for $200.00 from the Farmers Bank of Virginia at Wytheville for the land in #7 above.

Now, because of all this land dealing between this James and Elizabeth Phillips Hutton and Leonard Hutton (his father) and Dixon and Edward Hutton his brothers and the documented relationship between Leonard Hutton and Michael Carmony, Sr., I have made a conjecture that this james is the son of Leonard.

Sorry this post is SO long. I didn't mean to do it this way.

My info on birthdate of the John Hutton (who came to MO) is around 1795, thus making him old enough to be Edward Hutton's (b. 1818) father.

I have in my possession the death certificate of Nancy Elisabeth Hutton (Edward Hutton's widow) b Jan 15, 1821 and d. Jan 19, 1912. It says she was 81 yrs old when she died. Her place of birth is given as Osage Co. MO This certificate says her father was Calvin Maxwell and her mother was Emaline Hawkins. The person submitting this information was Edwin Hutton of Collins, MO.

The St Clair Co. Cemetery Book has a birthdate of Jan 15, 1831 for Nancy, so we do have a descrepancy on the year of birth. OF COURSE WE ALL KNOW MISTAKES CAN OCCUR ON DEATH CERTIFICATES. I tend to think the year of birth is incorrect on the Death Certificate since 1912 - 81 = 1831 and the Cemetery Book says 1831. There is also doubt as to whether she was really born in Osage Co.MO

That would have made her 18 years old when marrying Edward Hutton and quite a bit younger than him. I have wondered if Edward could have been married before Nancy, but haven't come up with anyone. However, if she was really born in 1821, then the age on the death certificate is wrong and the cemetery record is wrong.

I have in my possession the death certificate of her son, John Calvin Hutton who was b. Nov. 27, 1859 and d. June 9, 1937. His place of birth was St Clair Co. MO. This certificates says his father was Edward Hutton (b. in West Virginia) and Nancy Maxwell Hutton (birthplace unknown). Information supplied by Minnie Killingsworth.

Any clues here as to why they would think Edward was born in WEST VA?

I have a copy of the Osage Co. Court (Linn, MO) p. 103 marriage record of Edward Hutton and Nancy Smith, all of Osage Co. MO, on the 16th day of March 1849, filed and recorded July 4, 1849.

The marriage record does not have "Mrs." written in front of Nancy Smith's name as some do if the woman had been married before. I have found no "Smiths" connected with this family, other than seeing the other Edward Hutton/Nancy Smith marriage record back in Washington Co. VA. Maybe some of you out there will have some ideas??

There is another Hawkins connection to this line of the family. This Edward Hutton (1818) had a brother named John Milton Hutton who married a Delilah Walker. Delilah's mother was a Katherine Hawkins. Edward's brother, Amon, married Mary A. "Polly" Maxwell–also a daughter of Calvin Maxwell.

I, too, find it odd that two Edward Huttons would have married Nancy Smiths. Would there be a way to check original source documents that old in Washington Co VA? Anyone know?

My link to kinship of the John Hutton who came to MO is around 1795, this meaning he could easily be Edward Hutton's [illegible] 1818) father.

I have in my possession the death certificate of Nancy Elizabeth Hutton (Edward Hutton's widow) b Jan. 15, 1827 and d. Jan. 15, 1902. It says she was 81 yrs old when she died. Her place of death is given as Osage Co. MO. This certificate says her father was Calvin Maxwell and her mother was Elizabeth Hawkins. The person submitting this information was Edwin Hutton, of Chanute, MO.

The St Clair Co. Cemetery book has a birth date of Jan. 15, 1821 for Nancy, so we do have a discrepancy on the year of birth. OF COURSE WE ALL KNOW MISTAKES CAN OCCUR ON DEATH CERTIFICATES. I tend to think the year of birth is incorrect on the Death Certificate since 1821 - 81 = 1921 and the Cemetery Book says 1831. There is also quite a lot of [illegible] also such a gap than in Osage Co. MO.

This would have made her 10 years old when marrying Edward Hutton. Not quite a bit younger than him. I have wondered if Edward could have been married before Nancy. Did he ever come up with anyone. Nowadays, if she was really born in 1821, then she would be 11 month certificate is wrong and the cemetery record is wrong.

I have in my possession the death certificate of her son, John Calvin Hutton who was b. Nov. 27, 1859 and d. June 8, 1932. His place of birth was St Clair Co. MO. This certificate says his father was Edward Hutton b. in Tyler, Virginia and Nancy Maxwell Hutton (maiden unknown). Information supplied by Minnie Killingsworth.

Any ideas here as to why they would think Edward was born in WEST VA?

I have a copy of the Osage Co. Court (Linn, MO) p. 102 marriage record of Edward Hutton and Nancy Smith, all of Osage Co MO, on the 19th day of March 1845, also and recorded July 4, 1845.

The marriage record does not have "Mrs." written in front of Nancy Smith's name as some do if the woman had been married before. I have found no "Smiths" connected with this family, other than seeing the other Edward Hutton's Nancy Smith mentioned back in Washington Co. VA. Maybe some of you out there will have some ideas?

There is another Hutton connection to this line of the family. This Edward Hutton (1818) had a brother named John Milton Hutton who married a Cecelia Wilcox. Cecelia's mother was a Kimmins Hawkins. Edward's brother, Amos, married Mary A. "Polly" Maxwell--also a daughter of Calvin Maxwell.

I too, also if not that two Edward Hutton's would have married Mrs. Smiths. Would there be a way to check original source documents that do in Washington Co VA? Anyone know?

Hi Leah and Pike and all the rest of you cousins! I wish everyone a nice weekend. At 2:15 this afternoon I go for a root canal. This is my first one and I am so scared!!

I think there are a few errors in this list, but Sandy, I believe after thinking on this information that I have found your connection! So welcome to the John and Jane Dickson Hutton line!!

Also add to your list Joella Barbour of Virginia (jbarbour@louisa.net) She and I used to work on our Wolfe connection and she has Huttons and Snodgrasses and others in her line.

My responses will be in capitals. Pike and Leah, thank you for all the documented information you sent. It is the best. Diane

PIKE, ARE WE TO ASSUME THAT THE 'ANN' ABOVE IS THE 'MARY ANN' BELOW? FROM MARY ANN HUTTON WILL (Washington Co Will Book #11, page 125, dated 30 April 1841, proved 22 Jan 1847) SHE WRITES "I give to my son Samuel all my land in Poor Valley in Washington County above 130 acres belonging to the heirs of my Father, William Cunningham, dec'd".
ALSO IN WASH CO DEED BOOK 18, PAGE 320, SHE SEELS LAND TO JACOB TOOL ON 5 NOV 1847, THAT SHE IDENTIFIES AS HER FATHER WILLIAM CUNNINGHAMS. SO I FEEL SURE SHE IS THE DAUGHTER OF WILLIAM CUNNINGHAM, ALSO

OK, SANDY, THIS SAMUEL C (MAYBE CUNNINGHAM?) HUTTON IS THE FATHER OF YOUR LINE. I WILL WRITE ALL I HAVE ON THAT LINE IN MY NEXT EMAIL.

LEAH, I HAD HER WILL PROVEN ON 22 JAN 1847 - FROM YOUR 28 JUNE 1999 EMAIL. IF SHE SOLD LAND IN NOV OF 1847, THEN HER WILL WAS MOST LIKELY PROVED 22 JAN 1849, CORRECT? DOES ANYONE HAVE A COPY OF THE INV/APP TO SHARE FROM THE ABOVE SOURCE?

I DIDN'T WRITE DOWN THE SOURCE FOR THIS (ARRGH) BUT I HAVE JOHN BORN ABOUT 1802 AND DIED BEFORE 1872) MARRIED SUSANNAH? WE KNOW JOHN WAS THE S/O MARY ANN AND JOHN FROM BOTH PARENTS WILLS, BUT WHO IS THIS SUSANNAH?

I AM SORRY IF I MISLEAD YOU GUYS - I DO NOT THINK THAT JOHN AND MARY ANN CUNNINGHAM HUTTON HAD A DAUGHTER SUSANNAH. IN MARY ANN'S WILL SHE IDENTIFIES A GRANDDAUGHTER AS SUSANNAH HUTTON. I THINK THAT JOHN HUTTON, S/O JOHN AND MARY ANN, HAD THIS DAUGHTER,SUSANNAH HUTTON, BECAUSE HE AND SAMUEL C. HUTTON WERE THE ONLY SONS OF JOHN AND MARY ANN AND SAMUEL DID NOT HAVE A DAUGHTER BY THAT NAME. THE OTHER JOHN HUTTON ABOVE IS THE SON OF JAMES AND ISABEL ORR HUTTON, MARRIED A SUSANNA A. ? ON 22 aUG 1822 IN WASHINGTON CO BY ALEXANDER MACEWEN. HE WENT ON TO ANDERSON COUNTY KY (ACCORDING TO NORA, THEY ARE BURIED IN HERBORN CEM IN MCCALL'S GAP ANDERSON CO, KY) THIS COULD BE A MIXUP OF JOHN AND SUSANNAH'S, BUT I DO NOT SEE A SUSANNAH HUTTON AS THE DAUGHTER OF JOHN AND MARY ANN CUNNINGHAM HUTTON.

> > 3 Jane Hutton b: Aft. 1804

JANE WAS SIGHTLESS AND HER MOTHER, MARY ANN MADE A LEGACY FOR HER IN HER WILL.

MARY ANN, THE MOTHER, MENTIONS HER DAUGHTER MARY ANN HAYTER IN HER WILL. I SAW THE NANCY HUTTON AND ABSOLOM HAYTER MARRIAGE, BUT I WONDER WHAT THE SOURCE IS FOR THINKING THIS NANCY IS MARY ANN? IT WAS MY "GUESS" THAT THIS NANCY HUTTON MIGHT BE THE WIDOW OF ABRAHAM HUTTON (S/O EDWARD AND FRANCIS HAYTER HUTTON) WHO DIED CIRCA 1820. HER MAIDEN NAME WAS NANCY HUBBLE, BORN CIRCA 1800. ANY FURTHER THOUGHTS ON THIS??? NEEDS MORE RESEARCH, I THINK.

FYI, regarding the last post. Thanks to Leah. My note: The fact that this John Hutton is the son of John and Jane Dickson Hatton, is , in my opinion, a good conjecture. however, I have not seen any definite proof that this is so. If anyone has any thoughts on this, please contribute.

I may have answered my own question with help from Jud! For some reason I did note that James and Isabel Orr Hutton had a daughter Isabell, but had no further information on her at all. In fact, at one time I thought she and sister Jane (who married thomas McCall) were the same person. Thomas McCall was made the guardian of Isabelle Hutton, orphan of James Hutton deceased in 21 Jan 1823 (From Guardian Bonds of Washington Co, Va 1780-1872, page 18) This Thomas McCall (s/o of John McCAll and Martha Orr McCall) was married to Isabelle's sister, Jane Hutton in 1822. they were first cousins on their mother's side (ORR). This would make sense for the Isabelle that married Samuel C. Hutton that we are discussing in today's posts (b~1807)She would be only 16 in 1823. And account for the Orr middle name in James Orr Hutton (Samuel and Ibby's son). although James does not mention her in his will, he does not mention his other daughter Rachel (who married Arthur McCall, also first cousins on their mother's ORR side and brother of Thomas McCAll). Except for mentioning his youngest daughter Sarah who is to be taken care of, he does not leave anything to these three youngest daughters. Rachel's husband to be, Arthur Hutton was named as her guardian and also for little Sarah on 23 Jan 1823.

What do the rest of you think of the validity of my conjecture that this Isabelle Hutton (d/o James and Isabelle Orr Hutton) is the one who marries Samuel C. Hutton (s/o John and Mary Ann Cunningham Hutton)?

Sorry I got a little carried away with typing yesterday! I made a mistake in typing Samuel C. Hutton's name (I identified him as Samuel C. Cunningham! Ha!) Anyway, Sandy wrote back and has been out of town for a while. She will look over the information and get back to us. She didn't know her line previous to Lilburn and the boys.

Leah, yes if this is correct, then Sandy would be a Cunningham from Samuel C. Hutton's mother - Mary Ann Cunningham Hutton. I feel pretty certain of the line (census info from 1850/1860, Mary Ann's will) back to John and Mary Ann
Cunningham Hutton. What I feel has not been proven satisfactorily is that John (and Mary Ann Cunningham) Hutton is the son of John (and Jane Dickson) Hutton. Can anyone help with this?

Diane

Dear Pike and friends,

I believe that the birthdate for James Hutton who married nancy Clark was from Jud Crockett and that it was a calculated date. Correct me if I am wrong, Jud. James Hutton who married Isabel Orr- his will was written 7 Jan 1820 and proved 15 Feb 1820 (Wash Co WB 4:320-321). It states"...that is to say to keep all the rest of my children & school them, JAMES to read and write to the rule of three, my Daughter to read well..." He identifies his daughter Sarah, "...I Will and bequeath to my two sons, John and Arthur all my plantation & mill until my youngest daughter Sarah arrives to fifteen years of age from the 2nd of October 1812..." Also in the Guardian Bonds for Washington Co, Va 1780-1872, pg 18, 21 Jan 1823: "John Hutton named guaridan of James Hutton, orphan of James Hutton, deceased. bond: $300. Surety: John Clark" It does seem odd that if James married Nancy Clark in 1818 and his father is writing about his schooling in 1820 and then five years after his marriage, he has a guardian bond posted by his older brother.... It would appear that this is not a match.

I know that I have a direct ancestor George Washington Hutton, that was said to be the son of Dickson Hutton ALLOVER THE PLACE. And it turned out not to be accurate. Jud, do you have any thinking on this James? Is there a death record for him somewhere or a burial place that might help?

James Hutton that married Elizabeth Phillips is definitely the son of Leonard Hutton. Besides all the deeds that he recorded with his father and brothers Edward and Dixon, is a marriage certificate. Lee County Marriage Records - 5 Jan 1864, James Hutton (60, widower, b in Washington Co, Va, s/o Leonard and M. Hutton) married Martha Carson (38 years old, widow, d/o McCall, b in Grayson Co). I have not checked death records for this James yet.

For those of you that have books and records at hand, could we work on these James Hutton puzzles:

Who is James Hutton (born in Washington Co about 1797-99) that married Nancy Clark?

Who is james Hutton (born in Washington Co about 1805) that married Rebecca Griffin (KY) Elizabeth Cunningham (ILL) and Letitia Goosey (ILL)?

He identifies his daughter Susan, "...I WILL and bequeath to my two sons, John and Arthur all my plantation & mill until my youngest daughter Susan arrives to fifteen years of age from the 2nd of October 1872..." Also in the Guardian Bonds for Washington Co, Va 1780-1872, pg 18, 21 Jan 1823: "John Hutton named guardian of James Hutton, orphan of James Hutton, deceased. bond $300. Surety: John Clark" It does seem odd that if James married Nancy Clark in 1818 and his father is writing about his schooling in 1820 and then five years after his marriage, he has a guardian bond posted by his older brother.... It would appear that this is not a match.

I know that I have a direct ancestor George Washington Hutton that was said to be the son of Dickson Hutton ALLOVER THE PLACE. And it turned out not to be accurate. And do you have any thinking on this James? Is there a death record for him somewhere or a burial place that might help?

James Hutton that married Elizabeth Phillips is definitely the son of Lucinda Hutton. Besides all the deeds that he recorded with his father and brothers Edward and Dixon, is a marriage certificate. Lee County Marriage Records - 5 Jan 1804, James Hutton (60, widower), b in Washington Co, Va, s/o Lucinda and M. Hutton) married Martha Canton (36 years old, widow), d/o McCall, b in Grayson Co). I have not checked death records for this James yet.

For those of you that have books and records at hand, could we work on these James Hutton puzzles:

Who is James Hutton (born in Washington Co about 1797-99) that married Nancy Clark?

Who is James Hutton (born in Washington Co about 1805) that married Rebecca Gillin, (KY) Elizabeth Cunningham (ILL) and Luetta Gosney (ILL)?

in Washington Co, Va. His birthdate is a calculated date
based on the fact that he was of age when his father's
will was written in 1835 AND in the 1850 Boone Co, Indiana
Census, (District No. 7, 20 Sept 1850, #1819) he is listed
as 36 years old, farmer, born in Va.
Also listed in this census are Jane Hutton (33, born in

born in Va), Sarah J. Hutton (5, born in Va) Eliza A.
Hutton (3, born in Ind) and James W. Hutton (1 mo, born in
Ind) these dates indicate that Washington and jane
migrated to Ind circa 1845, but I have a letter from them
in 1843 from Boon Co, Indiana.
There is an Isaac Hutton
in the same census #1728, 38 years old, born UNK, School-
teacher, who is married to Elizabeth (born in TN) the
film is smeared but it looks like there was a female about
10 born in Indiana and a female 3 mos born in Ind.)

ii. Washington Hutton (b- 1814-) m. Jane Bishop on 7 Sept 1835 in Washington Co. Va. His birthdate is a calculated date based on the fact that he was of age when his father's will was written in 1835 AND in the 1850 Boone Co. Indiana Census. (Dickson No. 7, 20 Sept. 1850, #1810) he is listed as 39 years old, farmer, born in Va.
Also listed in this census are Jane Hutton (35, born in Va), William Hutton (14, born in Va), John D. Hutton (7, born in Va), Sarah J. Hutton (5, born in Va) Eliza A. Hutton (3, born in Ind) and James W. Hutton (1 mo. born in Ind) these data indicate that Washington and Jane migrated to Ind since 1845, but I have a letter from them in 1843 from Boon Co. Indiana.
There is no large Hutton
in the same census @1724, 39 years old, born UNK, farmer, farmer, who is married to Elizabeth (born in TN). He
then is surmised that it looks like there was a female about
10 born in Indiana and a female 3 mos born in Ind.)

As you can see, Washington Hutton with a wife Jane in 1850 in Boone Co, Indiana cannot be George Washington Hutton with a wife Sarah Ann Slemp in 1850 in Smyth Co, VA. Also, in the Hutton Papers, there are the two following original letters:

1. Deed from Washington Hutton and jane his wife to Arthur Hutton - 156 and 3/4 acrs of land given to him by "which Dickson Hutton (his father) formerly lived" for $700, dated 29 Sept 1841. Since this is the orgiinal deed papers with original signatures, I don't know the Deed Book it was entered into, but should be easy to find.

2. Boon County, Indiana letter regarding Jane and Washington Hutton's sale of land to Arthur hutton, dated Sept 11, 1843. Their acknowledgement of sale.

111. William Hutton (b bet 1815 and 1820?)

There is conflicting information on William's age. I believe he was the son of Jane Jamison. He may be the William D Hutton that married Mary Eleanor Orr and migrated to Missouri. Dee Mathews has a book with his history and descendents that is wonderful if this is him...you think he married jane Williams and stayed in Washington and Smyth Co? We should be able to trace him back with a little research. This is what I have on William:

From the Hutton Papers, William is mentioned prominently in Dickson's will, but it is not clear if he is 21 (in 1835). Then, there is the Guardian Bond (from Guardian Bonds of Washington Co, VA 1780-1872, abstracted by Gerald Clark, page 29: 26 Sept 1836:" Thomas McCready named guardian of Esther, Jane, William and Eliza Ann Hutton, orphans of Dickson Hutton, deceased. Bond: $7,000. Sureties: edward H. Jamison, John McCready, and William McCready." Thus, we again have evidence that William was probably not 21 in 1836. Now, there is Washington Co Deed Book #19, pages 168-169, dated 3 Dec 1847 (the original is with the Hutton Papers) This is a Deed from William Hutton to Arthur Hutton for land left to William Hutton by his father Dickson Hutton - 156 and 3/4 acres for $1,000. (Arthur Hutton is the first cousin of Washington and William Hutton).

NOW, a very curious deed: Smyth County VA Deed Book #4, page 59-60, 24 Oct 1844 - ten acres and 100 poles. David Winniford and Elizabeth his wife sell to William Leonard "Superintending guardian for William Hutton son of Dickson Hutton" a certain tract of land lying and being in Smyth Co on the waters of the middle fork of Holston River containing ten acres and 100 poles. William's sister Esther Hutton (1822) married William R. Winniford on 26 July 1846. Thus, it appears that William might still be under 21 in 1844. I have not been able yet to trace this William Hutton and his line.

iv. JANE DIXON HUTTON (b1822) married William G. Sanders on 2

Nov 1841

v. ESTHER (Easter) HUTTON (b1822) married William R. Winniford on 26 July 1846 in Smyth Co, Va

Now, it is my conjecture that these girls may have been twins. I see that you have a ~1816 date for Esther. That would make her the daughter of Jane Jamison and I really DO NOT think she is. The reason for their names, I think is that Esther was the name of Elizabeth McCready's mother and Jane was the mother of Dickson's mother. I have not researched these ladies further.

vi. ELIZA ANN HUTTON (b1829) married a Sanders? - no further info

About this line, I have no further information. We know Washington and jane Bishop Hutton were in Missouri. We don't know FOR SURE who William Hutton is. We still have research ahead of us on the three females : Esther Hutton Winniford, Jane Dixon Hutton Sanders and Eliza Ann Hutton and also on Isaac Hutton.

Much of the Hutton Papers concern the early deeds of Dickson Hutton. Arthur Hutton his nephew bought most of his land from his children and the rest of the Hutton Papers have to do with Arthur.

So, GEORGE WASHINGTON HUTTON is not from Dickson's line. I do have very good decendency from him. We can work on melding our information on him, Ed. but who his parents are, I don't know yet. There is much in the SmytH County Deeds books regarding him. I have all the numbers and pages, but have no access to them at this time. i may request them from LDS. Maybe there will be a clue in them. He did live on land that is just adjacent to Leonard Hutton's (inherited by his son Edward Hutton). It is just down the road from the Hutton Cemetery, Smyth Co. His grave is off this road also. In my direct line, His grandaughter, Lillie Hutton (d/o John Wesley Hutton and Sarah "Sadie" Sayers) married Clinton Hutton (s/o Leonard Hutton and Mary Ann Sayers). they were first cousins on their mothers (Sayers) side, but "distant cousins" on the Hutton side according to one of my living ancestors. It has occured to me that GW could be a son of Leonard and Martha McCall or Nancy Baugh. This needs in depth reserach.

Bye,
Diane

Nov 1841

v. ESTHER (Easter) HUTTON (b1822?) married William R. Whitehead on 28 July 1840 in Smyth Co. Va

Now, it is my conjecture that these girls may have been twins. I see that you have a ~1819 date for Esther. That would make her the daughter of Jane Jackson and I really DO NOT think she is. The reason for their names, I think is that Esther was the name of Elizabeth McCreedy's mother and Jane was the maiden of Dickson's mother. I have not researched these ladies further.

vi. ELIZA ANN HUTTON (b1829) married a Snakey? - no further info

About this line, I have no further information. We know Washington and Jane Bishop Hutton were in Missouri. We don't know FOR SURE who William Hutton is. We still have research ahead of us on the three females : Esther Hutton Whitehead, Jane Dixon Hutton Sanders and Eliza Ann Hutton and also on Isaac Hutton.

Much of the Hutton Papers concern the early deeds of Dickson Hutton. Arthur Hutton has always bought most of his land from his children and the rest of the Hutton Papers have to do with Arthur.

While I believe each of you got the following e-mail on the Hutton line from Edward Hatton, I sent it along for your information. I would appreciate any comments or ideas on how we can resolve the interesting situation. It seems there were many John Huttons around and how came from which line proves to be an interesting conflict.

Appreciate any comments you may have.

Dear Kent and others on this list,

Kent, I do not believe that John Stringeways Hutton is the father of John Hutton who married Jane Dickson. I do have your line filed in

quite nicely to Varday Hutton, though.

I have the will of Edward Hatton who died about 1777-1779. Prior to about 1800 the name was spelled Hatton. John and James Hatton, brothers who came down the Great Wagon Road from Pa to Va, spelled their names Hatton and so did some of their sons for a while. It sometimes appears in wills as both spellings in the same deed! By the 1800s, the name is spelled most consistently as Hutton. this line came from England to Norfolk Va
in 1623 (still working on this connection), I believe. I also believe that John Strangeways Hutton's line was from Ireland from old reserach when I thought he was related. Edward Hatton was a member of Christ Church in York Co (now Adams Co), PA, as were his sons Leonard, John and James.

I have the following unattached William hutton who married Eliza Hill in 1834 (?). their son, William Leonard Hutton (b1835) married Dorcas Perdue (b1831, d/o Robert and Dorcas Perdue) in 1858. (Source is Smyth Co Marriage Records) The older william may be the son of my Leonard Hutton. I beleive one of his sons was William. From nearby places in Smyth county in the 1850 census, there is one born about 1813 (which could be this William)

William Hutton (37, born in Va, farmer)
Eliza (37)

Also there is a William J. Hutton (b~1826) who married in 1847 to Jane Williams (b1823).their children are:
a. James P. Hutton (1849) m. elizabeth E. Hutton (b1858) the d/o John and Dicy Jane Hutton (maybe first cousins)
b. Amos R. Williams (b1839)
c. Martha E. Williams (1840)
d. Kasiah (?) Williams (1842)
This info is from the 1850 Smyth Co census. Obviously Jane Williams was married before and had children when she married this William. I wondered if this was Leonard's son OR perhaps

I have the following unattached William hutton who married Eliza
Hill in 1834 (?). Their son, William Leonard Hutton (b1839)

Also there is a William J. Hutton (b~1829) who married in 1847

Leonard's grandson. Leonard's son James Hutton (b~1804) m. Elizabeth Phillips had a son William J. Hutton who was born about 1827. Someone told me he married Sarah Callahan in 1859, but I do not have proof of that. I also have a William J. Hutton and Sallie J. Hutton who had Dollie E. Hutton (b1888). I have not done research yet on these Williams.

Pike and others, I just found this in the 1850 Smyth Co census:
#46 - William Leonard (he was the supervising guardian for
William Hutton in the deed mentioned below) age 31
re$1,200, carpenter
Jane B (wife, 28)
Mary F (3)
William E (2)
Francis W. (3 mos)
Joseph Walker (23 - tanner)
Eliza Ann Hutton (21)

I'll bet that is Dickson's daughter Eliza before she married Sanders!

Leonard's grandson. Leonard's son James Hutton (b. 1804) m.
Elizabeth Phillips had a son William J. Hutton who was born about
1827. Someone told me he married Sarah Callahan in 1858, but
I do not have proof of that. I also have a William J. Hutton
and Sallie J. Hutton who had Dollie E. Hutton (b.1868). I have
not done research yet on these Williams.

Again, our williams need research, which I have not done yet.
Anyone want to take this on?!!!

Pics and others. I just found this in the 1850 Smyth Co census;
#48 - William Leonard (he was the supervising guardian for
William Hutton in the deed mentioned below) age 31
m31 20c. carpenter
Julia B (f) 29
Mary F (2)
William E (2)
Francis W. (3 mos)
Joseph Walker (23 - farmer)
Eliza Ann Hutton (21)

I'll bet that is Dickson's daughter Eliza before she married
Sanders!

Dear (don't know your name),

No, but one of my ORRs married James HUTTON. The ORRs and HUTTONs were from Huntington and Tyrone Twps., York Co., PA and went to Washington Co., VA in the Cedar Creek area south of Glade Spring. I would like very much to prove that James HUTTON's wife is in fact the daughter of Arthur ORR, the Elder who died 1808, Washington Co., VA.

Hello cousins!

These little tidbits you sent were great, Donna Jean! I can fill in some information on the last one about the Methodist Church.

This summer I went to Smyth County, went up into the SKY to the Hutton Cemetery (talk about High on a Windy Hill! - have you all ever been in this cemetery?) and looked around Hutton Branch. I met a lady, Mamie Scott, 70's, who is related to the Huttons and Scotts and whose niece handles the business end of the Hutton Cemetery. She has written some articles in a book about the Huttons in Smyth Co. It is out of print, I think, she told me, but she is trying to get me a copy. She is not online, but she had a lot of stories and memories of the people in the area. She showed me an old homestead (~1870s) of John Wesley Hutton (a direct
ancestor) on Hutton Branch that is in great condition.
I also met John Wesley Hutton's granddaughter and she remembers Christmas's in the big dining room in that house. Anyway, George Washington Hutton was John Wesley's father and this is what Mamie had to say:

"George Washington Hutton (~1826-1893) was called "Wash" and he donated land for the Centenary Methodist Church, even though he was not Methodist in July 1884. The church burned to the ground on 11 July 1993." She had some of the marble like rock that formed the steps to the church in her backyard that was taken out of the hill in back of her house. There is a plaque at the site of where the Church was that says Centenary Methodist Church - 1887-1993. Next to that are the graves of George Washington Hutton, his wife Sarah Ann Slemp Hutton and a unreadable child's grave. Land for the church is mentioned in G.W.'s will.

Also, What on earth were these three Wheeler hussies doing to poor James Hutton in 1832 that made him so crazy!! I wish I knew that story! Ha!

Take care! Diane

I am looking for James HUTTON, who was born in PA, maybe in York Co about 1738-40? He married Sarah _____ about 1761 and may have fought in the Rev. War because one of my sources notes him as a Col. James had four children - Mary b~1762, Jane b 1765, Sarah b1767 and Leonard HUTTON, born in 1769 in Woorestown, Chest Co, PA. Leonard is my direct ancestor. I have much information after Leonard. Please email if you have any knowledge of James. Thanks! Diane

Hi Diane & all,

The following is from "Index to Adams County Pennsylvania Septennial Census 1779-1821," compiled by Joan R. Hankey, Gettysburg, PA, December 1999. This work includes all the names in the Septennial Censuses (seven year State censuses) starting in 1779 and ending in 1821, plus names in all surviving tax lists from 1762 to 1775. There are tax lists for all townships for the years 1778 to 1783 and those names are also included. James Agnew and Robert McPherson made a list of Manor of Maske residents whose land had been claimed (not necessarily by them, but by someone) on or before 18 Jun 1741. The names of the residents on the Agnew-McPherson list are also included and are identified by the letters "AM."

The soft cover 362 page book is available from the Adams County Historical Society, Schmucker Hall, Seminary Campus, 111 Seminary Ridge, Box 4325, Gettysburg, PA 17325. Cost: $21.25 by mail.

(Note: only one name is used for each year such as John Doe, 1775, Huntington township, but there may have been two (or more) John Doe's in that township in 1775. One needs to check the original record).

Dear Friends,

Merry Christmas to you all! As you know, one of my brick walls that I have been mooning over is the parentage of George Washington Hutton. It took me quite a while to debunk the theory that GW or "Wash" as he was known by was the son of Dickson Hutton. With your help, i was finally able to do that, but we still didn't know who Wash's parents were and the obvious possbilities made this intermarrying thing just a little too intense!.

But today I find my christmas present:

GEROGE WASHINGTON HUTTON, b 18 Jan 1825, in Lexington, Rockbridge Co, son of William Hutton and Mary Cunningham!

I have a photo of George Washington Hutton's (he was known as "Wash") grave on Hutton Branch Road near the spring on Hutton Branch, next to the land he donated for the Centenary Methodist Church. It said: "Geroge Washington Hutton, died July 18, 1893, aged ?7 years, 6 months and 18 days. Saved by grace" I even have a photo of the house he built!

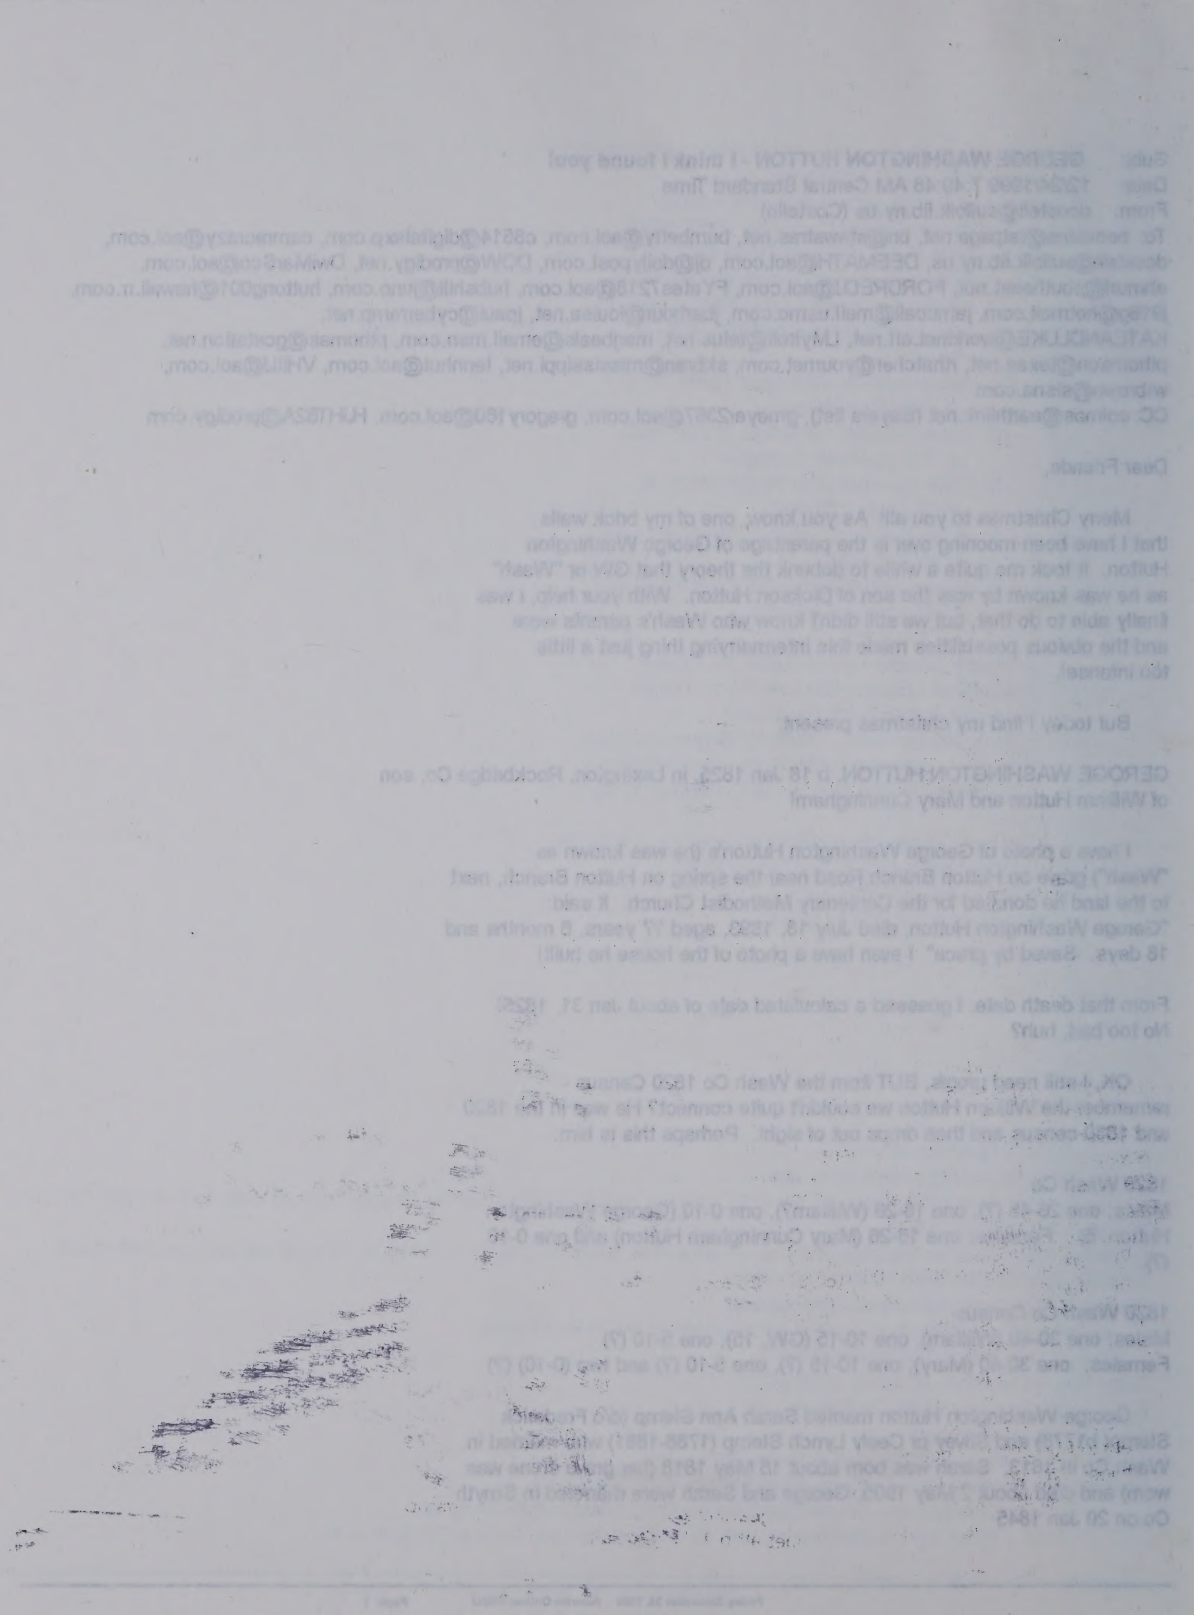
From that death date, I guessed a calculated date of about Jan 31, 1825! No too bad, huh?

OK, I still need proofs, BUT from the Wash Co 1820 Census - remember the William Hutton we couldn't quite connect? He was in the 1820 and 1830 census and then drops out of sight. Perhaps this is him:

1820 Wash Co
Males: one 26-45 (?), one 18-26 (William?), one 0-10 (George Washington Hutton, 5) Females: one 16-26 (Mary Cunningham Hutton) and one 0-10 (?).

1830 Wash Co Census
Males: one 30-40 (Wiiliam), one 10-15 (GW, 15), one 5-10 (?)
Females: one 30-40 (Mary), one 10-15 (?), one 5-10 (?) and two (0-10) (?)

George Washington Hutton married Sarah Ann Slemp (d/o Frederick Slemp(b1778) and Silvey or Ceely Lynch Slemp (1788-1881) who married in Wash Co in 1813. Sarah was born about 16 May 1818 (her grave stone was worn) and died about 2 May 1905. George and Sarah were marreied in Smyth Co on 20 Jan 1845



1850 Smyth Co Census, page 233, lines 35-39 household #1062.
George W Hutton (25), farmer, Sarah Ann (26), James F (4), Sebastion (2), and Martha J. (1). All born in Virginia and adults can read and write.

Their full list of children are:

1. James Franklin Hutton -6 April 1846, d 27 Sept 1916 m. Mary Amanda Shupe d/o andrew Shupe on 13 July 1865
2. Sebastian "Bascom" hutton (b~1848) m. Sarah ?
3. Martha J. Hutton (b~1849)m. a Haulsee
4. John Wesley Hutton -15 April 1854 m1. Sarah Sayers (b1856 d/o Andrew and Nancy Puckett Sayers) on 21 Jul 1875 in Smyth Co
   ** This is my direct line****, Sarah "Sadie" Sayers Hutton died on 21 Sept 1877 at the age of 21. Her child, my direct ancestor, Rachel Lillie Hutton was 15 months old when she died. John Wesley Hutton "West" marreid 2 Nancy Elizabeth Hutton (d/o Mahlon and Betsy Carmony Hutton. Mahlon was a s/o my Leonard Hutton, s/o John and Jane Dickson) on 16 Jan 1879.
5. Hyram M. "Mitch" Hutton m (~1855)
6. Celia Ellen Almina Hutton married Judge Shrupe. She took care of Lillie until Joh Wesley remarried.
7. Abraham Jones Hutton-26 Nov 1862 - lived to be over 100 years old
8. Louisa Elizabeth "Betty" Hutton (11 Dec 1860) m. William Welsey Hutton (s/o Dicy Jane and John Hutton)
9. Albert Franklin Hutton (16 Nov 1862) - a very tall man, lived on Nick's Creek in Smyth Co
10. Mary "Polly" Hutton Haulsee Roland

SO, who are William Hutton and Mary Cunningham? The search goes on, but i am glad George Washington hutton might have parents for Christmas!!!!

Love, Diane

Merry Christmas, dear Friends and Cousins,

I wish all of you the merriest of Christmas and the gift of warm and love filled family gatherings. Our Christmas wish for you is that you enjoy peace and love in your life this coming year.

For those of us who have been searching forever for George Washington Hutton's family history, I may have some wonderful news. I first must disclaim that I have not checked out any of this with proofs or sources, so we have a little work ahead of us, but it looks like it might be fun and fruitful!!!!

A Mildred MacCorkle Watkins was granted DAR membership (DAR ID Number 72775 and maybe also No. 42603) with this line, among others:

C

1. William Hutton (1755-1781) served as private and matross in Captain Dandridge's company, first Regiment of artillery, Continental troops, under Col. Charles Harrison, 1777. He was born in Ireland, died in Kentucky.

Also James Cunningham (1750-1857- looks like 107 years old!) (may be Mary's father??) was placed on the pension roll of McMinn County Tenn in
1833, for service as a private, Virginia Line. He was born in Augusta Co, VA, died in Tennessee.

William Hutton married Martha Gilmore in 1775. they had at least one child (is all I know of):

2. William Hutton, Jr. (1777-1837) who married
   Mary "Polly" Cunningham (1790-1846) married in 1807.
   their children:

   3. James Cunningham Hutton (b 27 Mar 1808-1888)
      m. Nancy Montgomery (1809-1849) in 1831
      4. Mary Virginia Hutton (1842-1917) m.
         Dr. Alfred Leyburn McCorkle in
         1860, Lexington Va.
   3. William Gilmore hutton (21 april 1810)
   3. Alexander Paxton Hutton (1 Jan 1816)
   3. Jacob Wilson Hutton (8 Dec 1818)
   3. Samuel McKee Hutton (23 Oct 1821)
   3. GEORGE WASHINGTON HUTTON (18 Jan 1825, died

This is Arthur Hutton (s/o James and Isabel Orr) who married Eleanor Snodgrass (d/o Joseph and Ann Hatton Snodgrass). Arthur was born 17 Jan 1800. Death date is correct. Ellen (Eleanor) was his first cousin (AnnHatton m Joseph Snodgrass is a sister to James Hatton, both c/o John and Jane Dickson Hatton) On 21 Jan 1823, Arthur was named guardian of his two little sisters, Rachel(who will marry Arthur McCall on 4 No 1828) and Sally Hutton (never married). Surety was given by Joseph Snodgrass. Don't know what he died of for sure.

This is quite curious, actually. From the file on ancestry. com for Washington Co Deaths, 1853-1885. I have the printout that says Ann Hutton w/f died on 23 Jul 1866, 52 years, shot herself. BUT, it says she was the daughter of Hugh and Jane Scott! Although we are having trouble locating her, I have not seen a Hugh and Jane Hutton in early Washington Co, Va Could the not married reference mean she was a widow (common in 1866) or was divorced (shot herself)?

This is Arthur Hutton (s/o James and Isabel Orr) who married
Eleanor Snodgrass (d/o Joseph and Ann Hutton Snodgrass).
Arthur was born 17 Jan 1800. Death date is correct. Ellen
(Eleanor) was his first cousin (Ann Hutton m. Joseph Snodgrass is
a sister to James Hutton, both s/o John and Jane Dickson Hutton)
On 21 Jan 1823, Arthur was married question of his two little
sisters. Reconstructing will marry Arthur McCall on 4 Mo 1823)
and Sally Hutton (never married). Sally was given by Joseph
Snodgrass. Don't know what he died of for sure.

This one I am not sure of right now, but there are a few Williams left. I need to research him. He was born in 1835. I have this death record, but it says, parents not given. Will get back on this one.

Yes, you are correct. the lawyer and later judge Francis Beatie Hutton (Frank) married Jennie O. Preston on \22 Dec 1880. Frank was the son of Dr. ARthur Dixon Hutton and his his Sarah Elizabeth Buchanan Ryburn. This Arthur was the s/o Edward and Sarah Porterfield Hutton. Edward was the s/o John and Jane Dickson Hutton) This unnamed child was the second child of Frank and Jennie Hutton. (3 April 1884 - 7 April 1884 - four days old. She is buried in Old Glade Spring Cem.) Frank and jennie had five other children.

This is the one I am smiling about! William was born about 1813 to Leonard and Martha McCall Hutton (my direct ancestors). He married Eliza Hill about 1834 and is the father of William Leonard Hutton who married Dorcus Perdue (d/o Robert and Dorcus Perdue)in 1858. I have to work on this family a bit more. :)

Amanda Hutton is the d/o Arthur and Eleanor Snodgrass Hutton. Arthur Dixcon Hutton is the son of James and Isabel Orr. Amanda Mary Hutton was born bet 1829-1832. She married Calohill Mines Wade on 22 Aug 1861. I don't know if they had children.

Yes, you are correct, the lawyer and later judge Francis Bemis
Hutton (Frank) married Jennie O. Preston on 22 Dec 1880.
Frank was the son of D. Arthur Dixon Hutton and his first wife
Elizabeth Buchanan Pratt. This Arthur was the son Edward and
Sarah Porterfield Hutton. Edward was the s/o John and Jane

and Jennie Hutton. (3 April 1884 - 7 April 1884 - four days old.

This is the one I am arguing about! William was born about 1873
to Leonard and Martha McCall Hutton (my direct ancestors). He
married Eliza Hill about 1894 and is the father of William
Leonard Hutton who married Dorcas Pardue (d/o Robert and Dorcas
Pardue) in 1928. I have to work on this family a bit more. :)

I have worked out who this is now. My Leonard Hutton married Martha McCall and one of his 15 children was William hutton who married Eliza Hill in 1834. William and Eliza had William Leonard Hutton(1835) who married Dorcas Perdue (1831, d/o Robert and Dorcas Perdue) in 1858. This is who the above W.L. Hutten is. It is curious that consumption seems to be the bane of the Leonard Hutton line. As I understand it consumption is akin to pneumonia or lung congestion? Or lung cancer? Lungs? Actually I don't know what it is!!

Children of Leonard Hutton:
1. John Hutton (b1793)m. Unknown - died of "fitts and drowning"
2. Martha Hutton m. Nathaniel Jones - don't have death info
3. James Hutton (1804)m. Elizabeth Phillips - don't have death info
4. Dixon Hutton (1811) - died of pneumonia at age 52
5. Edward Hutton (1812) - my direct ancestor, died at 81 unknown disease
6. William Hutton (1813) - died of consumption at age 64
7. Robert Hutton (1814) - m Polly Copenhaver - died of consumption at 41
8. David Hutton (1819) - m. Sarah Rice - no death info
9. Sally Hutton (1822) m. Michael Carmony - no death info
10. Abraham Hutton (1824) m. Mary Slemp - no death info
11. Leonard Hutton (1825 m. Elizabeth Unk - no death info
12. Elizabeth Hutton (1829) never married - no death info
13. Mahlon Hutton (1830) m. Eliz Carmony - died of typhoid fever at 40

L.L. Hutton - Inventory Personal Estate recorded 15 Mar 1919 - also Administrator Settlement - recorded 2 June 1922
1825
94

There were at least three other females born early from Martha McCall. Leonard remarried in 1818 to Nancy Baugh.
Actually, i would like to ask someone for a favor! If anyone has access to death records (Smyth County) and can find these people. I would sure like to know how and when they died.

Thanks and STAY WARM! PS We are having flurries now - after two big snowstorms! Thank the Lord for snow blowers!

Dear Hutton cousins,

First, I want to apologise for not staying in touch. I was overnight in the hospital last week, I turned 50 on Valentine's Day and had a big "surprise" party and now my Dad is with me and I am taking care of him for a while. He can't walk, but he can tell some great stories (Irish, you know!) and my 14 year old son and I LOVE having him here! Also, last week, at the Middle School Social Studies Fair, my son won BEST in Fair!!!! He will go on to the NY State competition! <SMILE> Anyway, enough of the personal stuff from me.

New members Arnold and Beth are studying the Edward and Francis Hayter Hutton connection. They recently put an ad in the Historical Society of Washington County newsletter and Donna Jean alerted me to it. their address is - arnoldbeth@worldnet.att.net

New member Bill Morgan is from the line of John and Sarah Hatton Scott, Sarah being the daughter of James and Sarah Hatton, brother to John and Jane Dickson Hutton. Bill's address is billinkc@planetkc.com

Arnold and Beth and Bill, all we ask is that if you have anything to post, please share it with the whole group. I know that this group has been quiet lately, but things will change soon.

If I promised you my work on George Washington Hutton and Frederick Slemp, it is still in the works. Everything is typed and now I just have to have it copied and mailed out.

Since our new members have Edward Hatton (~1705 to ~1779) in common, I will send out again his will in Pennsylvania. Edward Hatton (and most probably his wife Eleanor) is the parent of John (and Jane Dickson) and James (and Sarah) Hatton - the two brothers that came down the Great Wagon Road from Pa to SW VA and settled in Washington County, Va. after the Rev War.

Dear friends,

Now it is starting to fall into place for me and I am crossing my fingers that our John Hutton who married Eliz McDaniels in Wythe Co, Va in 12 Sept 1815 may finally reveal his parents for us!!!!

John Hutton (1736-1809) and Jane Dickson (~1742-?) married, probably before 1761, prob in York Co, PA and had 10 children. They are found in Washington County, Va in the late 1780s (will check on the deeds and Taxable lists for exact dates). John and Jane Hutton had Edward Hutton (13 August 1772 prob in York Co, PA) who married first to Francis Hayter (d/o Abraham and Susannah Hayter) on 8 Sept 1791 in Wash Co, Va by Nicholas Reagan (Marriages of Washington Co, Va 1781-1853 by DEBrown, 1993)Francis Hayter Hutton is said to have died circa 1811 (no proof) Edward Hutton married second to Sarah Porterfield (d/o John and Elizabeth Kincannon Brooks Porterfield) on 25 Sept 1824 by Alexander MacEwen (DEBrown, ibid).Sarah died 8 Jul 1839 and Edward died 8Oct 1839 (High on a Windy Hill and Wash Co Will Book #8, page 122, dated 30 July 1839)

The children of Francis and Edward Hutton included Susannah Hutton, born 14 Feb 1793 - probably the first or second born child. She was married to William Bishop (b 19 June 1794, died~1864) on 26 Sept 1816 in WashingtonCo, Va. William Bishop and Susannah his wife sold 99 acres to Jonathan Leech in 1835 (wash Co Deed Book 12:218) The east part of Washington Co became part of Smyth county in April 1832.

William and Susannah Bishop are mentioned in the 1850 Boone Co, Indiana Census (with several other Huttons in our line!) He was a farmer. They both are said to be buried in Hutton memorial Cemetery in Boone Co, Ind., formerly called Pleasant View Cemetery in Union Township.
Children:

1. Edward Bishop married Emily King on 5 Dec 1841 in Boone co, Indiana.

2, Susannah Bishop (22 Oct 1828 or 1826) married Henry T. Dodson on 18 Oct 1849. She died 28 Aug 1896.

3. Elias Bishop (22 Feb 1830-26 Dec 1904) a farmer married on 17 Oct 1849 to Susan St. Clair. Listed in the 1850 Boone Co, Indiana

Dear friends,

Now it is starting to fall into place for me and I am creating my lineage that our John Hutton who married Elizabeth McDaniels in Wythe Co, Va in 12 Sept 1815 may finally reveal his parents for us!!!

John Hutton (1735-1809) and Jane Dickson (~1742-?) married, probably before 1761, prob in York Co, PA and had 10 children. They are found in Washington County, Va in the late 1780s (will check on the death and Tax data for exact dates). John and Jane Hutton had Edward Hutton (13 August 1772 prob in York Co, PA) who married first to Francis Hayter (d/o Abraham and Susannah Hayter) on 8 Sept 1791 in Wythe Co, Va by Nicholas Fergson (Marriages of Washington Co, Va 1781-1852 by DEBrown, 1989). Francis Hayter Hutton is said to have died circa 1811 (no proof). Edward Hutton married second to Susan Prohenfield (d/o John and Elizabeth Kingsmore) Brooks Prohenfield) on 25 Sept 1824 by Alexander MacEwen (DEBrown, ibid) Search dated 3 Jul 1839 and Edward died BOot 1839 (Sgt on a Widow Pen and Wash Co Will Book 8B, page 122, dated 30 July 1839)

The children of Francis and Edward Hutton included Susannah Hutton, born 14 Feb 1791 - probably the first or second born child. She was married to William Bishop (b 19 June 1794, died~1864) on 28 Sept 1815 in Washington Co, Va. William Bishop and Susannah his wife sold 88 acres to Jonathan Lason in 1835 (Wash Co Deed Book 12:218). The east part of Washington Co became part of Smyth county in April 1832.

William and Susannah Bishop are mentioned in the 1850 Boone Co, Indiana Census (with several other Huttons in our line). He was a farmer. They both are said to be buried in Hutton memorial Cemetery in Boone Co, Ind., formerly called Pleasant View Cemetery in Union Township.
Children:

1. Edward Bishop married Emily King on 5 Dec 1841 in Boone co, Indiana.

2. Susannah Bishop (22 Oct 1828 or 1830) married Henry T. Dodson on 18 Oct 1849. She died 28 Aug 1898.

3. Elias Bishop (22 Feb 1830-28 Dec 1904) a farmer married on 17 Oct 1849 to Susan St. Clair. Listed in the 1850 Boone Co, Indiana

Census. Elias married second to Amanda C. King (13 June 1841 in La Porte City, Iowa). Amanda was the d/o Stephen and Ellen King. She died 14 Nov 1931 of burns she received while trying to light a stove. Amanda and Elias wer married in 1862 and 16 years later moved from Iowa to Kansas. they had five children (don't know their names but would like to!) and Susan and Elias were said to have one child.

Francis Hayter and Edward Hutton did have a chld named John that may have been born about 1795. On 11 Dec 1817, he married Catherine Phillips (we would love more info on her also!) in Washington Co, Va by John Jones, Jr (DEBrown Marriages of Wash Co, Va). they migrated to Missouri. This is Dee Mathews line and also I believe Kisha's? NOW, is it possible that this John Hutton was married previously to Elizabeth McDaniels in 1815? Do you have a record of her death in Wythe or Washington Co? Or any record of her living? This would tie everything up in a neat little bundle so of course it is not probably correct!

For our Beatie/Ryburn cousins that I have cc, Arthur and Francis Hutton are the half brothers of Susannah Hutton Bishop, thorugh their common father, Edward Hutton. Also Steve, Mary Polly Hutton who married Samuel Ryburn Buchanan is a full sister of this Susannah Hutton Bishop.

I also have Wolfes in my line (does Philip Wolf move to Barren Co, KY area?) and the McRannolds name may related to McReynolds or McRandle that married John and Jane Dickson Hutton's sister Ann Hutton circa 1760 in York Co Pa.

Can anyone add anything helpful!???

Cordelia. Ellis married second to Amanda C. King (13 June 1841 in La Porte City, Iowa). Amanda was the d/o Stephen and Ellen King. She died 14 May 1931 of burns she received while trying to light a stove. Amanda and Ellis was married in 1860 and 10 years later moved from Iowa to Kansas. Francis Hayley and Edward Hutton did have a child named John that may have been born about 1750. On 11 Dec 1817, he married Catherine Phillips (no would love more info on her also) in Washington Co, Va by John Jones, Jr (DEBrown Marriages of Wash Co, Va). They migrated to Missouri. This is Des Mathews line and also I believe Kitty's? MOW, is it possible that this John Hutton was married previously to Elizabeth McDonnell in 1789? Do you have a record of her death in Wythe or Washington Co? Or any record of her living? This would be everything up in a neat little bundle so of course it is not probably correct!

For our Bradley/Bynum cousins that I have so, Arthur and Francis Hutton are the half brothers of Susannah Hutton Bishop, through their common father, Edward Hutton. Also Steve, Mary Polly Hutton who married Samuel Bynum Bustamen is a full sister of this Susannah Hutton Bishop

I also have Wolfe in my line (does Polly Wolf move to Franklin Co, KY area?) and the McDonnels name may related to McKeyvolds or McRandle that married John and Jane Dickson Hutton's sister Ann Hutton circa 1760 in York Co Pa.

Can anyone add anything help/info???

Hi Diane & all,

More proof that Ann Jane was the daughter of Hugh & Jane (ORR) SCOTT – John & Ann Jane's son was named Samuel O. HUTTON, who most likely was named Samuel Orr HUTTON after his grandfather Samuel SCOTT and after his grandmother Jane (ORR) SCOTT. Also John HUTTON's daughter, Sarah V. married Wm. R. JOHNSTON. See Chancery Court case below.

1850 Census of Washington Co., VA:
HUTTON, dwelling # 350
John, (44), farmer, $2,500
Anney, (33)
Sarah V., (12).
(John & Ann Jane HUTTON were living on/near Baker Creek in the 1850 census as Margaret (HUTTON) SNODGRASS who was living on Baker Creek was head of household in dwelling #346).

1860 Census of Washington Co., VA:
HUTTON, dwelling # 775

Ann, (43), housekeeper
Amanda, (5)
Samuel, (3)
SCOTT, Jane, (77), born in PA
CRAWFORD, O. Scott, (14).
(James & Eliza (McSPADDEN) ORR of Cedarville were in dwelling #776. John & Ann Jane (SCOTT) HUTTON were probably living on the old Hugh SCOTT property that John had bought from Hugh's heirs).

1860 Agricultural Census (Schedule 4) of Washington Co., VA:

Glade Spring. 150 improved acres, 180 unimproved acres, 111 bushels of wheat, 400 bushels of Indian corn, 60 bushels of oats, 40 pounds of wool, 15 bushels of Irish potatoes, 300 pounds of butter, 10 tons of hay, value of homemade manufacturers $25.00, value of animals slaughtered $225.00.

Dear Donna Jean and cousins,

I hope every one is enjoying the spring sunshine. Regarding your posting of yesterday, Donna Jean, this is a message on this couple that you sent in October 1999.

Also, I found this bit of info: From SELECTED IMPLIED MARRIAGES FROM WASHINGTON COUNTY, VA RECORDS by Jack Hockett that was in the Holston Pathfinder #54:21

3 Sept 1847 - John Hutton to Jane,heir of Hugh Scott, Washington Co Deed Book 19:127-128.

Also, I have this possible John Hutton that MAY BE our John under discussion:

1. John and Jane Dickson Hutton had 10 children, including a son, John Hutton, Jr. John Hutton, Jr. (b~1767) married Mary Ann Cunningham and had at least six children, including John Hutton, Jr (actually the third) who was born about 1800. John Hutton, Jr. married Susannah Hutton either on 29 August 1822 by Alexander MacEwen or on 28 August 1824 by Alexander MacEwen. There is another John Hutton who married a Susannah and moved to Kentucky, so I am not sure which date is correct for which John and Susannah. At any rate,I have no information on this John and Susannah - perhaps she died early after the birth of Sarah V. who is twelve in 1850 (making her born about 1838) and he married second to Ann Jane Scott in 1847. The much younger children (Amanda 5 and Samuel 3 when Sarah V was 22 in 1860)
could be from this second marriage. John Hutton , Jr (the III) had a brother Samuel Hutton and the names John, Samuel, Orr, repeat in this family also. This is Sandy Brannon's line. More research on this John Hutton is indicated.

The said SCOTT's interest in the tract of land on which she resides, containing 231 acres [also 232 acres in various deeds], being the land which Hugh SCOTT died seized & possessed - - to - - Granville SCOTT for $98.00. John HUTTON (44), a farmer, & wife(?) Anney (33), and Sarah V. HUTTON (12) were living next to or near Arthur McCALL, Jonathan LEECH, the ALLISONs, and others that were living in the Baker Creek area. John HUTTON had probably not yet secured title to enough of Hugh SCOTT's 231 acre estate near Emory & Henry College to have been able to move onto the property by 1850.

1860 census of Washington Co., VA, dwelling # 775, page 109.
A Jane SCOTT, 77 years old (therefore born about 1782/1783) and born in PA was living in the household of John HUTTON (51), along with Ann (43), Amanda, Samuel, and O[bediah] Scott CRAWFORD (14). The next family on the census page was that of James & Eliza Hope (McSPADDEN) ORR, on a tract that was later called the ASTON property that was located on old highway 11 & road 735, west of Cedar Creek. Therefore, the above John & Ann HUTTON were most likely living on at least part of the old Hugh SCOTT tract.

Dear Dee,

Congratulations on your DAR, Dee! I am so happy for you! I know that was a lot of work!

About the John Hutton that was a son of James Hutton (s/o John and Jane Dickson, h/o Isabel Orr) - this can not be him. THAT John Hutton also married a Susannah, but he moved to Kentucky circa 1833.

ANDERSON CO KY 1850 Census
John (52, born in Va, farmer)
Susannah (54, born in Va)
James (26, born in Va)
Martha (21, born in Va)
Samuel (18, born in Va)
Elizabeth (16, born in KY)
Amanda (14,born in KY)
William(12, born in KY)
Arthur (9, born in KY)

He is ruled out as our John and Anny in the 1850 Wash Co Census.

The John Hutton and Rebecca Evitt marriage and the Rebecca Hutton, consort of John Hutton stone in HOWH are still puzzles. In her will dated 30 April 1841, Mary Ann Cunningham Hutton (wife of John Hutton, Jr) mentions her "daus. Elizabeth Scott, Susanna Hutton, wife of John, and Mary Ann Hayter...." So we know Susannah was still his wife in 1841, so a marriage to Rebecca Evitt in 1837 is not likely. Although, Rebecca Hutton (consort of John Hutton) was buried in between John Hutton, Jr. and his wife Mary Ann Cunningham Hutton.

It appears very likely to me that John Hutton (III) was married at least twice. I agree with you about Sarah V being the chld of the firwst marriage. Perhaps John Hutton was made her guardian when her mother Susannah died.

Would everyone dig out their resources and help us figure out this John!

Thanks, Diane Costello

Dear Dee,

Congratulations on your DAR. Dee! I am so happy for you! I know that was a lot of work!

Above the John Hutton that was a son of James Hutton (and John and Jane Duncan, his lawful Ch) - this can not be true. THAT John Hutton also married a Susannah, but he moved to Kentucky circa 1833.

ANDERSON COUNTY 1850 Census
John (62, born in Va. farmer)
Susannah (54, born in Va)
James (26, born in Va)
Martha (21, born in Va)
Samuel (18, born in Va)
Elizabeth (16, born in KY)
Amanda (14, born in KY)
William (12, born in KY)
Arthur (9, born in KY)

He is buried out on our John and Amy in the 1850 Wash Co Census.

The John Hutton and Rebecca Ewitt marriage and the Rebecca Hutton consent of John Hutton either in NCWH are still puzzles. In her will dated 30 April 1841, Mary Ann Cunningham Hutton (wife of John Hutton, Jr) mentions her "daus. Elizabeth Scott, Susanna Hutton, wife of John, and Mary Ann Hayter..." So we know Susannah was still his wife in 1841, so a marriage to Rebecca Ewitt in 1837 is not likely. Although, Rebecca Hutton (consort of John Hutton) was buried in between John Hutton, Jr. and his wife Mary Ann Cunningham Hutton.

It appears very likely to me that John Hutton (B) was married at least twice. I agree with you about Sarah V being the child of the first marriage. Perhaps John Hutton was made her guardian when her mother Susannah died.

Would everyone dig out their resources and help us figure out this John!

Thanks, Diane Coselello

Dear friends and cousins,

I have done some re thinking on this branch and would like to put before the group a conjecture on them for discussion and research. If you are not interested in this branch of Huttons, please let me know and I will delete your name if you want.

John and Jane Dickson Hutton came down the Great Wagon Road from York Co (now Adams Co) PA with their (at least) 10 children. One of their sons was John Hutton,Sr. who was said to have been born 5 Dec 1767 in York Co, PA (source is a Hatton Bible that was left to the family of Mary Hatton Simmonds, sister to the first John. I have not seen this Bible and recent efforts to locate it have not been successful. The Bible is referred to in The Simmons Family and related lines of Hutton, etc.

John Hutton Sr. married Mary Ann Cunningham in Washington Co, VA on 8 Sept 1791 by Nicholas Reagan, Minister. Mary Ann was the d/o William Cunningham and Susan Wood, Mary Ann ~1772-1847. and John (5 Dec 1767-8 Nov 1838 in Washington Co, VA. Both are buried in Old Glade Spring Presb. Church Cem. Children I have for John and Mary Ann Cunningham Hutton are:

1. John Hutton (b~1801, died before 1872)
2. Elizabeth Hutton m. William Scott, Jr on 28 Feb 1826
3. Jane Hutton (blind)
4. Margaret Hutton (15 Oct 1806-20 Sept 1890) m. Orr Grinstead
5. Samuel Hutton m. Isabelle
6. Susannah Hutton m. John Hutton
7. Mary Ann Hutton m. Hayter

CENSUS

5. Samuel Hutton m. Isabella
6. Susannah Hutton m. John Hutton
7. Mary Ann Hutton m. Hayter

CENSUS
1810 Census - Washington Co

Shows John as a male between 26-45 (John would be about 40)
Males: one list 16-20 (?), one under 10 (John Jr. 8). Females: one between 26-45 (Mary Ann would be~36), four under 10 (maybe Jane, Susannah, Margaret (4) and Elizabeth)

1820 Census - Washington Co

Shows John as male over 45 (John is ~53). Males: two under 10 (Samuel,8 and ?). Females: one over 45 (Mary Ann, 44), three between 16-26 (maybe Jane, Elizabeth and Susannah) and two between 10-16 (maybe

Margaret 14, and Mary Ann).

1830 Census - Washington Co

Shows John, male between 60-70 (John is ~63). Males: one bet 20-30 (John, 28) and one bet 15-20 (Samuel, 18). Females: one 50-60 (Mary Ann 58) one 30-40 (maybe Jane?), one bet 20-30 (maybe Margaret 24) and one bet 15-20 (maybe Mary Ann?)

1840 Census - Washington Co, p220

Shows Marian (probably bet 60-70 (Mary Ann is 68). There are several younger people in this household and she may be head of household widowed with some of her children's family living with her. I am not certain that this is even our Mary Ann. Her blind daughter Jane would be living with her. Samuel and his family are listed on this page, as well as other Huttons Arthur, and Moses. Mary Ann Hutton married a Hayter and should be in the 1840 census; Susannah married John Hutton (son of James and Isabel Orr) and moved to Anderson Co, KY; Elizabeth should be listed with her husband William Scott, Jr.; Margaret married Orr Grinstead, but I don't have a marriage or census info on her; John Hutton, her possible first born may be living with her as a widower with his two year old daughter Sarah V. Hutton. Here is my conjecture on this Census:

Marian is bet 60-70 (Mary Ann is 68. Males: one bet 15-20 (?), one bet 30-40 (John, 38). Other females: one bet 30-40 (maybe Margaret, 34) two bet 20-30 (Maybe one is Jane?)one bet 10-15 (?) and one under 10 (John's daughter, Sarah V, 2)

Of course these names and ages are conjecture for the most part. Does anyone have dates or deeds or wills that might help us be more specific?

5 Sept 1847 - John Hutton to Jane, her of Hugh Scott (Washington Co Deed Book #18: 127-8)

My note: 3 is my conjecture that John Hutton, eldest known son of John Hutton, Sr and Mary Ann Cunningham Hutton, married Rebecca Ewit in Jan of 1827. One child that is known would be Sarah V. Hutton, born about 1829. Rebecca died in 1829 and John lived with his mother, Mary Ann Cunningham Hutton until her death in 1847; at which time he remarried to Jane Ann Scott about 1847?

I do not have marriage records for
Elizabeth Hutton and William Scott, Jr

Margaret Hutton and Orr Grinstead
Samuel C. Hutton and Isabelle (she may be a Snodgrass or a Hutton)
Mary Ann Hutton and a Hayter.

I believe their daughter Susannah married John Hutton, Jr (son of James and Isabel Orr Hutton) - they migrated to Anderson Co, KY about 1833. There are two marriage records for a John hutton and Susannah Hutton which had initially mislead me. I now believe that this is a duplicate entry or mistake in transcribing.

Would someone be able to look up the above marriage records.

HUTTONS IN HIGH ON A WINDY HILL: (from this branch)

In the page I have from HOWH, the first group of graves belong to the branch of Moses Hutton and include his, his wife Jane's, two young children Moses L., and Mary, Eleanor (possibly his mother) and Nancy J, possibly his second wife.

The next graves listed in order are:
Rebecca M. Hutton Consort of John Hutton, d 30 Dec 1839, age 3(?)y
Mary Ann Hutton, d 1 Jan 1819, age 76y (?) m 8d
(This is a mistake, as per her will. Corrected to 1 Jan 1847)
John Hutton, died 8 Nov 1838, age 70y 11m 3d

many records later is William A. H. Hutton who is the s/o Samuel C. Hutton and Isabelle, Samuel being the second known son of John and Mary Ann Cunningham hutton. William A. H. Hutton - 4 Feb 1848-20 Feb 1888 - He was a WBTS vet and I believe he did not marry.

Also GRINSTEAD, Mrs. Margaret 15 Oct 1806 - 20 Sept 1890

Would someone with this book be able to look up Elizabeth Scott (Mrs. William Scott, Jr); Samuel Hutton and his wife Isabelle; and Mary Ann Hayter. Also, John Hutton, Jr and Ann Jane Scott his wife.

Other information:

from WASHINGTON COUNTY DEATH RECORDS 1886-1896: 20 Sept 1890 - Margaret Grinstead, age 84 cause: "beating in the head" in Washsington Co. Va. I believe I saw her in a census living along, but cannot find that reference at the present.

SAMUEL C. HUTTON - I have good research on this branch which I will send in the next part. this is the line of Sandy Brannon - HI SANDY!

Would everyone check their resources and add anything they can to this research.

Thank you kindly, Diane

[We seem to be dealing with two John HUTTON's in the above deed.
John HUTTON [& Ann(?) his wife], were buying 3 claims of Hugh
SCOTT's 232 acre estate. One of those claims had at one time been the
claim of the 2nd John HUTTON's wife Jane Also, as Hugh SCOTT's wife
was named Jane, Hugh & Jane probably would have wanted to name one
of their children Jane]. >>

In retrospect – we now know that the full name of Jane SCOTT, d/o Hugh SCOTT was Ann Jane SCOTT – therefore there may only be one John HUTTON associated with the above deed – the same John HUTTON being both the buyer of the claims to the 232 acres and also being the husband of Ann Jane SCOTT. The reason behind this possibility is that Hugh SCOTT had 13 children and all 13 were his heirs that were in some way conveying their 1/13 shares of his 232 acre tract. Some of these conveyances do not seem to be recorded. We also know that Ann Jane SCOTT's husband John HUTTON bought back the various 1/13th shares of the tract – so – Ann Jane SCOTT may have at one time sold her 1/13 share (perhaps prior to her marriage to John HUTTON) and Ann Jane's brother, Granville SCOTT at a later date, ended up with Ann Jane's 1/13th share – which he later conveyed back (in the deed above) to Ann Jane and her husband John HUTTON.

<< Also, I have this possible John Hutton that MAY BE our John under discussion: John and Jane Dickson Hutton had 10 children, including a son, John Hutton, Jr. John Hutton, Jr. (b~1767) married Mary Ann Cunningham and had at least six children, including John Hutton, Jr (actually the third) who was born about 1800. The much younger children (Amanda 5 and Samuel 3 when Sarah V was 22 in 1860) could be from this second marriage. John Hutton , Jr (the III) had a brother Samuel Hutton and the names John, Samuel, Orr, repeat in this family also. This is Sandy Brannon's line. More research on this John Hutton is indicated. >>

One could be a little suspicious of the two marriage dates:
29 Aug 1822 - John HUTTON, Jr. to Susannah HUTTON.
28 Aug 1824 - John HUTTON to Susannah HUTTON.
Both were marriages by Alex. McEWEN in Washington Co., VA.
This could be just one marriage instead of two if one of the dates was mis-interpreted. The 1850 census has the John HUTTON who was the husband of Ann Jane as age 44 (born between 01 Jun 1805 & 31 May 1806) and in the 1860 census as age 51 (born between 01 Jun 1808 & 31 May 1809) – if he had married on 28 Aug 1824, he would have been no older than 19 years & 3 months when he got married. Normally (but not always), the males married at least a little older.

And the moiety or part lying east of the line aforesaid with its appurtenances, I give to my son John HUTTON and his heirs forever, provided and upon condition that he shall pay to his sister Jane HUTTON (who is blind) towards maintaining her twenty dollars per annum annually during her life. IF Mary Ann's son John HUTTON was living with her in 1840, then perhaps the female under 5 years old living in Mary Ann's household was John's daughter. The John HUTTON who married Rebecca EVITT on 05 Jan 1837 was not a head of household in the 1840 census].

If the above age of the James HUTTON (who was 26 in 1850 in Anderson Co., KY) is correct, then James parent's John & Susannah HUTTON must have been the couple that were married in Washington Co., VA on 29 Aug 1822 (not on 28 August 1824) – as James would have been born between 01 Jun 1823 and 31 May 1824 which is the official time frame covered by the 1850 census. Therefore John HUTTON, son of James & Isabelle (ORR) HUTTON married Susannah HUTTON on 29 Aug 1822 – and according to John A. McCALL, John HUTTON was born 11 Oct 1797 and died in Anderson Co., KY on 20 Nov 1871.

That the John HUTTON in Anderson Co., KY was the son of James and Isabelle (ORR) HUTTON can be proved by the following Washington Co., VA deeds:

A VA Land Grant dated 21 Dec 1792 was issued to John HUTTON (assignee of John KIRK) for 129 acres on both sides of Baker's Creek by virtue of a VA Land Office Treasury Warrant # 16521 dated 19 May 1883. A Survey was made 07 Feb 1783. [Source: VA Land Grants (1792-1793) Book 28:169-170]. John HUTTON & Jane his wife conveyed the above 129 acre tract - to - Leonard HUTTON on 18 Feb 1794 for five shillings. Leonard HUTTON & Martha his wife then conveyed the 129 acres - to - James HUTTON on 21 Mar 1797 for one dollar (5 weeks after the said James HUTTON married Isabelle ORR). After the death of James HUTTON, the 129 acres was split into two parts. James HUTTON's heirs (Arthur HUTTON & Eleanor his wife, John HUTTON & Susannah his wife, Isabelle HUTTON, Thomas HUTTON & Jane his wife, James HUTTON, Arthur McCALL & Rachel his wife, Joseph SNODGRASS & Eleanor his wife), sold 66 acres and 44 poles of the 129 acre tract - to - Arthur HUTTON on 10 Oct 1828. According to the above deed, the following deed grantors and heirs of James HUTTON, deceased, were living in Anderson Co., KY on 02 Sep 1843: Thomas McCALL, John HUTTON, James HUTTON, and Joseph SNODGRASS. A nearby tract containing 36 acres was included in this deed. [Source: Washington Co., VA Deed Book 16:305-307]. On 10 Nov 1828, the 2nd part of the 129 acre tract containing 59 & 1/4 acres (the upper eastern part of the 129 acres) was sold by Arthur HUTTON & Eleanor his wife, Thomas McCALL & Jane his wife, Isabelle HUTTON, James HUTTON, Arthur McCALL & Rachel his wife, Joseph SNODGRASS & Eleanor his wife, and Arthur HUTTON as guardian of Sarah HUTTON, a minor, "undersigned legatees and joint heirs to the estate of James HUTTON," all [in 1828] of Washington Co., VA - to - John HUTTON, Jr., also of Washington Co., VA. In another deed dated 22 Sep 1832, John HUTTON & Susannah his wife also conveyed their interest in the above 59 & 1/4 acre tract - to - Arthur HUTTON, all of Washington Co., VA. So it seems that John & Susannah were still in Washington Co., VA as of 22 Sep 1832. A nearby tract containing 15 acres was included in this deed. [Source: Washington Co., VA Deed Book 11:167-169].

John HUTTON (son of John & Idabelle (ORR) HUTTON) may have married Susannah HUTTON (d/o John & Mary Ann (CUNNINGHAM) HUTTON. See 20 Apr 1841 Washington Co., VA will of Mary Ann, where Mary Ann included the follow legacies: "... and it is my will and desire that all that remains of the proceeds of my personal estate or debts due to me or money on hand after payment of my just debts, funeral expenses, the legacies above mentioned and the expence of executing this will , shall be equally divided amongst my three DAUGHTERS, namely Elizabeth SCOTT, Susanna HUTTON wife of John HUTTON, and Mary Ann HAYTER ..." Hi Diane & all,

The following deed should pretty well complete the proof that John HUTTON, son of John & Mary Ann (CUNNINGHAM) HUTTON, was the John HUTTON that married Ann Jane SCOTT, d/o of Hugh & Jane (ORR) SCOTT. As John & Ann Jane (SCOTT) HUTTON were in the process of buying back all the 1/13th shares of Hugh SCOTT's estate tract of 232 acres from Hugh's heirs or later owners in the years 1847 through 1854, they must have made a decision to sell the Baker Creek tract that was willed to John by his mother, Mary Ann in her 1841 will. John & Ann Jane were living on Hugh SCOTT's old estate near Cedarville in the 1860 census.

26 Nov 1851 - John HUTTON and Jane his wife - to - Arthur HUTTON, all of Washington Co., VA, for $1,950.00, a tract containing 78 & 1/4 acres adjoining lands of said HUTTON, Jonathan LEACH, and the land that belonged to Orr GRINSTEAD, deceased.

Bounds: "Beginning at a white oak in a hollow, a corner designated in the last Will and Testament of Mary Ann HUTTON, deceased, between said John HUTTON and Margaret HUTTON, a corner to the land of Arthur HUTTON and with the lines of said Arthur HUTTON S63E 54 poles to a stake where three white oaks are called for, N31.15E 185 poles to a stake where two white oaks are called for on the patent line and a line to Jonathan LEACH's land and with said line N33W 75.5 poles to a locust stake on said line in a swamp, a division corner between said John HUTTON and said Margaret HUTTON who intermarried with Orr GRINSTEAD (now deceased) and with the division line S27.30W 222.5 poles to the beginning."

Signed: John HUTTON [Seal], Jane HUTTON [Seal]

Deed Admitted to record 17 Nov 1852.
[Source: Washington Co., VA Deed Book 21:212-213].

[The above tract was part of a 133 acre tract that John & Jane (DICKSON) HUTTON sold to their son John HUTTON [whose wife was Mary Ann CUNNINHAM] on 18 Feb 1794. The adjacent neighbors in 1794 were Edward HUTTON [son of John & Jane (DICKSON) HUTTON] on the west, David BEATIE on the south, and John & Jane (DICKSON) HUTTON on the east. The 133 acre tract was once part of Humphrey BAKER's 23 Nov 1785 Land Grant on Baker's Creek that John HATTON [HUTTON] bought from Humphrey BAKER].

Donna,

My Cunningham cousin's and I had discussed the possiblity that the Susanna Hutton who was mentioned in Mary Ann Cunningham Hutton's will could be her daugther and came to the conclussion that she was in fact the wife of John Hutton (III) who was the son of Mary Ann Cunningham Hutton.
It is possible that Mary Ann was so close to Susanna that she considered her a true daughter and that is why she is mentioned in her will. Until there is some proof to show that Susanna is Mary Ann Cunningham Hutton's daughter and not her daughter inlaw we (Cunningham descendants) will not list her as anything other then a daughter inlaw. John & Mary Ann Cunningham Hutton had 6 children, they were: John,
Margaret, Jane, Elizabeth, Mary Ann and Samuel. In John Hutton's (husband of Mary Ann Cunningham Hutton) will there was no mention of a daughter named Susanna and I believe we will find in the census and possibly other records that there was no Susanna listed as a child for John & Mary Ann Cunningham Hutton. What do you all think?

[There were no John HUTTON's in the 1840 census that were heads of household, but Mary Ann HUTTON in her 1841 will, bequeathed her 133 acre tract [on Baker Creek] as follows: "I give to my daughter Margaret HUTTON and to my son John HUTTON my plantation on which I now live containing [133] acres be the same more or less, (being the tract of land devised to me by my husband John HUTTON lately dec'd. to be divided between them equally by a line beginning at a white oak in a hollow on the south east side of the tract on a corner joining the lands belonging to the estate or heirs of Dickson HUTTON, dec'd, near to where a _____ open now stands and some [20 or 30] poles northward from where William SCOTT lives now) and running from said white oak corner, northward to the northern boundary of the tract, fixing the courses from said corner or beginning, so as with one line, to divide the tract into two equal quantities, or within a
fraction of being equal as to quantity. And the moiety or part lying east of the line aforesaid with its appurtenances, I give to my son John HUTTON and his heirs forever, provided and upon condition that he shall pay to his sister Jane HUTTON (who is blind) towards maintaining her twenty dollars per annum annually during her life. And the moiety or part lying west of the line aforesaid with its appurtenances, I give to my daughter Margaret HUTTON, and her heirs forever, provided and upon condition that she shall supply her sightless sister, Jane HUTTON, with what may be necessary for her decent and comfortable maintainences over and above what she is to receive from her brother John during her life (vis: whatever the amount to be paid by John falls short of supporting Jane is to be supplied by Margaret)."

IF Mary Ann's son John HUTTON was living with her in 1840, then perhaps the female under 5 years old living in Mary Ann's household was John's daughter. The John HUTTON who married Rebecca EVITT on 05 Jan 1837 was not a head of household in the 1840 census].

If the above age of the James HUTTON (who was 26 in 1850 in Anderson Co., KY) is correct, then James parent's John & Susannah HUTTON must have been the couple that were married in Washington Co., VA on 29 Aug 1822 (not on 28 August 1824) – as James would have been born between 01 Jun 1823 and 31 May 1824 which is the official time frame covered by the 1850 census. Therefore John HUTTON, son of James & Isabelle (ORR) HUTTON married Susannah HUTTON on 29 Aug 1822 – and according to John A. McCALL, John HUTTON was born 11 Oct 1797 and died in Anderson Co., KY on 20 Nov 1871.

That the John HUTTON in Anderson Co., KY was the son of James and Isabelle (ORR) HUTTON can be proved by the following Washington Co., VA deeds:

A VA Land Grant dated 21 Dec 1792 was issued to John HUTTON (assignee of John KIRK) for 129 acres on both sides of Baker's Creek by virtue of a VA Land Office Treasury Warrant # 16521 dated 19 May 1883. If this above age of the James HUTTON (who was 28 in 1820 in Anderson Co., KY) is correct, then James parents John & Susannah HUTTON must have been the people that were married in Washington Co., VA on 29 Aug 1822 (not on 28 August 1822) -- as James would have been born between 01 Jan 1822 and 31 May 1822 which is the exact time frame covered by the 1820 census. Therefore John HUTTON, son of James & Isabella (OIFF) HUTTON married Susannah HUTTON on 29 Aug 1822 - and according to John A. MCCALL, John HUTTON was born 11 Oct 1792 and died in Anderson Co., KY on 20 Nov 1871.

That the John HUTTON in Anderson Co., KY was the son of James and Isabella (OIFF) HUTTON can be proved by the following Washington Co., VA deeds:

A VA Land Grant dated 21 Oct 1782 was issued to John HUTTON (assignee of John KIRK) for 120 acres on both sides of Baker's Creek by virtue of a VA Land Office Treasury Warrant # 16321 dated 19 May 1782. A Survey was made 07 Feb 1782. [Source: VA Land Grants (1782-1783) Book 29 189-170]. John HUTTON & Jane his wife conveyed the above 120 acres over - to - Leonard HUTTON on 16 Feb 1794 for five shillings. Leonard HUTTON & Martha his wife then conveyed the 120

acres - to - James HUTTON on 21 Mar 1797 for one dollar (5 weeks after the said James HUTTON married Isabelle ORR). After the death of James HUTTON, the 129 acres was split into two parts. James HUTTON's heirs (Arthur HUTTON & Eleanor his wife, John HUTTON & Susannah his wife, Isabelle HUTTON, Thomas HUTTON & Jane his wife, James HUTTON, Arthur McCALL & Rachel his wife, Joseph SNODGRASS & Eleanor his wife), sold 66 acres and 44 poles of the 129 acre tract - to -
Arthur HUTTON on 10 Oct 1828. According to the above deed, the following deed grantors and heirs of James HUTTON, deceased, were living in Anderson Co., KY on 02 Sep 1843: Thomas McCALL, John HUTTON, James HUTTON, and Joseph SNODGRASS. A nearby tract containing 36 acres was included in this deed. [Source: Washington Co.,
VA Deed Book 16:305-307]. On 10 Nov 1828, the 2nd part of the 129 acre tract containing 59 & 1/4 acres (the upper eastern part of the 129
acres) was sold by Arthur HUTTON & Eleanor his wife, Thomas McCALL & Jane his wife, Isabelle HUTTON, James HUTTON, Arthur McCALL & Rachel his wife, Joseph SNODGRASS & Eleanor his wife, and Arthur HUTTON as guardian of Sarah HUTTON, a minor, "undersigned legatees and joint heirs to the estate of James HUTTON," all [in 1828] of Washington Co., VA - to - John HUTTON, Jr., also of Washington Co., VA. In another deed dated 22 Sep 1832, John HUTTON & Susannah his wife also conveyed their interest in the above 59 & 1/4 acre tract - to - Arthur HUTTON, all of Washington Co., VA. So it seems
that John & Susannah were still in Washington Co., VA as of 22 Sep 1832.
A nearby tract containing 15 acres was included in this deed.
[Source: Washington Co., VA Deed Book 11:167-169].

John HUTTON (son of John & Idabelle (ORR) HUTTON) may have married Susannah HUTTON (d/o John & Mary Ann (CUNNINGHAM) HUTTON. See 20 Apr 1841 Washington Co., VA will of Mary Ann, where Mary Ann included the follow legacies: "... and it is my will and
desire that all that remains of the proceeds of my personal estate or debts
due to me or money on hand after payment of my just debts, funeral expenses, the legacies above mentioned and the expence of executing this will , shall be equally divided amongst my three DAUGHTERS, namely Elizabeth SCOTT, Susanna HUTTON wife of John HUTTON, and Mary Ann HAYTER ..." acres - to - James HUTTON on 21 Mar 1797 for one dollar (5 weeks after the said James HUTTON married Isabelle ORR). After the death of James HUTTON, the 123 acres was split into two parts. James HUTTON's heirs (Arthur HUTTON & Eleanor his wife, John HUTTON & Susannah his wife, Isabelle HUTTON, Thomas HUTTON & Jane his wife, James HUTTON, Arthur McCALL & Rachel his wife, Joseph BIDDERBASS & Eleanor his wife), sold 38 acres and 44 poles of the 123 acre tract - to -

Arthur HUTTON on 10 Oct 1828. According to the above deed, the following deed gives and lists of James HUTTON, deceased, were living in Anderson Co., KY on 02 Sep 1843: Thomas McCALL, John HUTTON, James HUTTON, and Joseph BIDDERBASS. A nearby tract containing 39 acres was included in this deed. (Source: Washington Co., VA Deed Book 18:325-327). A nearby tract containing 15 acres was included in this deed. (Source: Washington Co., VA Deed Book 11:70-1828).

With all the misinformation floating around dealing with genealogy and family research, one is wise to look closely at any of the material and try to find answers to any questions about the correctness of that material. On the other hand, taking a fact (as what is written in a will) and applying a deviation to that fact needs to have other facts or material sufficient to prove the deviation is credible.

We feel Mary Ann (CUNNINGHAM) HUTTON's will named her daughter Susannah HUTTON and not a daughter-in-law Susannah HUTTON.

Note that Mary Ann's will is a very good example of a will that is very detailed including specifically mentioning my daughter, my son, etc., many times throughout the will. But – when Mary Ann put the following in her will: "... shall be equally divided amongst my three daughters, namely Elizabeth SCOTT, Susannah HUTTON wife of John HUTTON, and Mary Ann HAYTER," – Mary Ann had "my three daughters ... Susannah HUTTON," (not my daughter-in-law), and Mary Ann had "Susannah HUTTON wife of John HUTTON," not "Susannah HUTTON wife of my son John HUTTON." If Mary Ann would have meant (my daughter-in-law Susannah HUTTON, wife of my son John HUTTON), this would have been the only time Mary Ann was not specific in some way about whom she was referring to.

In the name of God Amen, I Mary Ann HUTTON, of the county of Washington and State of Virginia, being sick and weak in body but (as I trust) in the enjoyment of my common mind and reason for which I thank God, and of disposing memory, and calling to mind the uncertainty of human life, and being desirous to dispose of all such worldly estate as it hath pleased God to bless me with to hereby make this my last will and testament in manner and from following to wit:

With all the misinformation floating around dealing with genealogy and family research, one is wise to look closely at any of the material and try to find answers to any questions about the correctness of that material. On the other hand, taking a text (as what is written in a will) and applying a definition to that text needs to have other facts or material sufficient to prove the definition is credible.

We feel Mary Ann (GUNNINGHAM) HUTTON's will named her daughter Susannah HUTTON and not a daughter-in-law Susannah HUTTON.

Note that Mary Ann's will is a very good example of a will that is very detailed including specifically mentioning my daughter, my son, etc., many times throughout the will. But – when Mary Ann put the following in her will: "... shall be equally divided amongst my three daughters, namely Elizabeth SCOTT, Susannah HUTTON wife of John HUTTON, and Mary Ann HAYTER" – Mary Ann had "my three daughters ... Susannah HUTTON" (not my daughter-in-law), and Mary Ann had "Susannah HUTTON wife of John HUTTON" not "Susannah HUTTON wife of my son John HUTTON". If Mary Ann would have meant (my daughter-in-law) Susannah HUTTON, wife of my son John HUTTON, she would have been the only time Mary Ann was not specific in some way about whom she was referring to.

appurtenances, I give to my son John HUTTON and his heirs forever, provided, and upon condition that he shall pay to his sister Jane HUTTON (who is blind) towards maintaining her Twenty dollars per annum annually during her life. And the moiety or part lying West of the line aforesaid with its appurtenances, I give to my daughter Margaret HUTTON, and her heirs forever, provided and upon condition that she shall supply her sightless sister Jane HUTTON, with what may be necessary for her decent and comfortable maintainences over and above what she is to receive from her brother John, during her life. (vis. whatever the amount to be paid of John falls short of supporting Jane, is to be supplied by Margaret). And for greater certainty of the understanding and execution of this part of my Will, I repeat if my daughter and my son John, or their lawful representatives, shall provide for and comfortably maintain their sister Jane during her life, then in consideration thereof I give my plantation aforesaid to the said Margaret HUTTON and the said John HUTTON and their heirs forever, to be equally divided between them as above directed provided always that if from any cause, the said Margaret or John or their lawful representatives shall fail to contribute to the support and maintainence of their sister Jane, as before required, then the said Jane HUTTON shall have, receive, and enjoy all the rents, issues and profits of the lands aforesaid, during her life, and after her decease to be held and enjoyed by the said Margaret HUTTON and the said John HUTTON and their heirs forever.

Secondly. I give to my son Samuel HUTTON and his heirs forever all my undivided interest, in and to, a certain tract of land lying in the Poor Valley in Washington county and state of Virginia, being one ninth of a tract of land containing about [130] acres be the same more or less belonging to the heirs of my father William CUNNINGHAM, dec'd.

Thirdly. I give to my daughter Jane HUTTON one bed and furniture, and to my daughter Elizabeth SCOTT one bed and furniture, and to my granddaughter Susannah HUTTON thirty dollars.

Fourthly. I give to my daughter Margaret HUTTON all my beds and furniture not devised above and all my household and kitchen furniture of every kind and one of the best of my horses, and one of the best of my milch cows, and all my flock of sheep and twelve of the best of my hogs, and one plow and harrow, and two sets of horse(?) gears.

Fifthly. I desire that all that portion of my personal estate not devised above may be sold at public sale or such credit as my Executor may think best. And it is my will and desire, that all that remains of the proceeds of my personal estate, or debts due to me, or money on hand, after payment of my just debts, funeral expenses, the legacies above mentioned, and the expense of executing this will, shall be equally divided amongst my three daughters, namely Elizabeth SCOTT, Susannah HUTTON wife of John HUTTON, and Mary Ann HAYTER, and paid to them or their lawful representatives by my Executor.

Lastly. I hereby appoint my son John HUTTON Executor of the my last will and testament.

In witness whereof I have hereunto set my hand and seal this [30 Apr

If John HUTTON, son of John & Mary Ann (CUNNINGHAM) HUTTON had married earlier than 1837, then there does not seem to be any record of him being married, having children, or being a head of household in Washington Co., VA during that time frame. When John died intestate, his property should have been, by law, divided among all his children. John's daughter, Sarah Virginia JOHNSTON and his son Samuel O. HUTTON were the only heirs

Sarah V. & Samuel were the only children of John who were in John's household in the 1850 census (except for Amanda who, in all likelihood, died prior to the 1869 lawsuit).

Not likely as Susannah HUTTON married John HUTTON on 29 Aug 1822 and therefore she would have been too old to have been a married grand-daughter.

Two of Mary Ann's daughters were only mentioned once in her will, Susannah HUTTON and Mary Ann HAYTER. Why – perhaps because both lived a long distance from the Baker Creek area. Susannah moved to Anderson Co., KY about 1833. If both daughters lived a long distance away, maybe that is why they did not receive any non-monetary items in Mary Ann's will such as beds, live stock, etc. Things that would be hard or costly to transport over a long distance.

"Stick in the mud" :-) or not, you have brought up an interesting subject -- where does Mary Ann's grandaughter Susannah fit in? Starting a child born out of wedlock by Mary Ann's daughter Jane or

her daughter Margaret with the last name of HUTTON – Mary Ann's granddaughter Susannah HUTTON would have to be a daughter of one of John & Mary Ann's sons – or a daughter of John & Mary Ann's daughter Susannah who married John HUTTON (son of James & Isabelle (ORR) HUTTON. It could also be possible that granddaughter Susannah died between Mary Ann's 1841 will and the 1850 census and therefore was not enumerated in that census.

1. John HUTTON & Susannah (HUTTON) HUTTON of Anderson Co., TN did not have a daughter named Susannah living with them in the 1850 census of Anderson County (but they had a space for an additional child between James (age 26) and Martha (age 21) that may have been a daughter named Susannah. Does anyone have any info on any possible additional children for John & Susannah?

2. John & Mary Ann's son John's only daughter in the 1850 census was Sarah V.

3. John & Mary Ann's son Samuel HUTTON had no known daughter named Susannah in the 1850 or 1860 census of Washington Co., VA.

4. Was there a third possible son of John & Mary Ann? From page 26 of the Marriages of Washington Co., VA by D. E. BROWN, we know that John & Mary Ann were married in Washington Co., VA by Nicholas REAGAN. As REAGAN did not include marriage dates with some of his lists of marriages that were recorded, we are going by what D. E. BROWN put in his book which was a list of marriages by REAGAN with no marriage dates, that were placed between the known marriage dates for Leonard HUTTON & Mary BERRY (08 Sep 1791) and Samuel HOMES & Sarah THOMPSON (26 Jun 1792). Therefore, John & Mary Ann were married in the 1790s it seems, and may have been married in the early 1790s. If so, then there is the possibility that a third son (actually first son) of John & Mary Ann was born in the 1790s per the 1810 and 1820 census – keeping in mind that John and Samuel were born in the 1800s. This is way out in left field, but perhaps worth a look. Was Mary Ann's granddaughter Susannah a daughter of this third son?

her daughter Margaret with the last name of HUTTON – Mary Ann's granddaughter Susannah HUTTON would have to be a daughter of one of John & Mary Ann's sons – or a daughter of John & Mary Ann's daughter Susannah who married John HUTTON (son of James & Isabella (Gray) HUTTON. It could also be possible that granddaughter Susannah died between Mary Ann's 1841 will and the 1850 census and therefore was not enumerated in that census.

1 male under 10 (born 1811-1820),
1 female under 10 (born 1811-1820).
[If Wm. HUTTON above was about 26 in 1820, he could have been a son of John & Mary Ann (CUNNINGHAM) HUTTON. Was Wm. that young? Perhaps, as his wife was less that 26 years old and they only had two probably very young children (if the children were theirs).

One line down from John & Mary Ann HUTTON in the 1820 census on page 211, line 41 is the following household:
HUTTON, Thomas 16-25 (born 1795-1804),
1 female 16-25 (born 1795-1804),
2 males under 10 (born 1811-1820).

[Perhaps William (or Thomas) is a son of John & Mary Ann and named after Mary Ann's father, William CUNNINGHAM , (or brother, Thomas CUNNINGHAM). Why would William (or Thomas) not be in Mary Ann's will? Hard to say – was he still living – or did Mary Ann not have very much to give away and perhaps Wm. being older was already reasonably well off. In conclusion we have not come across anything that would indicate that either Wm. or Thomas HUTTON were sons of John & Mary Ann. Keep in mind also that even though John & Mary Ann, Thomas, and Wm. were on lines next to each other in the 1820 census, that census (and the 1830 and 1840 census) of Washington Co., VA were in alphabetical order instead of "neighbor" order, and John & Mary Ann may not have actually lived near either Thomas or Wm.].

<< Could it be possible that this Susanna who is mentioned in the will was a cousin or niece of John & Mary Ann (Cunningham) Hutton and they adopted her when her parents died. Don't get me wrong, I think it could be possible that she is their daughter after all Mary Ann Cunningham Hutton's mother's name was Susannah "Susan" (Wood) Cunningham. I just want to make sure that all the base's are covered so to speak. >>

Any of Mary Ann's children 'could' have been adopted, but there is no indication of that happening.

<< I sure would like to get a look at the original will that Mary Ann(Cunningham) Hutton had drawn up...if it still exist's. >>

So would we. We do have a complete copy from the will book, but as with any document in those days (especially deeds), things get left out, transposed, etc., (and names sometimes are mixed up :-) One thing is that Mary Ann must not have written her own will in 1841 as she signed the will with her mark. The second thing, besides being quite detailed only the words 'maintainences or maintainence' failed to pass our spell checker.

Which leads us in another direction. Its interesting that Mary Ann's granddaughter Susannah HUTTON was suppose to receive $30.00 per Mary Ann's will when Mary Ann died in January, 1849 – and then about six months later on 25 Jul 1849, John HUTTON was named guardian of Sarah Virginia HUTTON, his daughter (and Mary Ann's granddaughter),

1 female 15-25 (born 1795-1804), <<< (Anna, wife?)
1 male 15-25 (born 1795-1804), <<< (unknown male)
1 male under 10 (born 1811-1820),
1 female under 10 (born 1811-1820).

Had to say – was he still living – or did Mary Ann not have very much to give away and perhaps Wm. being older was already reasonably well off. In conclusion we have not come across anything that would indicate that either Wm. or Thomas HUTTON were sons of John & Mary Ann. Keep in mind also that even though John & Mary Ann, Thomas, and Wm. were on Ames next to each other in the 1820 census, that census (and the 1830 and 1840 census) of Washington Co., VA were in alphabetical order instead of "neighbor" order, and John & Mary Ann may not have actually lived near either Thomas or Wm.]

<< Could it be possible that this Susanna who is mentioned in the will was a certain niece of John & Mary Ann (Cunningham) Hutton and they adopted her when her parents died. Don't get me wrong, I think it could be possible that she is their daughter after all Mary Ann Cunningham Hutton's problem name was Susanna "Susan" (Wood) Cunningham. I just want to make sure that all the bases are covered so to speak. >>

Any of Mary Ann's children could have been adopted, but there is no indication of that happening.

<< I sure would like to get a look at the original will that Mary Ann(Cunningham) Hutton had drawn up...if it still exists. >>

So would we. We do have a complete copy from the will book, but as with any document in those days (especially deeds), things get left out, transposed, etc., (and names sometimes are mixed up -). One thing is that Mary Ann must not have written her own will in 1841 as she signed the will with her mark. The second thing, besides being quite detailed only the words 'maintainences or maintainence' failed to pass our spell checker.

Which leads us in another direction. Its interesting that Mary Ann's granddaughter Susanna HUTTON was supposed to receive $30.00 per Mary Ann's will when Mary Ann died in January, 1845 – and then about six months later on 25 Jul 1845, John HUTTON was named guardian of Sarah Virginia HUTTON, his daughter (and Mary Ann's granddaughter).

That is all I had on her also, except that I saw her name as Isabella Cox on a list of widows from the Civil War that applied for pensions. Have not researched that yet. >>

"Isabella HUTTON married Michael COX in 1848. Their home was on the east side of Spoon Gap Road. Michael COX served in the Confederate cavalry and was killed at Fishers Hill in 1864 [WC Civil War Records Book 1, p. 14]. Isabelle COX lived on the farm as a widow for many years. In 1892 her son, Joseph M. COX, built a new 2-story frame house near the road. Dr. N. W. DENTON purchased the property in 1901 and sold it to J. D. DENTON in 1907. Clarence F. and Jessie (MINNICK) GRAHAM purchased the house in 1920 and lived here during their lifetimes. The COX house was torn down in 1965, and a newer house on the site is owned by their daughter, Alberta GRAHAM."

[A picture (L148) of the house is on one of the unnumbered pages in Nanci's book. Per a map in the book, the COX house was located northeast of and near the intersection of Green Spring Road (Route 75) and Spoon Gap Road (Route 670)].

That is all I had on her also. >>

From: "Places In Time," Vol 3, "South from Abingdon to the Holston," 1997, by Nanci C. KING, page 58 (Arthur HUTTON is in last paragraph):

"(L147) Shugartsville. Capt. James MONTGOMERY purchased 500 acres of land in Fayette County, Kentucky, in 1797, and sold his land at Green Spring to Michael SHUGART. SHUGART was living in Botetourt County when he purchased the MONTGOMERY land for 4,000 pounds. He moved to Washington County and married Rebecca CRAIG, daughter of Capt. Robert CRAIG, in March of 1798.

SHUGART was one of the trustees of the planned town of Carrickfergus in 1801, and the following year tried to implement the same idea for his property. He sold at least 32 lots, but Shugartsville also failed to develop. Some of the lots were later resold or willed to descendants, and they were carried on the tax records though the 1850's. No plat has survived to show the exact location of the proposed town, but it was situated in the general crossroads area near Green Spring church, where the Cleveland and Spoon Gap roads join Green Spring Road.

A few small houses were built on these lots in the 1850's and 1860's, none of which have survived. Nancy PERRY, a free black, purchased Lot 2 on Carolina Street. Her husband, Adam PERRY, was a blacksmith and they lived near Spring Creek. Robert GRAHAM, also a blacksmith, built a house on Lot 17 in 1846. Elizabeth MONTGOMERY purchased four adjoining lots in 1866 and lived here until the 1880's.

Despite his success in selling lots, Michael SHUGART found it necessary to place a lien against his property in 1804. This included 900 acres purchased from James MONTGOMERY, and an additional 850 acres, mostly know land, that SHUGART had obtained through patents. By 1825 he was "confined in the county jail for debt" and required to present a schedule of his real estate holdings to the sheriff. He also owned land in Baltimore County, Maryland and York County, Pennsylvania. His Washington County land was assigned to the lien holders, Joseph STOVER and Isaac BAKER, and the SHUGARTs moved to Tennessee.

STOVER and BAKER lived in Shenandoah and Frederick counties and were absentee owners during their lifetimes. BAKER's sons purchased the STOVER interest. Isaac and Rosa Sophia BAKER moved to Washington County about 1857 and sold 606 acres of the Shugartsville tract to Arthur HUTTON in 1859. HUTTON lived near Glade Spring and gave parts of the property to his daughter, Isabelle and Amanda. Amanda HUTTON married Calohill Minas WADE of Bedford County in 1861 and lived west on the west side of Spoon Gap Road during her lifetime. The WADE farm was later sold by her sons to adjoining

landowners R. L. BYARS and David L. BERRY."

From: "Places In Time," Vol 3, "South from Abingdon to the Holston," 1997, by Nanci C. KING, page 59:

"(L149) STUMP, Virginia - Wesley C. STUMP House – William B. BYARS of Glade Spring purchased 192 acres of the SHUGART land from Arthur HUTTON's estate in 1879. BYARS' daughter Susan married Wesley C. STUMP that year, who was originally from Tazewell County. They built a small 1-story frame house, which still stands near the crossroads. When a post office was assigned to this location in 1881, it was named Stump and Susan E. STUMP was the first postmaster. The post office was later moved to W. T. McCONNELL's store and then discontinued in 1904.

W. C. STUMP died in 1885 and Susan later married Matthew G. GILPIN. In 1958, the heirs of W. C. STUMP and Susan (STUMP) GILPIN sold the property to Paul and Lucy C. BARRETT. It now belongs to their daughter, Martha B. THOMPSON."

[L149 is near L147 above and both are northwest of the intersection of Spoon Gap Road (Route 670) and Cleveland Road (Route 665)].

I believe that a record of the marriage of Katherine Strangeways to John Hutton in NYC exists, date c. 1696, so the inflated age of JSHutton at his death in 1792 and his birthplace are probably erroneous, errors he himself no doubt propagated, given his romantic anventurous past!

Dear friends and Sandy (maybe this will open a new line of research for you!),

Bob Hutton sent me some information that identifies the wife of Samuel C. Hutton as Isabella "Ibby" LOGAN.

The line is:

1. John and Jane Dickson Hutton
   2. John Hutton, Jr. married Mary Ann Cunningham in 1791
   ***** 3. Samuel C. Hutton (1812)married Isabella Logan (~1807)

   I did not find a marriage date for this couple. Their first son was born in 1830*

      4. Lilburn Logan Hutton (1830-10 April 1882) m. Mary Catherine Logan (d/o Caleb J and Barbara Logan) on 29 Jan 1857 by Julius Davenport. Do you think they were first cousins? Lilburn was a WBTS vet, as were four of his brothers.

Can anyone assist us in further research or input on the John and Mary Ann Cunningham branch?

Some areas of inquiry:

1. William Cunningham (Mary Ann Cunningham Hutton's father) is listed in Mary Kegley's 1815 SW VA Tax Assessments as living in Poor Valley joining Abram Hayter (Abram married John (and Mary Ann) Hutton's sister Jane Hutton in 1786. Jane died prior to 1809.)
   Abraham is referred to by Mary Kegley as the son of Israel Hayter.
   Abraham remarried after Jane's death to Sarah Elizabeth Fulkerson and he died in Campbell Co, TN on 2 Dec 1829.
   QUESTION: Perhaps this bit of information could help us identify John and Mary Ann Cunningham Hutton's daughter refered to in her will as "dau. Mary Ann Hayter?

2. In Mary Ann Cunningham Hutton's will, dated 30 April 1841, she mentions "...my grand daughter Susannah Hutton $30.00..." Her daughter Susannah Hutton who married John Hutton (s/o James

Can anyone assist us in further research or input on the John and Mary Ann Cunningham branch?

Some areas of inquiry:

1. William Cunningham (Mary Ann Cunningham Hutton's father) is listed in Mary Keyley's 1813 SW VA Tax Assessments as living in Poor Valley joining Abram Heyler (Abram marries John and Mary Ann) Hutton's sister Jane Hutton in 1798. (Jane died prior to 1809.)
Abraham is listed to by Mary Keyley as the son of Israel Heyler. Abraham remained after James death to Sarah Elizabeth Pulliam and he died in Campbell Co, TN on 2 Dec 1836
QUESTION: Perhaps this bit of information could help us identify John and Mary Ann Cunningham Hutton's daughter referred to in her will as "Jane, Mary Ann Heyler?"

2. In Mary Ann Cunningham Hutton's will, dated 30 April 1841, she mentions "...my grand daughter Susannah Hutton $30.00..." Her daughter Susannah Hutton was married John Hutton who James

and Isabel Orr Hutton) does not show a Susannah as one of her children in the 1850 Anderson Co, KY census. But she did have seven children listed in that census, born before 1841.
Mary Ann Cunningham's youngest son was Samuel C. Hutton. He had at least five children at the time
his mother's will was written, but no provision is made for those grandchildren. Her first son John Hutton was a widower in 1841 and had one daughter that we know of at that time named Sarah V. Hutton. Also, Mary Ann's daughter Elizabeth who married William Scott on 28 Feb 1826 had children according to the 1830 and 1840 Washington Co census records for them.

QUESTION: Why does Mary Ann single out one specific grand child that we can not account for when she had many others?

3. Donna Jean, your transcribed will for Mary Ann Cunningham Hutton is different than mine. Leah, I think you sent me the transcription that I have. I have it identified as Washington Co Will Book 11, page 125. I do not have a copy of the original of this will, though.

   REQUEST:If someone does have this will, would they kindly send it to me by snail mail?

4. I have noted that Washington County Will Book 18, page 320, dated November 5, 1847 has further information on Mary Ann Cunningham's family. But I do not have this will page.

   REQUEST: If someone is able to locate this page or pages, would they kindly copy or transcribe it for us?

5. If anyone of our group has access to death records or index for Washington Co, could they look up the following:

   a. John Hutton or Hatton, died 8 Nov 1838
   b. Rebecca Hutton, died 30 Dec 1839
   c. Mary Ann Hutton, died 1 Jan 1847 or 1849
   d. John Hutton, died after 1850 (s/o of John and Mary Ann)
   e. Elizabeth Hutton Scott (d/o John and Mary Ann, w/o Wm. Scott)
   f. Samuel C. Hutton, died after 1852 (s/o John and Mary Ann)
   g. Jane Hutton (blind d/o John and Mary Ann)
   h. Mary Ann Hutton Hayter (d/o John and Mary Ann)

   Perhaps there is some clue in these records that might help us. The first three are listed in High on a Windy Hill.

Thanks, as always, for your research and input!

The following is sort of help in reverse in that we are noting who Mary Ann (HUTTON) HAYTER did NOT marry.

Mary Ann HAYTER, d/o John & Mary Ann (CUNNINGHAM) HUTTON, did not marry any of the sons of Wm. & Margaret HAYTER – who were one of the closest neighbors of John and Mary Ann (CUNNINGHAM) HUTTON.

Wm. HAYTER (s/o Abraham & Susanna HAYTER) and Margaret JAMISON were married 23 May 1822 in Washington Co., VA by Alexander McEWEN. Mary Ann (CUNNINGHAM) HUTTON, in her 30 April 1841 will, mentioned her daughter Mary Ann HAYTER. The difference between May 1822 and Apr 1841 is about 18 years and 11 months. Assuming a minimum of 9 months before Wm. and Margaret had her first child after their 1822 marriage – their oldest child as of Apr 1841 would be no older that 18 years and 2 months. Therefore, while it is not impossible, it is unlikely that a son of Wm. and Margaret (JAMISON) HAYTER would have been old enough to have married Mary Ann HUTTON on or before May 1841.

Margaret was possibly the d/o Edward JAMISON, as Edward's son John married Ann HAYTER, a sister of Wm. HAYTER and Edward had a daughter named Margaret. Frances HAYTER another sister of Wm. HAYTER married Edward HUTTON.

Wm. SNODGRASS & Martha his wife sold 146 acres –
(of a 221.5 acre tract that Wm.'s grandparents, John &
Mary SNODGRASS conveyed to Wm.'s parents Joseph
& Ann (HUTTON) SNODGRASS on 19 Aug 1794)
– to Wm. HAYTER on 19 Oct 1830. Six days later on 25 Oct 1830, Joseph & Ann's son Abraham H. SNODGRASS & Nancy his wife sold an additional 53 acres and 29 poles of the above 221.5 acre tract - to - Moore ROBINSON. Wm. and Abraham SNODGRASS had inherited the 146 acres and the 53+ acres in their father Joseph's 15 Oct 1827 will. [WCV DB 1:344, 10:432-433 & 377-378, WCV WB 6:18-20].

Wm. and Abraham SNODGRASS' grandparents John & Mary SNODGRASS originally bought 400 acres on 20 Mar 1786 from Thomas BATES & Elizabeth his wife. This tract was to the east of and bordered both the old Humphrey BAKER 430 acre Land Grant that John HUTTON acquired from BAKER and also John HUTTON's 129 acre Land Grant on Baker Creek dated 21 Dec 1792. The southwest part of the 400 acre tract, that was left after the 221.5 acres was sold, was willed by John SNODGRASS (per his will dated 08 Jun 1795) to his son John (husband of Margaret 'Peggy' HUTTON, who was the d/o John & Jane (DICKSON) HUTTON). [WCV WB 2:72-73].

(Note that the above children were probably named in order of age and therefore, Ann C. and Sarah would both be older than any of Margaret HAYTER's sons. This more than likely means that none of Margaret HAYTER's sons were older than 15 as of May 1841.

31 May 1849 - Margaret HAYTER, widow of Wm. HAYTER, deceased, Sarah HAYTER, and Israel HAYTER - to - Arthur HUTTON for $400.00, a tract of land containing 146 acres on Baker's Creek adjacent Moore ROBINSON. Formerly land of Wm. HAYTER, deceased. Deed ordered to be recorded 25 Jun 1849. [WCV DB 19:169-170].

01 Jun 1849 - Margaret HAYTER - to - Israel HAYTER, land in Poor Valley. Chancery Court of Wythe Co., VA. Andrew, Evan, & Absalom HAYTER and others mentioned. [WCV DB 19:179-180].

27 May 1851 - Nancy Jane HAYTER, Jacob HAYTER, and Margaret Jane HAYTER, heirs of Wm. HAYTER, deceased - to - Arthur HUTTON, three undivided fifths of 146 acres adjacent Moore ROBINSON for $200.00 each. Deed ordered to be recorded 27 May 1851. [WCV DB 20:300-301].

03 Nov 1853 - Sarah HAYTER, Nancy Jane HAYTER, and John J. HAYTER, deceased. Deed admitted to record 28 Feb 1854. [WCV DB 22:67-68]. (Margaret Jane died prior to the 1853 deed and her 3 siblings inherited her share).

01 Mar 1854 - John Jamison HAYTER, 21y, 5m, 21d, single (born WCV, residence: Hancock Co., TN, farmer, s/o Wm. HAYTER) married Sarah PIPPIN (23y, 3m, 3d, single, residence WCV, d/o Robert PIPPIN) by George R. BARR in WCV. One reason might have been that the granddaughter, Susannah HUTTON, was possibly the only granddaughter named after Mary Ann (CUNNINGHAM) HUTTON's mother Susannah (WOOD) CUNNINGHAM. Arthur ORR Sr., in his 1814 will, gave $15.00 to each of his four grandsons that were named 'Arthur.' This was occasionally done in those days.

The above is incorrect in that the parents of the Wm. HAYTER who married Margaret JAMISON were not Abraham & Susanna HAYTER.

On page 173, family #442 (Abraham HAYTER 1), in – "Families of Washington County and Bristol, Virginia 1776-1996," 1996, by the Holston Territory Genealogical Society – it incorrectly states that Wm. HAYTER , son of Abraham & Susanna HAYTER, married Margaret JAMISON. On page 174, family #446 (HAYTER-ALLISON), the submitter has Abraham & Susannah's son Wm. marrying Margaret BUCHANAN. This Wm. died in 1797, so would not have been around to marry in 1822.

Family 446 was submitted by Nancy J. WILLIAMS, 516 McBride Drive, Lafayette, CA 94549 (Nancy included a number of sources).

The Wm. HAYTER who married Margaret JAMISON was possibly the son of Israel HAYTER (son of Abraham M. & Susannah HAYTER). Israel (b. 02 Apr 1754, d. 11 Feb 1829) married Ann CRAWFORD on 20 April 1781. Israel & Ann were said to have had seven children, Abraham, Susannah, Wm., Agnus, Ann, Sarah, & James Crawford.

The six children of Wm. & Margaret (JAMISON) HAYTER who were orphans in 1839, were: Ann C., Sarah, Israel, Nancy, John J., & Margaret Jane HAYTER. Wm. & Margaret's oldest(?) child, Ann C., could have been named after her mother Ann (CRAWFORD) HAYTER. Wm. &

Margaret's oldest(?) son, Israel, could have been named after Wm.'s father, Israel HAYTER.

[Source: "Families of Washington County and Bristol, Virginia 1776-1996," 1996, by the Holston Territory Genealogical Society, families #442 (page 173) and #446 (page 174)].

Israel and Ann (CRAWFORD) HAYTER had an older son named Abraham. Therefore Wm. HAYTER had an older brother. Could this Abraham HAYTER have been the father of Mary Ann HUTTON's husband? (Mary Ann being the d/o John & Mary Ann (CUNNINGHAM) HUTTON).

The following are Washington Co., VA marriages that would fit the time frame for the above Abraham HAYTER (who was possibly born about 1782/1783 as his parents were married in Apr 1781):

31 Mar 1808 - Abraham HAYTER & Lucy Cavaner MANIFEES, by Edward CRAWFORD.

22 Jun 1810 - Abram HAYTER & Polley [as spelled] SHANNON.
22 Jun 1810 - Abraham HAYTER & Polly SHANNON [2nd entry], both by Nicholas REAGAN.

The younger brother of Wm. HAYTER (James Crawford HAYTER), also married before Wm. and could also have had a son who married Mary Ann HUTTON.

31 Jan 1811 - James HAYTER & Tabitha FULLEN
31 Jan 1811 - James HAYTER & Tabetha FULLEN [2nd entry], both by Nicholas REAGAN.

James Crawford HAYTER & Tabitha FULLEN had two sons, one was Aaron Hendricks HAYTER, and the other was James Edmondson HAYTER who married Louisa Bowen THOMPSON of Tazewell Co., VA).

James and Tabitha were owners of numerous tracts in WCV.

We also ran across the following additional "near duplicate" entries (all marriages b by Nicholas REAGAN):

12 May 1808 - Jno. HAYTER & Elizth HAYS
12 May 1808 - John I HAYTER & Elizabeth HAYS

15 Nov 1808 - Joseph HUFFMAN & Ann KELLSY

Dear cousins on the GW side!

I have found how John Earle Hutton is related to our line. If you recall, I listed his World War I Military Service Record in a recent email. He was born 1 May 1901 to John F. Hutton and Malvina Cress, a Baptist and farmer who had complete high school.He was in training in the Emory and Henry unit of the Student Army Training Corp and did not go to Europe. His line is:

1. George Washington Hutton m. Sarah Ann Slemp
   2. first child, first son was James Frederick Hutton m. Mary Amanda Shupe
      3. middle son is John F. Hutton (10 Oct 1867-27 Jan 1937 in Sugar Grove, Va) m. Malvina "Mary" Cress (1 April 1867-24 Dec 1930 in Sugar Grove) I had 9 children for them, but apparently there were more! Children for John F and Malvina Cress Hutton are:

1. Henry C. Hutton (1880-28 Nov 1890 in St. Clair, Smyth Co at 10 years old of diptheria. SCDR

Dear Bob,

Well, one of your lines is a good match - Jane Hutton and thomas McCall - I have descendency and ancestry from both sides. Now, your James Hutton is still a bit of a puzzle for us, but I have another researcher in my focus group who is from the exact same line. We think we have a good conjecture on him, but just need that piece of evidence that will make the connection documented. That is correct, we believe Jane and James could be siblings.

I am copying this message to our group by way of introducing you and will add your name to our list. Please try to copy all members when you send information so we know we all have it. Thank you!

Because I have put together research from members of our little group, I will email you the work in 5 parts. Please especially note Part 5 of 5 which has information on these lines. Also I can send more on Jane Hutton McCall's line. Would it be possible for you to let us know where you got the dates for James Hutton? and for Jane Hutton McCall, also?

Warm wishes, Diane Costello

I checked my source for James Hutton, b. 1805 and find that I don't have one. I believe that I may have inadvertently used Arthur Hutton's birthdate. Therefore you should disregard that birthdate. The birthdate for Jane Hutton McCall I got from John McCall.
I checked my History of Coles County, Illinois which was published in 1879, and I am forwarding an article which was there.

Will let you know what I find out.

Dear friends and cousins,

We would like to re open the discussion and research on James and Isabel Orr Hutton branch of John and Jane Dickson Hutton's line. Some new information and some conflicting information have lead us to the conclusion that we need more research at this time. (If this line is of no interest to you let me know and I will delete you from this discussion)

Edward Hatton of York Co, PA had John Hutton who married Jane Dickson. One of their children was:

James Hutton was born circa 1764-1766, probably in York Co (now Adams Co) PA. (Source is said to be the Bible of Edward Hatton, probably held in the branch of Edward Hatton's youngest daughter Mary who married Adam Symmonds (Simmons, etc).

{Note: I am careful in separating James (s/o John and Jane Dickson Hutton; John being the s/o of Edward Hatton in PA) from James Hatton - the brother of John Hutton and also the s/o Edward Hatton in Pa) In other words John and James Hutton (brothers) came down the Great Wagon Road from PA to Washington Co, VA in the 1780s. It is not certain that they traveled together. The James we are concerned with here is James Hutton son of John Hutton and Jane Dickson;

18 Feb 1794 Washington Deed Book 1:331 - John Hatton and Jane his wife to Leonard Hatton - 30 pounds for 129 acres on Baker Creek, a branch of the Middle Fork of the Holston River. Adj: John Beattie, surveys of Robert Baker, Walker and Jacob Hices. Recorded 18 Mar 1794

21 Mar 1797 Washington Co Deed Book 1:516 - Leonard Hatton and Martha, his wife to James Hatton Jr. for $1 - 129 acres on both sides of Bakers Cr. a branch of the Middle Fork of the Holston River. Adj: John Beattie, Robert Baker, Walker's Old Survey, Jacob Hices, settlement line of said Kirks. Recorded: 21 Mar 1797

[My note: John and Jane Dickson Hutton sold these 129 acres to their son Leonard Hutton soon after Leonard married Martha McCall. Three years later, Leonard and Martha transferred the land for a dollar to Leonard's brother James Hutton who had just married Isabel Orr.]

Dear friends and cousins,

We would like to re open the discussion and research on James and Isabel Orr Hutton branch of John and Jane Dickson Hutton's line. Some new information and some conflicting information have lead us to the conclusion that we need more research at this time. (If this line is of interest to you let me know and I will delete you from this discussion)

Edward Hutton of York Co, PA had John Hutton who married Jane Dickson. One of their children was:

James Hutton was born circa 1734-1735, probably in York Co (now Adams Co) PA. (Bounds is said to be the Bible of Edward Hutton, probably held in the branch of Edward Hutton's youngest daughter Mary who married Adam Symmonds (Simmons, etc).

(Note: I am careful in separating James (s/o John and Jane Dickson Hutton; John being the s/o of Edward Hutton in PA) from James Hutton - the brother of John Hutton and also the s/o Edward Hutton in Pa). In order words John and James Hutton (brothers) came down the Great Wagon Road from PA to Washington Co, VA in the 1750s. It is not certain that they travelled together. The James we are concerned with here is James Hutton son of John Hutton and Jane Dickson.

18 Feb 1794 Washington Deed Book 1:331 - John Hutton and Jane his wife to Leonard Hutton - 30 pounds for 129 acres on Baker Creek, a branch of the Middle Fork of the Holston River. Adj: John Beattie, survey of (Robert Baker, Walker and Jacob Hoss). Recorded 18 Mar 1794

27 Mar 1797 Washington Co Deed Book 1:519 - Leonard Hutton and Martha, his wife to James Hutton Jr. for 81 - 129 acres on both sides of Baker Cr. a branch of the Middle Fork of the Holston River. Adj: John Beattie, Robert Baker, Walker's Old Survey, Jacob Hoss, settlement line of said Hoss. Recorded: 21 Mar 1797

[My note: John and Jane Dickson Hutton sold these 129 acres to their son Leonard Hutton soon after Leonard married Martha McCall. Three years later, Leonard and Martha transferred the land for a dollar to Leonard's brother James Hutton who had just married Isabel Orr.]

James Hutton married on 17 Jan 1797 to Isabel Orr in Washington Co, Va, by Edward Crawford, probably at Glade Spring Presbyterian Church. (source: Marriages of Washington Co, Va 1781-1853, compiled by DE BRown 1993)

[My note: Isabel Orr is said to be one of the daughters of Arthur Orr the Elder. This is Donna Jean and Bob Ford's interest family name - ORR.]

1810 Washington County Census - shows James as a male between 26-45 (James would have been about 44). Other males: one bet10-16 (John, 13), two under ten (Arthur 10, James 5). Females: one bet 26-45 (Isabel), three under 10 (Isabelle (3), Jane (9) and Eleanor (10).

[My note: I have inserted the names that (nearly) match the dates]

Children of James and Isabel Orr Hutton

2. John Hutton (11 Oct 1797-20 Nov 1871) m Susannah Hutton. The Marriages of Washington Co, Va by Brown have a John Hutton marrying a Susannah Hutton on 28 Aug 1824 by Alexander MacEwen. The Washington County Marriage Index (at LVA) has a John Hutton marrying a Susannah Hutton by Alexander MacEwen on 29 Aug 1822. These appear to be duplicate entries for the same marriage. Susannah is likely John's first cousin, the d/o James' brother John Hutton who married Mary Ann Cunningham. Susannah (source Mary Ann C. Hutton's will, WCWB 11:125 naming "Susannah Hutton, wife of John Hutton" as one of her daughters)

John and Susannah are buried in Anderson Co, KY at McCall's Gap in Herborn Cemetery (not documented)

John and Susannah are in the 1850 Anderson Co, KY Census: John (52, b in Va, farmer),Susannah (54 b in Va), James (26, Va), Martha (21, Va),Samuel (18 Va), Elizabeth (16, born in KY), Amanda (14, KY), William (12, KY), Arthur (9, KY) From this census it appears that John and Susannah and their family moved to KY about 1833 or so.

From Guardian Bonds Washington Co, Va 1780-1872, pg 18, 21 Jan 1823: John Hutton named guardian of James Hutton, orphan of James Hutton, deceased. Bond $200. Surety: John Clark.

[My note: This is most probably older brother John Hutton named guardian of his little brother. John would have been about 25, James under 21.

[My note: the number of related James and John Huttons is mind boggling, but I have them straight, I think! If I am not clear on these relationships, please let me know and I will attempt to explain further or correct an error]

2. Arthur Dixon Hutton (17 Jan 1800-16 Feb 1875) married Eleanor Snodgrass, his first cousin on 23 Dec 1820 in Washington Co, by Alexander MacEwen (source MWC by Brown) Eleanor was the d/o Joseph and Ann Hutton Snodgrass. Ann Hutton and Arthur's father James Hutton were siblings, children of John and Jane Dickson Hutton. There is much information on Arthur

James Hutton married on 17 Jan 1797 to Isabel Ott in Washington Co, Va, by Edward Crawford, probably at Glade Spring Presbyterian Church. (source: Marriages of Washington Co, Va 1781-1853, compiled by DE Brown 1980)

[My note: Isabel Ott is said to be one of the daughters of Arthur Ott the Elder. This is Donna Jean and Bob Ford's maternal family name --DRR.]

1810 Washington County, Census - shows James as a male between 26-45 (James would have been about 44). Other males: one but 10-16 (John, 13), two under ten (Arthur 10, James 8). Females: one but 26-45 (Isabel), three under 10 (Isabella (7), Jane (5) and Eleanor (10).

[My note: I have inserted the names that (nearly) match the dates]

Hutton's will, WCWB 11:123 naming "Susannah Hutton, wife of John Hutton" as one of her daughters)
John and Susannah are buried in Anderson Co, KY at McCalls Cap in Hutcom Cemetery (not documented)

3. Arthur Dixon Hutton (17 Jan, 1800-16 Feb 1875) married Eleanor Snodgrass. His first cousin on 29 Dec 1820 in Washington Co, by Alexander MacDewan (source MWC by Brown). Eleanor was the d/o Joseph and Ann Hutton Snodgrass. Ann Hutton and Arthur's father James Hutton were sisters, children of John and Jane Dixon Hutton. There is much information on Arthur

There may be additional children.

NOTE: In FAMILIES OF WASHINGTON CO AND BRISTOL, VIRGINIA, 1776-1996 (published by Holston Territory Gen Soc.), pg 26, there is an article about "The Hutton Planation". The house was built by James Hutton (son of John and Jane Dickson Hutton). the article describes the once grand manor house and planation and its present (pre 1996) decaying condition. I understand that the house is now owned by a Mr. Tom Hutton that is/was a lawyer and he and his family are restoring it. I thought you might want to know how the ownership of the home progressed. James Hutton who married Isabel Orr built the house and it was left to his son Arthur and Eleanor Snodgrass Hutton above. Arthur left it to his first son, James D. Hutton who married Missouri E. Naff when he was about 50. His child was Sarah Ellen Christina Hutton who never married and lived in the house until she was moved to a nursing home and the house boarded up. article about "The Hutton Plantation". The house was built by James Hutton

grand manor house and plantation and its passing (pre 1899) displaying
confusion. I understand that the house is now owned by a Mr. Tom Hutton
that is/was a lawyer and he and his family are restoring it. Through
you might want to know how the ownership of the home progressed. James
Hutton who married Isabel Dickson built the house and it was left to his son
Arthur and Eleanor Snodgrass Hutton above. Arthur left it to his first
son, James D. Hutton who married Missouri E. Neff when he was about 20.

This Indenture of bargain and sale between John SHANNON and others of the one part and William MARSHALL and James MARSHALL of the other part was acknowledged in Court by the said John SHANNON and wife, James HATTON and wife, James CAMPBELL and wife, Samuel MARSHALL, John MARSHALL, Robert MARSHALL and Sarah MARSHALL, the said John and Robert acknowledging by Samuel MARSHALL their Attorney and the said Ann, Rachel & Esther having been first privity examined as the law directs and ordered to be recorded."

"Know all men by these presents that we John MARSHALL and Robert MARSHALL of the County of Barren ... the settlement of our fathers estate __ Andrew MARSHALL deceased ... [17 Sep 1810]."

"... dated Jan 11, 1811, there is an order granted "to settle with James HUTTON, guardian to John HUTTON and others his children" "...a guardian account of James HUTTON, guardian to John HUTTON and others, his children and ordered to be recorded" Perhaps this was money put up by surety, OR money his children inherited from their mother's side of the family (Isabelle ORR is said to have died about 1810-1811)." [See Washington Co., VA Will Book 3:203-204].

Arthur ORR, the Elder, father of Isabelle (ORR) HUTTON, died in 1808 without a will. There were only 16 items in his inventory dated 25 May 1808, BUT there were also cash notes totaling $1,414.11. No record has been found of the distribution of that $1,414.11 to Arthur ORR, the Elder's heirs. Perhaps when Isabelle died, Arthur ORR, the Elder's estate had not been settled. Once there was a settlement, someone would have to be appointed guardian of Isabelle's minor children to manage their legacy from Arthur ORR, the Elder's estate.

We looked at pages 700, 701 & 731of the copies of the original 1810 census for Washington Co., VA for the HUTTONs noted in the index. There is no other James HATTON/HUTTON that was head of household and no other HUTTONs had a non-head-of-household male that would fit James age.

Dear Friends,

We know from his will, that James Hutton had a son named James Hutton. The will was written on 7 Jan 1820 and notes: "",,,Also I will my son James $70 to buy a horse not to go out of his Legacy to be rec'd at 18 years old....". therefore, we can assume that James was under 18 years old on Jan 1820, making him born 1803 or later. In addition, from Guardian Bonds of Washington County, VA 1780-1872, p 18, 21 Jan 1823, John Hutton was named guardian of James Hutton, orphan of James Hutton, deceased. Bond $300 Surety: John Clark. Therefore, we can assume that James was again under 18 years old on Jan 1823, making him born 1806 or later.

From researcher John A. McCall we have this information:

James Hutton (b~1805 in Washington Co, Va, died before 21 Oct 1872, buried in Parker Cemetery, Coles Co, Ill) married Rebecca Griffin on 9 July 1831 in Anderson Co, KY. Children:

Dear Friends,

We know from his will that James Hutton had a son named James Hutton. This will was written on 7 Jan 1820 and notes: "...Also I will my son James $20 to buy a horse not to go out of his Legacy to be held at 12 years old..." Therefore, we can assume that James was under 16 years old on Jan 1820, making him born 1803 or later. In addition, from Guardian Bonds of Washington County, VA 1780-1872 p 18, 21 Jan 1823, John Hutton was named guardian of James Hutton, orphan of James Hutton, deceased. Bond $300 Surety: John Clark. Therefore, we can assume that James was again under 16 years old on Jan 1823, making him born 1808 or later.

From researcher John A. McCall we have this information:

James Hutton (b~1805 in Washington Co, Va, died before 21 Oct 1872, buried in Parker Cemetery, Coles Co, Ill) married Francisca Gallin on 9 July 1831 in Anderson Co, KY. Children:

1. James Hutton, Jr (1833 in KY)
2. Winston Hutton (1834 in KY, buried at Old Smith Cemetery, Coles Co, Ill)
3. Arthur Hutton (5 Apr 1837 in Lexington, Fayette Co, KY, died 31 Aug 1920 in Dorena, Coles Co, Ill., buried IOOF Cem Humboldt, Coles Co, Ill)
4. Silas Isaac Hutton (21 June 1842 in KY, died 1928 in Oxley, Clark Co, Ill, buried at Parker Cem in Coles Co, Ill)

James married second to Elizabeth Cunningham on 12 Mar 1845 in Paris, Edgar Co, Ill. they had:

5. Nancy Isabel Hutton in 1846, Edgar Co, Ill

James married third to Lavina Conway on 28 Sept 1848 in Charleston, Coles Co, Ill. (She was born about 1815 in KY and died 24 May 1888. She is buried in Old Mound Cemetery in Coles Co, Ill) They had:

6. Thomas Jefferson Hutton (22 Dec 1849 in Hutton Township, Coles Co, Ill and died on 20 April 1915 in Charleston, Coles Co, Ill). He married Susan Dina Houchin on 5 Sept 1869 in Anderson Co, KY
7. Andrew Jackson Hutton (12 Jan 1851 in Coles Co, Ill and died on 14 April 1873 in Charleston, Coles Co, Ill He is buried

in Old Mound Cem there.

8. Philip Berneice Hutton (14 nov 1853 in Coles Co, Ill - twin
9. Peter Goosey Hutton (14 Nov 1853-11 Oct 1926 in Charleston, Coles Co, Ill and buried in Old Mound Cem there) Twin

James Hutton died in Coles Co, Ill about Sept or Oct 1872. He is buried in Hutton Township in Parker Cemetery in Coles Co, Ill.

Clues that this could be the correct James Hutton, s/o Isabel Orr and James Hutton:

1. His dates match the will and guardian dates, but his birthdate is not verified. Dates for birth, marriage and children are possible.

2. We have that James married Rebecca Griffin in Anderson Co, KY and that the first four children were born in KY. Now, some of James's siblings did migrate to Anderson Co, KY about this time.
   a. Eldest brother John that was named James's guardian migrated there with his wife Susanna and children. They are listed in the 1850 Anderson KY census.
   b. Next brother ARthur Hutton stayed in Washington Co and his descendants inherited the farm and mansion there.
   c. Next sibling, Jane Hutton married Thomas McCall and they migrated to Anderson Co, KY also, circa 1830. Thomas died in 1844, but Jane and her children are listed in the 1850 Anderson Co Census
   d. Next sibling Eleanor Hutton married Joseph Snodgrass and they remained in Washington Co, Va
   e. James should have been born in fifth place. Did he go to Anderson Co, KY with his siblings?
   f. Isabelle Hutton - not much is known about her. Her guardian when her father died is Thomas McCall, her sister Jane's husband. Did she go to Anderson Co with her sister Jane? It is said that Isabel, her mother, may have died soon after Isabelle's birth
   g. James m2 to Rachel Marshall. Their first child is Rachel Hutton who married Arthur McCall (brother to Thomas who married Jane above) they remained in Washington Co
   h. Sarah Hutton - She never married, but joined Jane and Thomas McCall on their trip to Anderson Co, KY. she is listed in the 1850 Anderson Co Census living with the widowed half-sister Jane.

Evidence that we have is circumstantial that this could be the correct James Hutton, and nothing rules him out.

NEXT JAMES HUTTON
From researcher Jud Crockett, we have this information.

James Hutton (b1799/1805-died 21 June 1881) married Nancy Clark on 8 Jan 1818 by Rev. Edward Crawford in Washington Co, Va (D. E. Brown, p29) Nancy Clark was born 7 Apr 1798, d/o Benjamin and Sarah Crabtree Clark . From The Guardian Bonds of Wash Co, Va, Gerald Clark: on 21 Jan 1823, John Hutton (his older brother) named guardian of James Hutton, orphan of James

in Old Mound Cem there.

8. Philip Hamilton Hutton (14 nov 1853 in Coles Co, Ill - bwn
9. Peter Cooney Hutton (14 Nov, 1853-11 Oct 1928 in Chatsworth,
Coles Co, Ill and buried in Old Mound Cem there) Twin
James Hutton died in Coles Co, Ill about Sept or Oct 1872. He is buried
in Hutton Township in Parker Cemetery in Coles Co, Ill.

Clues that this could be the correct James Hutton, are Isabel Ch and
James Hutton:

1. His dates match the will and guardian dates, but his
birthdate is not verified. Dates for birth, marriage and
children are possible.

2. We have that James married Rebecca Griffin in Anderson
Co, KY and that the first four children were born in KY.
Now, some of James's siblings did migrate to Anderson Co,
KY about this time.
a. Eldest brother John that was named James's guardian migrated
there with his wife Susanna and children. They are listed
in the 1850 Anderson KY census.
b. Next brother Arthur Hutton stayed in Washington Co and his
descendants inherited the farm and mansion there.
c. Next sibling, Jane Hutton married Thomas McCall and they
migrated to Anderson Co, KY also, circa 1830. Thomas
died in 1844, but Jane and her children are listed in
the 1850 Anderson Co Census.
d. Next sibling Eleanor Hutton married Joseph Snodgrass and
they remained in Washington Co, Va.
e. James should have been born in 1811 place. Did he go
to Anderson Co, KY with his siblings?
f. Isabella Hutton - not much is known about her. Her guardian
when her father died is Thomas McCall, her sister Jane's
husband. Did she go to Anderson Co with her sister Jane?
It is said that Isabel, her mother, they have
died soon after Isabella's birth
g. James led to Rachel Mustard. Their first child is Rachel
Hutton who married Arthur McCall (brother to Thomas
who married Jane above) they remained in Washington Co
h. Sarah Hutton - She never married, but joined Jane and
Thomas McCall on their trip to Anderson Co, KY. She
is listed in the 1850 Anderson Co Census living with
the widowed Jane sister Jane.

Evidence that we have is circumstantial that this could be the
correct James Hutton, and nothing rules him out.

NEXT NAMES HUTTON
From researcher Jud Crocker, we have this information.

James Hutton (b1799/1805-died 21 June 1871) married Nancy Clark on 8 Jan
1818 by Rev. Edward Crawford in Washington Co, Va (J. E. Brown, p29)
Nancy Clark was born 7 Apr 1798, d/o Benjamin and Sarah Chatfree Clark.
From The Guardian Bonds of Wasd, Co, Va, Gerald Clark: on 21 Jan 1823, John
Hutton (his older brother) named guardian of James Hutton, orphan of James

Hutton deceased. Bond $300. Surety: John Clark. If this is the James that married Nancy five years earlier, it would be strange that he would still be a minor five years after his marriage. How are Nancy Clark and John Clark related, if at all? James' birthdate is calculated back to 1799 so that his marriage date makes sense, but this is contradicted by his guardian bond in 1823 and will identifying him as a minor in 1820. This is evidence that really rules him out as being the son of James and Isabel Orr Hutton. However, he belongs to one of our Huttons.....
Jud has good descendency from this James: Children:

2. William Clark Hutton (22 Oct 1832 in Wash Co, Va) m. Mary Ann Ashley in McMinn Co, TN on 29 Jun 1856. She died 11 Aug 1862 in McMinn Co. He remarried and raised a second family. Jud Crockett is from his first marriage. William Clark Hutton died in Harrisburg, TX (Houston area) on 19 Feb 1905. Some of his family are still in the area.
    3. Langdon Cheves Hutton m. Nancy Jane Yowell
        4. Langson Cheves Hutton, Jr. m. Hazel Wall
        4. Judson Martin Hutton
            5. Mary Hutton
        4. James "Jimmy" Hutton
        4. Annie Laurie Hutton m. a Crockett
            5. Grady Judson Crockett
    3. Samuel Lafayette Hutton
        4. Blanch Orlean Hutton (She wrote a book about the Hutton family. Book is in the Houston Lib)
2. Adeline Hutton
2. Mattie Hutton
2. Rowena Hutton
2. David Hutton
2. John Clark Hutton
2. James Clark Hutton

It is my opinion that this is probably not the correct James Hutton for James and Isabel Orr Hutton based on dates. That these are the children of James Hutton and Nancy Clark seems very likely considering the Clark name being carried on as a middle name and the referred to book by Blanch Orlean Hutton and by Jud Crockett's research. But who are their parents?

OTHER CLUES FOR JAMES HUTTON S/O JAMES AND ISABEL ORR HUTTON

1. Did James (who married Isabel Orr) Hutton's brother Edward Hutton have a son named James? His children were born in the correct time frame - (1793-1829) No James was mentioned in his will, however, a Robert Clark did witness it, written in 1839.

2. Moses Hutton had a son named James A. Hutton who was probably born between 1801 and 1820. There is no further information that I am aware of about this James.

3. Leonard Hutton had a son named James born in 1804, however, this James is the one that married1 Elizabeth Phillips and m2 Martha McCall Carson and stayed in Smyth County. Comp

Hutton deceased. Bond 3300. Surety: John Clark. If this is the James first married Nancy five years earlier, it would be strange that he would still be a minor five years after his marriage. How are Nancy Clark and John Clark related. If at all? James' birthdate is calculated back to 1799 so that his marriage date makes sense, but this is contradicted by his guardian bond in 1822 and will identifying him as a minor in 1820. This is evidence that really rules him out as being the son of James and Isabel Oy Hutton. However, he belongs to one of our Huttons. But has good documentary from this James: Children:

2. William Clark Hutton (22 Oct 1822 in Wasp Co., Va) m. Mary Ann Ashley in McMinn Co. TN on 28 Jun 1850. She died 11 Aug 1882 in McMinn Co. He remarried and raised a second family. Jed Crockett is from his first marriage. William Clark Hutton died in Huntsburg, TX (Houston area) on 19 Feb 1905. Some of his family are still in the area.
   3. Langdon Cheves Hutton m. Nancy Jane Yowell
      4. Langdon Cheves Hutton, Jr. m. Hazel Wall
      4. Judson Martin Hutton
      5. Mary Hutton
      4. James "Jimmy" Hutton
      4. Annie Laurie Hutton m. a Crockett
      5. Cindy Judson Crockett
   3. Samuel Lafayette Hutton
      4. Blanch Odean Hutton (She wrote a book about the Hutton family. Book is in the Houston Lib)
   2. Adelphe Hutton
   2. Mattie Hutton
   2. Rowena Hutton
   2. David Hutton
   2. John Clark Hutton
   2. James Clark Hutton

It is my opinion that this is probably not the correct James Hutton for James and Isabel Oy Hutton listed on dates. That these are the children of James Hutton and Nancy Clark seems very likely considering the Clark name being carried on as a middle name and the referred to book by Blanch Odean Hutton and by Jed Crockett's research. But who are their parents?

OTHER CLUES FOR JAMES HUTTON S/O JAMES AND ISABEL OIR HUTTON

1. Did James (who married Isabel Oy) Hutton's brother Edward Hutton have a son named James? His children were born in the correct time frame - (1793-1829) He James was mentioned in his will, however, a Robert Clark did witness it, written in 1829.

2. Moses Hutton had a son named James A. Hutton who was probably born between 1801 and 1820. There is no further information that I am aware of about this James.

3. Leonard Hutton had a son named James born in 1804, however, this James is this one that married Elizabeth Pollins and m2 Martha McCall Carson and stayed in Smyth County.

4. Another line of John and Jane Dickson Hutton is John (and Mary Ann Cunningham) Hutton. Neither his will or her will mention a son James Hutton.

5. Another line of John and Jane Dickson Hutton is Dickson (and Jane Jamison, m2 Elizabeth McCready) Hutton. his will does not mention a son named James.

6. There are also the mysterious Huttons in 1810-1830 Washington Co, Va: Joel Hutton, William Hatton, Thomas Hutton. They may have a son named James.

Does anyone else have James Hutton info that might help us in our search?

From the "The Virginian" newspaper:

"Abingdon, Friday, Aug. 3, 1866.
Suicide.
We are pained to announce the death of Mrs. Hutton, wife of John Hutton, living near Cedarville in this county. – She had been, for some months, partially deranged, but excited no alarm or suspicion of self-destruction. On Monday, the 23d July, after her husband had gone out to his usual labor upon the farm, she shot herself with a musket – the entire load passing through her body – entering immediately under the left breast and passing out under the shoulder blade. She shot herself in the yard, and afterwards crawled into bed where her little son was lying asleep. She lived several hours after the shooting."

The son would have been John & Jane's son Samuel who was 3 in the 1860 census of Washington Co., VA.

So the entry number 1210 in "The Unfiled Death Records of Washington County, Virginia, 1865-1896," 1999, by D.E. Brown – was incorrect in that the death record has Ann Jane (Scott) Hutton as "not married." Other errors in the death record were her name as "Ann J. Hutten," and that the informant was her "father" (who had died in in 1831, 34+ years before Jane shot herself).

One should use caution in using the above death records book as we have found other errors in it.

Dear Donna Jean,

Thanks for that newspaper article. Sounds kind of grisly about crawling into bed with the baby!! Yikes!

I am fairly certain that I have found Samuel O. Hutton in the 1870 Washington Co Census (Hockett, p20) He is listed in Abingdon Twp on 29 Sept 1870 in hh#239/242

Cox, Susan(50, keeping house, $1,200/$300), Eliza A (67, retired housekeeper, MA), Sally (36, assists in housework), Mary E (13, attending school, TX), LEE, Celia (17, b, domestic, LA), CARTER, David (11, b, assists cook) COLE, Annie (17, attending school), GARRET, Virginia (17, attending school) DICKINSON, Virginia (15, attending school) JACKSON, Eva (17, attending school) HUTTON, Samuel (13, attending school).

This appears to be a sort of foster home for young students. I wonder if Samuel had a guardian that placed him there? This is shortly after the suit by his half sister was settled. She is in the 1870 census also.

(1870 Washington Co Census, Hockett, p40, hh#117/122, Glade Spring Twp, 22 Sept 1870)
JOHNSTON, William (39, merchant,—/$2800) Sarah (33, keeps house) Chas. (13, at home) Mary (11, at home) Sallie (10) Willie (8) Albert (5) Ellen (2), John (76, no occupation)

Seems odd that Sarah didn't keep Samuel with her children - may be bad feelings. Also, is it possible that the elderly John in this household could be Sarah's father, John Hutton? Wm Johnston lists no real estate owned, so I assume the suit was not quite finished by this date, or they sold it right away. I wonder who (if anyone) was living on the farm?

Dear Donna Jean,

Thanks for that newspaper article. Sounds kind of gaudy about
crawling into bed with the baby!!! LYWA!

I am fairly certain that I have found Samuel O. Hutton in the 1870
Washington Co Census (Hocking, p20). He is listed in Athington Twp on 28

This appears to be - sort of foster home for young students. I wonder if
Samuel had a question that (dated from Lance)? This is shortly after the
suit by his half sister was settled. She is in the 1870 census also.

(1870 Washington Co Census, Hocking, p40, MH117/122, Glade Spring Twp,-22

both of whom were more than likely living with Mary Ann in 1841. A bond of $100 was required. Sarah Virginia may have inherited something that required her father to be appointed her guardian to manage the inheritance.

<< P.S. In Mary Ann's will the word "moiety" is mentioned a few time's...is this a misprint or is it actually a word. If it is a word what does it mean? >>

Moiety – "one half or equal share of anything." "an equal share of something: a half, a third, etc." (from two Genealogical dictionaries).

> Dear Fellow Researchers:

I have a partial copy of the list of burials in Hebron Cemetery at Anderson Co., KY

It shows: John Hutton(11 Oct 1797-20 Nov 1871)
Susan A. Hutton(11 Mar 1795-28 May 1889)

This should be sufficient to document their burial place. See note below that mentions their burial is not documented. There are a total of 25 individuals of Hutton name listed in this index.

old of typhoid fever and hardships suffered in the WBTS
.
His mother was nancy Baugh.

4. Another "possible" son of Leonard and Nancy Baugh is Leonar
d
Hutton (born about 1825) and married to Elizabeth (b~18
31)
Their daughter Selia E was born about 1849 (from 1850
Smyth Co Census living near Leonard and Edward). i hav
e
not researched him yet.

4. It is possible, but I don't know how probable, that another
one of my direct ancestors, George Washington Hutton,
could be the son of Leonard (the first). There would
be additional cousin marrying here that would be
quite intense if this is correct. George Washington
Hutton was born about 1826 and married Sarah Ann Slemp
on 20 Jan 1845 in Smyth Co. Their son John Welsey Hutt
on
who married Sarah Sayers is my direct ancestor. there
is also a George Hutton born about 1815 that could also
be a son of Leonard.....

In 1810 Wash Co Census Leonard with 8 people
In 1820 Wash Co Census - Leonard with 8 people
In 1830 Wythe Co Census - Leonard with 17 people!
In 1840 Smyth co Census - Leonard with 10 people
In 1850 Smyth Co Census - Leonard with 4 people
In 1860 Smyth Co Census - Leonard is living with his son
Mahlon (nancy Baugh his last wife died on 23 Aug 1854)
his daughter Elizabeth who never married, and Mahlon's
family.

a widow. He and Elizabeth had four children. He is
the brother of Dix who was selling and buying back thei
r
land over and over. James did put up his land and once
his personal property to secure loans. I don't know
when he died and haven't had a chance to look him
up in the 1860-1880 censuses.

> 4 Sarah "Sally" Hutton (b1822)
> m. Michael Carmony (b~1821)
It appears she married a McCall first. I don't have
proof she is one of Leonard's daughter, but we think so
This is Carolyn Carmony's line. We think the Carmony'
s
came down from Pa in the company of the Huttons. On
Hutton Branch Road where Leonard Hutton lived, there
are still Huttons and Carmonys there. They had 4
daughters that we know of. But an interesting thing
is that in the 1850 census there is also Jane Hutton
(born in 1802) living with them. Could this also be
an early daughter of Leonard and Martha? I beleive
that Michael also was a WBTS vet.

> 4 David Hutton (~1819)
> m. Aug 24 1840 Sarah Rice. they had at least 6 children.
I haven't done much research on David yet.

> 4 Abraham Hutton (~1824) He married Mary Slemp on 15 Feb
1847. She died in or shortly after the birth of their
first child. the baby died also and I don't think
Abraham (sometimes spelled Abram) married again.
I have not researched him yet, but it appeared
> that Abraham livedsingle next to his brother Mahlon and
sister E;lizabeth in the 1870 census.

4 William Hutton (~1813) I have just confirmed he is Leonard's
son. No further info yet.

4 Elizabeth Hutton b. 1829 She never married that I know of.
I found her in the 1880 Smyth Co Census living with
her niece Fanny B. Hutton who was 14 - daughter of
Mahlon and Eliz Hutton below. I need to look her up
in further censuses. Her mom was nancy Baugh.

and they had 9 children. He died at only 40 years

1827) and married on 5 Jan 1844 to Martha McNeil Carson
a widow. He and Elizabeth had four children. He is
the brother of Eli who was selling and buying back the

land over and over. James did get up his land and once
his personal property to secure loans. I don't know
when he died and haven't had a chance to look him
up in the 1860-1880 censuses.

4 Sarah "Sally" Hutton (b1822)
m. Michael Cammoy (b-1821)

It appears she married a McNeil first. I don't have
proof she is one of Leonard's daughters, but we think so
This is Cassidy Cammoy's line. We think the Cammoy'

came down from PA in the company of the Hutton. On
Hutton Branch Road where Leonard Hutton lived, there
are still Hutton's and Cammoys there. They had 4
daughters that we know of. But an interesting thing
is that in the 1850 census there is also Jane Hutton
born in 1821, living with them. Could this also be
an early daughter of Leonard and Martha? I believe
that Michael also was a MOTS vet.

4 David Hutton (b1819)
m. Amy Jane Sarah Rice. They had at least 6 children.
I haven't done much research on David yet.

4 Abraham Hutton (-1874) He married Mary Sleep on 15 Feb
1847. He died in or shortly after the birth of their
first child. The baby died also and I don't think
Abraham (sometimes spelled Abram) married again.
I have not researched him yet, but it appeared
that Abraham lived single back to his brother Mahlon and
sister Elizabeth in the 1870 census.

4 William Hutton (-1817) I have just confirmed he is Leonard's
son. No further info yet.

4 Elizabeth Hutton b. 1826 she never married that I know of.
I found her in the 1880 Smyth Co Census living with
her niece Fanny E. Hutton who was 14 - daughter of
Mahlon and Kitz Hutton below. I need to look her up
in further censuses. Her mom was nancy Baugh.

4 Mahlon Hutton b. 1830 - 3 Aug 1870
m. Elizabeth Cammoy in the early 1850s. He was a MOTS vet
and they had 9 children. He died at only 40 years

railroad workers. I have a picture of the house, which
is now in a depressed area of town, but still sturdy an

had 6 children and two of the sons were WBTS vets.
I have to look him up in the 1860 Smyth Co census
to see if he had any children with nancy. He
appears to have bought and sold his land over and over
again with his brother James. Perhaps they were
trying to raise money. edward seemed like the
more stable brother and that is who Leonard left
this land to.
